PROFESSOR SANG-CHUL PARK
KOREA POLYTECHNIC UNIVERSITY

Sang-Chul Park has PhD degrees in political science and economics. He is currently Full Professor at the Graduate School of Knowledge based Technology and Energy, Korea Polytechnic University and Adjunct Professor at the Center for Science-based Entrepreneurship, Korea Advanced Institute of Science and Technology (KAIST), South Korea. He is also a Private Dozent at Justus Liebig University in Giessen, Germany and Visiting Professor at Gothenburg University, Sweden. He served as Associate Professor at Gothenburg University, Sweden from 2001 to 2003 and as Associate Professor at Okayama University, Japan from 2003 to 2006.

His research interests concern industrial policy and regional development and studies on innovation systems and on science parks and innovative clusters in particular. Currently his research areas are expanded toward energy policy, sustainable development strategy, high technology ventures and international business and trade.

In addition, he is a member of the editorial advisory board for Korea Observer (SSCI Journal) as well as a member of the editorial review board for Journal of Small Business Management (JSBM) (SSCI Journal).
