Core/Elective C = Core (a unit that must be completed) & **E** = Elective (you have some choice in what you select)

Prerequisites A number of units within the degree have "prerequisites". These prerequisites must be met before enrolment in the unit is permitted. Generally these prerequisites require the successful completion of a unit or units taken at an earlier stage in the course. Students should pay particular attention to these prerequisite requirements as failure to meet these can seriously hinder progression through the course.
