

STUDY ABROAD CERTIFICATE PROGRAM

VICTORIA UNIVERSITY, MELBOURNE AUSTRALIA

DIGITAL MEDIA

ABOUT THIS PROGRAM

Interactive Media is one of the fastest growing industries in the world; fuelled by the Internet it is now one of Australia's highest growth exports.

In this certificate program you can broaden your technology and communication skills, undertake units in music technology, research uses of new technologies and involve yourself in the Australian Media Industry through work placements and real world projects.

Recent student projects include, mobile game development for Melbourne Zoo, DVD production for refuge organizations, documentary production for Melbourne museums and website development for both local community groups and industries

You will have access to latest teaching and learning facilities including industry standard television, music and radio studios, and high-end digital laboratories.

STUDY IN MELBOURNE, AUSTRALIA

Melbourne is a vibrant multicultural city of over 4 million people with over 140 languages spoken.

We are consistently voted as one of the world's most liveable cities with an excellent public transport system, a wide range of cultural and sporting events all year round and only a short distance to some of our finest beaches, forests and mountain ranges.
