

## VTAC IRREGULAR OFFER CONTACT LIST – UNDERGRADUATE AND VET COURSES

(AS AT 23 JANUARY 2012)

An Irregular Offer is applicable to current VTAC applicants who have:

- received an offer through VTAC but want to be considered for a course of the same type listed lower on their preferences; or
- received an offer through VTAC but want to apply for a course not listed among their preferences; or
- have not received an offer and want to apply for a course not listed on their preferences .

Restrictions:

- Irregular offers do not apply to International Year 12 or International IB students currently studying in Australia.

To apply for an Irregular Offer:

- You must first ensure that you meet the requirements for the course.
- Then you must contact the course selection officer via the relevant telephone number provided in this contact list to check whether there are any vacancies in the course and whether they are prepared to consider making you an offer. At this stage, you should also check the final date that applications for irregular offers will be accepted and whether the selection officer requires any documentation.
- If there are vacancies, you must complete the irregular offer request via the 'Irregular Offer' link in MyInfo on the VTAC website ([www.vtac.edu.au](http://www.vtac.edu.au)) by the closing date provided by the selection officer.
- If your irregular offer is approved, the offer will be formalised through the VTAC offer system in the next available VTAC round.
- **PLEASE NOTE:** By accepting an irregular offer, you forfeit the right to be considered for any other offers through VTAC (including those courses higher on your list of preferences) for the remainder of the selection period
