

MICHAEL KIRBY CONTRACT LAW MOOT 2018

It's a Wrap!

What a terrific event! This year's competition continued in the tradition of moots past and gathered teams from all over the country to engage in all things Contract Law.

To all the participants thank you for your hard work and enthusiasm. It was a pleasure to host you. Your level of good will and collegiate spirit was impressive. May the budding friendships continue well beyond this competition. I look forward to seeing teams from all universities in **September 2019!**
