**VICTORIA  
UNIVERSITY**

MELBOURNE AUSTRALIA

THE NEW WAY TO DO UNI

# WELCOME TO VICTORIA UNIVERSITY

I am excited to welcome you to Victoria University in Melbourne, Australia. We are ranked in the top 2% of universities around the world in the *Times Higher Education* World University Rankings 2022, and for good reason.

We are proud to be a student-centred, innovative and supportive university. Our revolutionary VU Block Model means you can immerse yourself in one subject at a time, in four-week blocks and in small classes, without the conflicting demands of multiple subjects.

This smarter way to take on tertiary study gives you the skills you need to succeed, so you can start well and finish brilliantly. You will have access to world-class teaching staff and receive a globally recognised qualification.

By completing your studies in Melbourne, you will gain invaluable international experience in an Australian

classroom environment whilst learning with other students from all over the world.

I can't wait to welcome you to Victoria University in 2022.

A handwritten signature in black ink, reading 'Adam Shoemaker'.

**Professor Adam Shoemaker**  
Vice-Chancellor and President  
Victoria University

## **Acknowledgement of Country**

Victoria University acknowledges, recognises and respects the Ancestors, Elders and families of the Boonwurrung, Waddawurrung and Wurundjeri of the Kulin who are the traditional owners of University land in Victoria, and the Gadigal and Guring-gai of the Eora Nation who are the traditional owners of University land in Sydney.

# A WORLD-CLASS UNIVERSITY

VU is a world-class university. Our rankings, research, facilities, partnerships and alumni network are all part of our international reputation and are pillars for your success.

We are ranked in the top 2% of universities in the world, according to the *Times Higher Education* World University Rankings 2022. This ranking is the only international assessment of universities across their core missions of teaching, research, knowledge transfer and international outlook. We are also 63 in the world in the *Times Higher Education* Young University Rankings 2022.

We are 77 in the world for quality education, according to the *Times Higher Education* Impact Rankings 2021, for our contribution to early years and lifelong learning, our teaching research and our commitment to inclusive education.

VU offers world-class research opportunities, with 28 research disciplines ranked at or above world standard in the latest Excellence in Research for Australia (ERA) assessments. Our researchers develop new technologies and solve real-world problems, building smarter, healthier and more sustainable communities.

Our facilities including contemporary learning spaces, simulation labs, robotics, high-performance testing, industry-supported facilities such as the Cisco cybersecurity centre and the SAP Next Gen Lab, and the latest technology for vocational skills development.

Our international education partners include Liaoning University, Henan University and the Central University of Finance and Economics in China, Sunway College in Malaysia and the National School of Business Management in Sri Lanka.

Our alumni network of more than 260,000 includes 30,000 professionals living and working around the world, while employers of our alumni include the London Ambulance Service, Indonesia's Ministry of Finance, Facebook and NASA.

## A revolution in learning

At VU, our award-winning learning models have revolutionised tertiary education in Australia. With the VU Block Model, an Australian first, you focus on one or two subjects at a time, in small classes with the same educator for four or eight weeks, depending on your course. Each four-week or eight-week 'Block' includes all your assessments and results.

With a high level of academic support, the VU Block Model is designed to help you adjust to university study in Australia. International students perform particularly well under the Block Model, with a pass rate of 93%, and 55% of results being a distinction or above.

Victoria University Polytechnic, VU's vocational education division, combines engaging, user-friendly e-learning, with face-to-face training and support through its award-winning interactive e-learning model.

## Future-ready

Our graduates have the creative, problem solving and technical skills required to thrive in a fast-changing world. Practical learning, designed with our industry partners, is reinforced through industry application and supported by skills in communication, collaboration and leadership. Our teaching spaces are optimised for contemporary learning, including simulation labs with robotics, a high-tech A\$68 million sport and exercise science research facility, and a new 32-level tower scheduled to open in Melbourne's Central Business District (CBD) in 2022.

## Safe and supportive community

We are a welcoming and inclusive university in Australia's highest-ranked student city. Australia is also ranked the safest country in the world for women, according to the 2019 Global Wealth Migration Review. At VU, we celebrate cultural diversity and provide opportunities for all students to take part in community and social activities. We have more than 50 student clubs, programs to promote student leadership and activities to support community engagement. Our student advisers are always available to ensure you get the help you need, and the VU Safe app helps to keep you safe and secure.

† 2020 QILT Employer Satisfaction Survey

# INDUSTRY PARTNERSHIPS

We have more than 4000 industry partners who ensure our courses are relevant to industry needs and that our graduates are job-ready. They provide opportunities to gain important industry experience through meaningful work placements and help us to design our courses with the latest industry insights and technologies. As a result, VU graduates are considered the best in Victoria for collaborative skills, team skills, interpersonal skills and technical skills - as voted by employers (2020 QILT Employer Satisfaction Survey).

[vu.edu.au/industry](https://vu.edu.au/industry)

## Industry-Accredited Courses

Many of our courses are accredited by industry organisations, ensuring the relevance of our courses and improving employment outcomes for our graduates.

Our accrediting organisations include Engineers Australia, the Australian Marketing Institute, the Institute of Managers and Leaders, the Australian Nursing and Midwifery Accreditation Council, the Australian Computer Society, the Australian Psychology Accreditation Council, CPA Australia, the Institute of Chartered Accountants Australia and the Victorian Institute of Teaching.

Our industry partners include NASA, KPMG, PWC, Hyatt Hotels, the Supreme Court of Victoria, Western Health, SAP, the National Australia Bank, Commonwealth Bank, ANZ and Westpac, Cisco Systems, Cricket Australia, Melbourne Victory Football Club and the Western Bulldogs Football Club.

## Work-Integrated Learning

Work-integrated learning (WIL) combines real-world professional experiences with disciplinary theory and counts towards your overall grade. Our WIL opportunities span all subject areas, and include work placements, client-led projects, industry-focused research, fieldwork, cadetships, internships and simulations.

[vu.edu.au/wil](https://vu.edu.au/wil)

## Placements and Industry-Based Projects

Many VU courses include a compulsory placement or industry project. These practical learning opportunities apply to a range of subject areas including business, engineering, health and education. Through placements, you will enhance your overall employability by applying knowledge from the classroom to the workplace, developing hands-on skills and gaining exposure to Australian workplace environments, processes and issues. Placements will also help improve your English language proficiency and interpersonal skills, while you establish a network of contacts and potential employment opportunities.

## Industry Mentoring

We offer two mentoring programs to help you prepare for work: Career Mentoring and Talent Connect.

Career Mentoring matches students with an industry professional to prepare you for life after graduation. Our mentors come from industry partners including the Commonwealth Bank, the National Australia Bank and IBM.

Talent Connect helps final year students prepare for work with career workshops and mentoring.

Each program can help you to understand what employers are looking for in graduates, explore options for work experience, help you to develop professional networks, practice interview skills, develop résumé writing skills and gain knowledge of industry expectations and culture.

[vu.edu.au/talent-connect](https://vu.edu.au/talent-connect)

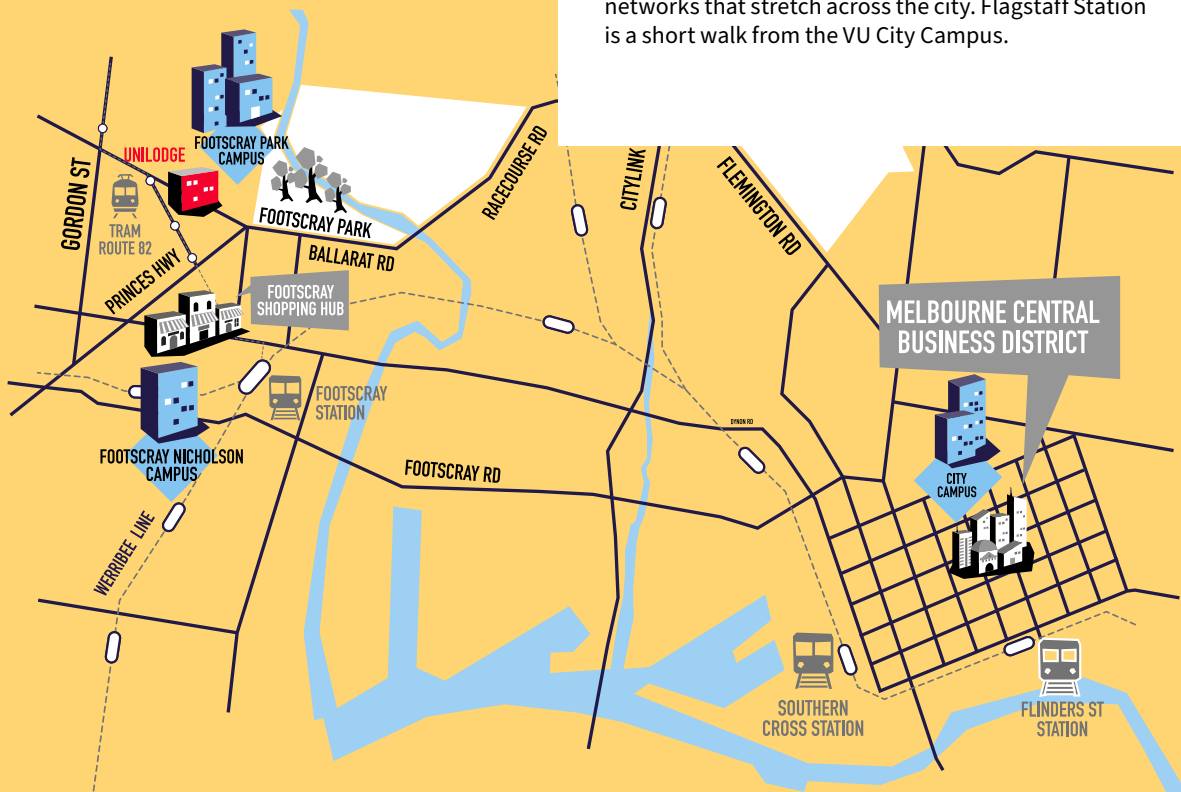

# 5 REASONS TO CHOOSE MELBOURNE

## 1. EXTENSIVE PUBLIC TRANSPORT

Melbourne has an excellent public transport network that makes it safe, easy and affordable for students to travel to campus, work and around the city. All VU campuses are a short walk from public transport and our city campuses operate within Melbourne's free tram zone. Melbourne has extensive tram and train networks that stretch across the city. Flagstaff Station is a short walk from the VU City Campus.

## 2. AUSTRALIA'S BEST STUDENT CITY

Melbourne is the best student city in Australia and the sixth-best student city in the world, according to the QS Best Student Cities 2022. It is a vibrant, multicultural city and home to one of the world's most diverse student communities. Melbourne is full of the attractions that make the Australian lifestyle so appealing – beautiful beaches, friendly people and a fair proportion of sunny days!

Melbourne is renowned for its great restaurant and café options and its beautiful parks and boulevards. It is also one of the safest cities in the world (Economist Intelligence Unit Safe Cities Index 2019).

### 3. AUSTRALIA'S CULTURAL CAPITAL

Known as the cultural capital of Australia, Melbourne's annual calendar includes theatre, comedy, dance, art, film, fashion and a range of multicultural celebrations. Melbourne has more live music venues per capita than any other city in the world and hosts major international artists and performers. It also has incredible museums and is known as one of the world's leading street art cities, with many of its laneways acting as free open-air galleries.

[visitvictoria.com](http://visitvictoria.com)

### 4. WORLD-CLASS SPORT

Melbourne is one of the world's great sports cities and hosts some of the biggest and best events including the Australian Open (Grand Slam tennis), the Australian Formula 1 Grand Prix, the Melbourne Cup (horse racing), Australian Rules football (AFL) and international cricket matches. Our world-class sporting precinct includes the iconic Melbourne Cricket Ground, AAMI Park and Melbourne Park. There are also lots of community sports clubs and public sport facilities including cycling paths, basketball and tennis courts, and swimming pools.

### 5. FOOD FOR ALL TASTES

Cuisine from almost every part of the world can be found in Melbourne, with options to suit all budgets. Cuisines include Chinese, Indian, Vietnamese, Japanese, Korean, Sri Lankan, Malaysian, Thai, Spanish, Italian, Greek, French, Sudanese, Somali and Mexican. Many delights can be found in our local markets too. Queen Victoria Market is the biggest market of its kind in Australia with shops and stalls and even foodie tours, while Footscray Market offers everything from fresh vegetables and seafood to lotus flowers and cassava root!

# CELEBRATING STUDENT SUCCESS

Home to Australia's most employable graduates, VU is also the third highest-ranked university in Australia for Learner Engagement (2020 QILT Student Experience Survey). This survey demonstrates how satisfied current Australian students are with their student experience, and was undertaken during the height of the COVID-19 pandemic in 2020. Here is a snapshot of our latest student and alumni successes.

## POOJA — KENYA

Reliability Engineer, Fortescue Metals Group  
Bachelor of Engineering (Honours) (Mechanical Engineering)

In March 2020, VU alumna Pooja won the Outstanding Young Woman in Resources Award and the People's Choice Award in the Western Australia Women in Resources Awards. Graduating with a Bachelor of Engineering (Honours) (Mechanical Engineering) in 2017, Pooja defied the odds of growing up in a low-income family in Kenya to gain an international education. After completing her VU degree, she undertook an internship with Rio Tinto Weipa in far north Queensland, where she was quickly promoted to a graduate role as the only female mechanical engineer. In April 2020 she moved to Western Australia to work as a reliability engineer at the Solomon Mine for Fortescue Metals Group.

## RAHMA — TANZANIA

Senior Analyst, National Australia Bank  
Master of Business (Accounting)

Rahma's academic journey began at Sunway College in Kuala Lumpur, where she enrolled in VU's Bachelor of Business (Banking and Finance) before completing a Master of Business (Accounting) from VU Melbourne in 2014. During her degree Rahma was employed as a VU staff member, working in admissions, enrolments and student services. Upon graduation, she took part in NAB's African Australian Inclusion Program, which provides six months of work experience to help participants gain exposure to Australian workplace cultures, build networks and obtain a job reference.

## LAKSHMI – INDIA

Public Health Officer, Victorian Government  
Master of Public Health (Global Nutrition and Active Living)

Working as a resident doctor in a specialty hospital in Delhi, Lakshmi decided it was time for a career – and sea – change. The VU alumna graduated with a Master of Public Health (Global Nutrition and Active Living) in 2020 and now works as a public health officer for the Department of Health and Human Services in Melbourne. During her degree, Lakshmi undertook a professional placement with Cohealth, a not-for-profit community health organisation and one of VU's industry partners. She also took part in the VU Vollies program, which helps students make new friends and learn new skills through on-campus and community volunteering opportunities.

## OLENA – VIETNAM

Partnerships and Engagement Lead, Campus Consultancy  
Bachelor of Social Work

Olena Nguyen has forged an impressive CV – all while still a student. In addition to her role at Campus Consultancy on the Study Melbourne Leadership Labs Program, she is Deputy Chair of VU's Cultural Diversity Student Network and Partnerships Director at the Australian Federation of International Students. In 2019, she was awarded the Council of International Students Australia's Best Undergraduate International Student of the Year. "It's been a challenging journey for me, but it has also been rewarding. I'm more outgoing, more independent, more resilient and more professional."

## MARVIN – KENYA

Engineer, Transurban  
Master of Project Management

Marvin Ambala received a VU Outstanding Achievement Award and took part in the Victoria University-Commonwealth Bank Multicultural Mentoring Program in 2018. The program helps students develop the skills and confidence to grow their careers. In 2019, he returned to share his experience with other students. "Throughout the mentoring relationship, my mentor and I worked on improving my interpersonal and networking skills alongside developing my résumé and career plan. Furthermore, we worked on my employability by focusing on my strengths and interviewing skills." Marvin also undertook a six-week internship as part of a VU-Transurban partnership program. He is now working as an engineer with Transurban on a major infrastructure project.

# VU'S BLOCK MODEL: A REVOLUTION IN LEARNING

## WHAT IS THE BLOCK MODEL?

Unlike most other universities where you study multiple subjects at once, at VU you study one subject at a time for four weeks (undergraduate courses and some postgraduate courses) and two subjects at a time for eight weeks (postgraduate courses). Each four-week or eight-week 'block' includes all assessments, and your results are available after each block. You then have a few days between blocks to relax and prepare for the next subject.

The Block Model is unique to VU in Australia and is founded on the success of universities using similar models in Sweden, Canada and the United States.

## HOW IT WORKS

Your study mode of delivery will be organised in one of the following ways, depending on your course:

**4**

### FOUR-WEEK MODE

All undergraduate courses as well as postgraduate arts, education, health, biomedicine, sport and exercise.

**8**

### EIGHT-WEEK MODE

Postgraduate business courses and selected engineering and science courses.

Four-week mode means you study one unit (subject) at a time over four weeks. In eight-week mode you study two units at a time over eight weeks. All other postgraduate courses not listed above will be taught in the current course teaching periods (i.e. multiple units at the same time over the semester/trimester), until the VU Block Model is rolled out to all courses. Check your course page on the website for more details.

## SUPPORT FOR YOUR FIRST YEAR AT UNI

VU is the only university in Australia to have a First Year College, made up of specialist educators and programs to guide and support your transition to uni.

In first year, alongside coursework, you'll complete Study Essentials – a program designed to help you gain the skills required for success such as research and writing.

With this support and collaborative approach, it's no wonder our First Year College won an Australian Award for University Teaching (AAUT) in 2020, and that students rank us #1 in Victoria (#3 in Australia)\* for learner engagement.

In subsequent years you'll complete Course Essentials and Career Essentials, which offer customised support through practical learning activities, and assist you to find employment in your chosen field. For more information about learning support, visit [vu.edu.au/learning-hubs](https://vu.edu.au/learning-hubs)

For more information about the First Year College, visit [vu.edu.au/fyc](https://vu.edu.au/fyc)

FOR LEARNER  
ENGAGEMENT#

## WHY IS VU'S BLOCK MODEL BETTER FOR YOU?

### Improved academic success

The progression of subjects in the Block Model will give you early feedback and success. Since the introduction of the Block Model in 2018, international students have performed particularly well, achieving a pass rate of 93%, with 55% of those results a distinction or above.

### Small classes

You learn in smaller classes and have more one-on-one time with your educators. Studying with one group at a time will help you to adjust to university life in Australia and form better connections with your classmates and mentors. Plus, this will help you gain more confidence to be able to share ideas and debate concepts.

### Flexibility

Teaching sessions are available in multiple combinations (morning, mid-morning, afternoon and evening), allowing you to plan your work and other activities. We also have multiple entry points and the option to fast-track or catch up on your studies during our winter and summer blocks.

### Simple timetables

The study year for undergraduate courses is divided into 10 four-week blocks: two semesters of four blocks each, plus

two optional blocks over winter and summer. Each unit has three face-to-face teaching sessions per week, scheduled over three days. Teaching sessions don't run on more than two consecutive days, so you will have one gap day between teaching sessions and two gap days each week. Subjects with labs and professional experience, called 'pracs', have extra teaching hours and are scheduled on the same days as teaching sessions. If you are studying a postgraduate program, you will participate in two workshops per week (one to two hours long) for six weeks, followed by a three-hour workshop in Week 7 and a break in Week 8 for reflection.

### Early feedback

Assessments have been redesigned for quicker completion within each block, with most of your work completed in class so you can achieve your best through early and ongoing feedback. You'll have a great sense of how you're progressing in your course, with final grades for units available soon after each block finishes.

“

**THE VU BLOCK MODEL'S MORE  
MANAGEABLE WORKLOAD MAKES  
IT EASIER TO KEEP UP.**

”

“It also gives me more time to relax, play futsal, and work. My friends at other units are studying different subjects in a single day – it’s confusing for them. They think VU’s Block Model is a great idea.”

**ETHAN**

Bachelor of Science (Osteopathy), Master of Osteopathy

“

**STUDY IS LESS STRESSFUL WITH THE  
VU BLOCK MODEL BECAUSE YOU FOCUS  
ON ONE SUBJECT AT A TIME.**

”

“The class sizes are small, so we can interact with teachers and receive feedback. I also have plenty of time to get involved in extracurricular activities, including being the women’s officer for the Student Union and the Vice-President of the VU African Society. I’m enjoying university – I feel like I belong.”

**TOOLSIKA**

Bachelor of Psychology/Bachelor of Criminal Justice

“

**IF IT WASN'T FOR BLOCK MODEL, I DON'T  
THINK I COULD HAVE COMPLETED THE  
REMAINING UNITS OF MY COURSE —  
LET ALONE KEPT WORKING.**

”

“I found the structure of the Block Model made it easier to focus and retain the information. Studying just one unit every four weeks, rather than juggling four units was the key to my success at the time.”

**SERGIO**

Bachelor of Business (Finance/Accounting Major)

# SCHOLARSHIPS

VU is proud to offer a range of university-funded scholarships to support students, as well as to accept recipients of scholarships funded by the Australian Government, Victorian State Government and governments of other countries.

A scholarship provides financial assistance during your study. Some scholarships cover tuition fees and living allowances, while others provide only partial funding towards tuition fees.

All scholarship applicants must meet VU's academic entry requirements, in addition to any eligibility requirements for their scholarship.

[vu.edu.au/international-scholarships](http://vu.edu.au/international-scholarships)

## VU Global Leaders Scholarship

The VU Global Leaders Scholarship supports new international students who plan to commence their higher education diploma, undergraduate or postgraduate (coursework) studies in 2022. The scholarship provides a 20% tuition fee reduction for the entire standard duration of eligible courses (calculated from the date of commencement to the course end date in the letter of offer).

## VU Diplomatic Scholarship

VU recognises the benefit of having members of the diplomatic community as its students. Accordingly, this new initiative will provide a scholarship of 10% on international student fees to members of the Consular Corps and their immediate families.

## VU Alumni Discount

The VU Alumni Discount recognises the importance of our alumni community as lifelong learning partners and promote lasting relationships between the University and its former scholars. As such, we have introduced a 10% fee discount for VU alumni when they enrol in a new course.

## Pathway To Victoria Scholarship

The Pathway to Victoria Scholarship has been made possible by funding from the Victorian Government through Study Melbourne. It is available to a limited number of new offshore international applicants applying to study a Higher Education Diploma, Foundation Studies or English course with a packaged offer to Victoria University enrolling in their principal course before the end of 2023.

The total value of the scholarship is up to AU\$2500 as a one-off payment to be paid into the VU student account towards a VU pathway course tuition fees after commencing the principal course.

## International Research Scholarships

The international postgraduate research scholarships provide financial assistance to students with excellent academic qualifications who are participating in postgraduate research programs in Australia. These scholarships support high quality research and are awarded on the basis of academic merit.

## Australia Awards Scholarships

Australia Awards Scholarships are offered by the Australian Government and administered by the Department of Foreign Affairs and Trade (DFAT). They provide opportunities to citizens of participating countries from Asia, the Pacific, the Middle East and Africa, for full-time undergraduate or postgraduate study at Australian institutions. They contribute to the long-term development needs of Australia's partner countries. The scholarships include tuition fees, flights, a living allowance, Overseas Student Health Cover and academic support.

[dfat.gov.au/australia-awards](http://dfat.gov.au/australia-awards)

## Foreign Government Scholarships

We welcome students with scholarships from their home government or organisations worldwide, including:

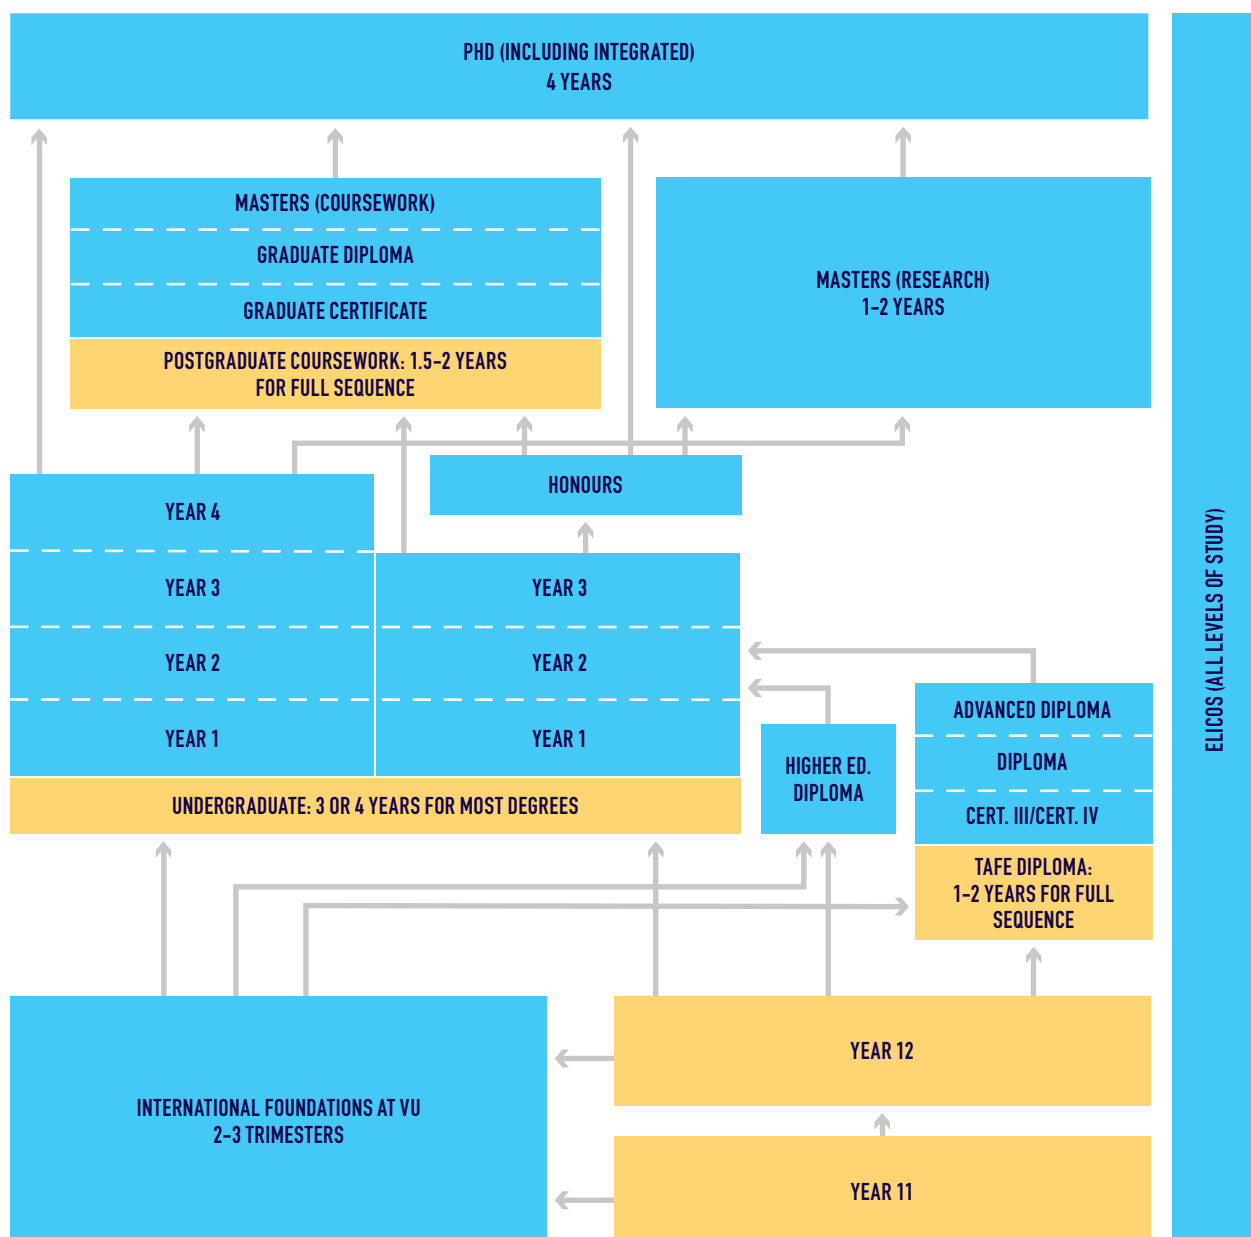

- Ministry of Higher Education (Kuwait, Oman, Saudi Arabia)
- East-Kalimantan Provincial Government (Indonesia)

# PATHWAYS

There are many ways to start your studies at VU. As one of only six dual sector universities in Australia, VU offers foundation studies, vocational certificates and diplomas, higher education diplomas and English languages courses. Successful completion of a pathway

course provides admission to a higher level course. Our vocational and higher education diplomas even provide you with academic credits, reducing the time it will take to complete your studies.

# VU ENGLISH

We offer a wide range of English Language Intensive Courses for Overseas Students (ELICOS) at our City Flinders Campus in the centre of Melbourne.

Our courses improve your English for life, university study and work. They are also a pathway to our academic courses. Our classes are run by experienced and qualified ELICOS teaching staff. As a VU English student, you have the option of attending additional free classes and taking part in a range of social activities to further improve your English language skills.

VU English is home to a Pearson Test Centre. The Pearson Test of English Academic (PTE Academic) is the leading computer-based English test. It assesses listening, reading, speaking and writing in a single three-hour test. Test results are for university, work and migration applications.

## General English (GE)

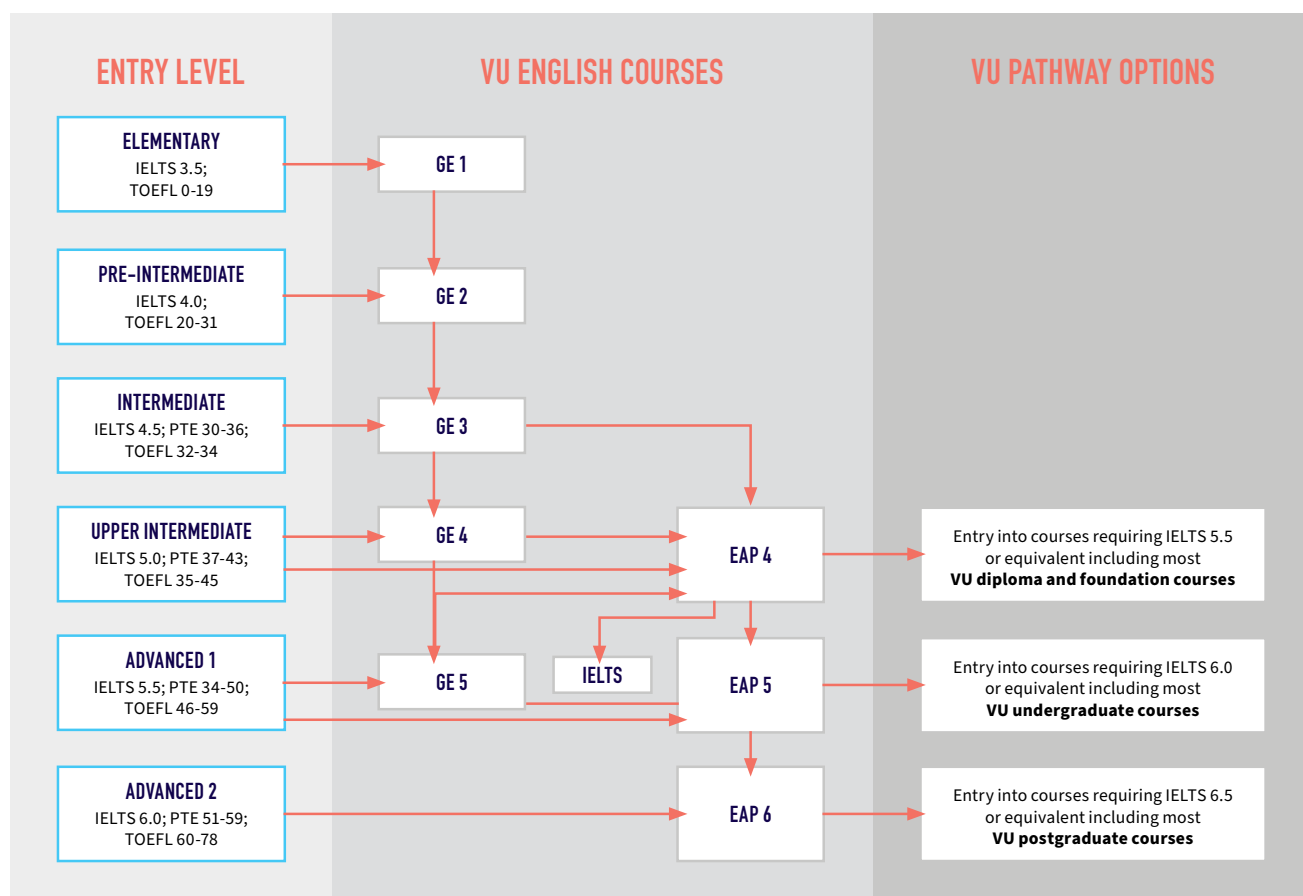

Designed for students with beginner to intermediate levels of English for everyday use, speaking, listening, reading and writing, and for entry into the English for Academic Purposes course.

## English for Academic Purposes (EAP)

Designed for students with upper intermediate to advanced levels of English who want to study foundation, vocational education (TAFE), HE diploma, undergraduate or postgraduate courses at VU.

## English for Academic Purposes - IELTS Preparation

A unit designed to help students succeed at the IELTS test.

Some VU courses require higher English language proficiency to gain entry. Please check course requirements at [vu.edu.au/international](http://vu.edu.au/international) or page 108 of the course guide.

## GENERAL ENGLISH

Our General English courses are offered at five levels, from Elementary through to Advanced. Develop your English language skills in speaking, listening, reading and writing.

COURSE LOCATION	LEVELS	COURSE CODE	CRICOS CODE
City Flinders (until April 2022) VU City Campus (from April 2022)	GE 1 (Elementary) GE 2 (Pre-Intermediate) GE 3 (Intermediate) GE 4 (Upper Intermediate) GE 5 (Advanced)	VGEN	059112E
COURSE FEE	ENTRY	DURATION	INTAKES
A\$460 per week (plus A\$200 enrolment fee)	VU English Placement Test	5-10 weeks per level depending on proficiency	January, February, March, May, June, July, August, October, November

## ENGLISH FOR ACADEMIC PURPOSES

Study at three levels, from Upper Intermediate to Advanced. This course is your pathway into academic courses at VU.

COURSE LOCATION	LEVELS	COURSE CODE	CRICOS CODE
City Flinders (until April 2022) VU City Campus (from April 2022)	EAP4 (Upper Intermediate) EAP5 (Advanced 1) EAP6 (Advanced 2)	VNEAP	082777E
COURSE FEE	ENTRY	DURATION	INTAKES
A\$460 per week (plus A\$200 enrolment fee)	EAP4: IELTS 5.0, VU English Placement Test or completion of GE3. EAP5: IELTS 5.5 or completion of EAP4. EAP6: IELTS 6.0 or completion of EAP5.	5-10 weeks per level depending on proficiency	EAP4: January, February, March, May, June, July, August, October, November EAP5: January, February, March, May, July, August, October, November EAP6: March, May, July, August, October, November

## ENGLISH FOR ACADEMIC PURPOSES: IELTS PREPARATION

Develop English language skills and test strategies to help you pass the IELTS test. This course is suitable for students with upper-intermediate to advanced levels of English.

COURSE LOCATION	LEVELS	COURSE CODE	CRICOS CODE
City Flinders (until April 2022) VU City Campus (from April 2022)	IELTS 5 (Advanced 1)	VNEAP	082777E
COURSE FEE	ENTRY	DURATION	INTAKES
A\$460 per week (plus A\$200 enrolment fee)	IELTS 5.5, VU English Placement Test or completion of VU English EAP4	5 weeks	January, June, December

# VU COLLEGE

VU College provides pathways to VU degrees. Our pathways are tailored to your needs. In addition to English language courses, we offer an International Foundations program and diplomas in business, information technology and engineering.

## International Foundations

The International Foundations program is your pathway to degree programs at VU. It is an alternative to completing an Australian Year 12 certificate and provides a supportive learning environment as you adjust to living away from home.

Successful completion is a guaranteed pathway into HE diplomas and the first year of VU degrees.

## INTERNATIONAL FOUNDATIONS AT VU

COURSE NAME	CRICOS CODE	INTAKE AND CAMPUS	FEE (PER TRIMESTER)	DURATION	ENGLISH LANGUAGE REQUIREMENT <sup>^</sup>	ACADEMIC REQUIREMENT	UNITS OF STUDY
Standard (JQAG)	096078F	June and October Footscray Park	A\$11,000	26 weeks	IELTS 5.5 (no band less than 5.0)	Equivalent Australian Year 11 or 60%	8 units (8 must be completed including 2 core units)
Extended (JQAH)	096079E	February and June Footscray Park	A\$11,000	39 weeks	IELTS 5.0 (minimum of 5.0 in writing)	Equivalent Australian Year 11 or 50%	12 units (12 must be completed including 4 core units)

<sup>^</sup> Please refer to the VU website for country-specific academic requirements.

## Higher Education Diplomas

Our one-year Higher Education (HE) diplomas have the same curriculum as the equivalent degree, but with extra English language support. Successful completion of a diploma is a guaranteed pathway into the second year of some VU bachelor degrees (or credits towards these degrees). If you want to study a degree but don't feel fully prepared or lack certain prerequisites, these are good options for you.

VU's HE diplomas are designed to prepare international students for success in the second and third years of undergraduate study.

We offer the following one-year HE diplomas:

- Diploma of Business (Enterprise) – page 28
- Diploma of Engineering – page 44
- Diploma of Information Technology – page 64

Even if you choose not to continue on to a VU degree after the first year, you'll graduate with a diploma that has prepared you for the start of your career.

# VU POLYTECHNIC

We offer accredited vocational education certificates and diplomas. Your learning environment features state-of-the-art facilities including an in-hospital simulation laboratory, interactive mannequin technology, three commercial kitchens and a simulated early childhood

environment. You will gain industry experience through work placements and industry projects. Successful completion of a VU certificate or diploma is a pathway to other relevant VU courses. You will also be job-ready to meet employer needs.

## BACHELOR OF ARTS

[vu.edu.au/courses/international/ABAB](http://vu.edu.au/courses/international/ABAB)

<b>C</b>	<b>COURSE CODE:</b> ABAB <b>CRICOS:</b> 068927B
<b>📍</b>	<b>LOCATION</b> Footscray Park
<b>⌚</b>	<b>DURATION</b> 3 years
<b>📅</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$12,800 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall score of 6.0 (with no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

### COURSE DESCRIPTION

An arts degree is the ideal preparation for today's fast-changing world. You'll develop specific skills for your chosen career, along with research, writing and communication expertise. Major in digital media, visual arts, writing or one of five other majors. We offer on-the-job learning with our partners including the Malthouse Theatre, Penguin Books, the ABC, SBS and the Parliament of Victoria.

### GRADUATE OUTCOMES

In your third year, you'll have the opportunity to participate in real-world projects with our industry and community partners. You can make valuable industry connections before you even graduate. Graduates often go on to work in creative arts, journalism, writing or strategic communications, teaching, creative arts administration, public service and policy work, the community sector or software development.

### YEAR 1

Academic Discourse and Experience  
Reason and Revolution

Political Science  
Sociology  
History  
Visual Art

## BACHELOR OF MUSIC

[vu.edu.au/courses/international/ABMC](http://vu.edu.au/courses/international/ABMC)

<b>C</b>	<b>COURSE CODE:</b> ABMC <b>CRICOS:</b> 077998A	<b>⌚</b>	<b>DURATION</b> 3 years
<b>📅</b>	<b>2022 INTAKES</b> February, August	<b>\$</b>	<b>2022 FEES</b> A\$12,800 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall score of 6.0 (with no band less than 6.0)	<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

### COURSE DESCRIPTION

This course focuses on popular and contemporary music. You'll develop your music knowledge, technical fluency and creativity. Through practice, cultural analysis and critical listening, you'll discover an inspiring variety of musical styles. Areas of study include music performance, music theory, song writing and arranging, popular music culture and history, and music technology. Considered one of the best live music cities in the world, Melbourne offers a range of performance opportunities. You'll also have access to cutting-edge music technology and our commercial recording facilities at Kindred Studios. All students should be able to read music notation. If you've studied music performance or worked as a musician, you may be eligible for advanced standing and credits towards your degree.

### JEEHOON (SOUTH KOREA)

Bachelor of Screen Media

After graduating from VU, Jeehoon Choi worked at SBS in Sydney as a social media videographer – a role he describes as “the best thing that can happen to a media graduate”. He believes saying ‘yes!’ to every opportunity during his studies was the key to his success. “VU truly is a university of opportunity. It's up to you how you make the most of it.”

## BACHELOR OF SCREEN MEDIA

[vu.edu.au/courses/international/ABSN](http://vu.edu.au/courses/international/ABSN)

	<b>COURSE CODE:</b> ABSN <b>CRICOS:</b> 092157F
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2022 INTAKES</b> February, August
	<b>2022 FEES</b> A\$12,800 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

### COURSE DESCRIPTION

Develop your passion for story-telling in film, television, radio, online or mobile platforms, while building your understanding of intellectual property rights. You'll learn from teachers who are directly involved in the media industry. You will develop practical skills in media production for online content distribution including streaming sites such as YouTube. We are Australia's first university to achieve Blackmagic Design's DaVinci Resolve Trainer Certification (post-production software).

### GRADUATE OUTCOMES

To ensure you are work-ready when you graduate, you'll complete 80-100 hours of work placement as part of this course. You will be ready to enter and succeed in a range of professional roles that include producer, director, cinematographer, production manager, sound recordist, post-production supervisor, editor, content distributor and cross-platform content creator.

#### YEAR 1

Academic Discourse and Experience  
Knowledge, Inquiry and Research  
Text and Representation  
Creativity, Communication and the Digital Age  
Online Screen Media  
Introduction to Screen Media

Screen Media Practice  
24 credit points (equivalent to 2 units) of capstone studies  
Studio Project 1  
Studio Project 2  
48 credit points (equivalent to 4 units) of minor studies

#### YEAR 2

Television Production  
Radio Production  
Cross Media Practice  
Visual Effects  
Post-Production  
From Concept to Production  
Cinematography

#### MINORS

Writing  
Digital Media  
Visual Art

## MASTER OF DIGITAL MEDIA

[vu.edu.au/courses/international/AMDM](http://vu.edu.au/courses/international/AMDM)

	<b>COURSE CODE:</b> AMDM <b>CRICOS:</b> 083302K
	<b>LOCATION</b> City Flinders: February 2022 only VU City Campus: from April 2022
	<b>DURATION</b> 2 years
	<b>2022 INTAKES</b> February, August
	<b>2022 FEES</b> A\$14,000 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall score or 6.5 (with no band less than 6.0)
	<b>ADMISSION REQUIREMENT</b> A degree in any discipline equivalent to an Australian undergraduate degree or higher.

### COURSE DESCRIPTION

Advance your career options as a digital media professional or learn how to implement digital transformations in your own industry. You will learn skills in user experience (UX) design, app development, game production, search engine optimisation (SEO), content strategy, social media and web analytics, and data visualisation. In your second year, you will undertake a research project and have the option to link it to an industry problem.

### GRADUATE OUTCOMES

You'll graduate with an impressive portfolio of UX and human-centred design research methodology examples. You will be ready to work as a digital media practitioner, producer, digital media strategist, digital marketing manager, mobile web designer, cross-media practitioner, e-learning designer, or UX designer.

#### YEAR 1

Research Methods  
Visuals, Digital Media and a Global World  
Video Production  
Web Technologies  
Analysing the Web and Social Networks  
Digital Media for Sport and Health  
Cross-Platform Media Production  
Design Management

#### YEAR 2

Research Project  
Communicating Research  
72 credit points of Elective studies OR  
Research Thesis (Part 1)  
Research Thesis (Part 2)  
48 credit points of Elective studies

#### ELECTIVES

Professional Internship  
Engaging Communities for Sustainability  
Transnational Gender Issues and Human Rights  
Migration, Culture and Identity  
Management in Non-Government Organisations  
Conflict Resolution in Groups and Communities  
Business Analytics  
Marketing Strategy  
Customer Relationship Management  
Consumer Behaviour  
Digital Marketing  
Business Ethics and Sustainability  
Art and Practice of Leadership  
Managing Innovation and Entrepreneurship

# BUSINESS

Human Capital Management Business Analyst, Discovery Consulting in Melbourne

# BUSINESS MAJORS

## Accounting

Become a financial expert and inform better business decisions for global and Australian companies. Careers include accountant, business analyst, auditor and financial adviser. This major is accredited by CPA Australia and Chartered Accountants. Graduates have the opportunity for entry into CPA Australia as an associate member with the appropriate sequence of units.

**Units:** Accounting Information Systems, Corporate Finance, Financial Accounting, Corporate Accounting, Management Accounting, Corporations Law or Auditing.

## Banking & Finance

Understand the complexities of corporate finance and the intricate workings of financial markets and investment management. Careers include roles in banking, funds management, financial planning, stockbroking, superannuation, insurance, investment and risk management.

**Units:** Corporate Finance, Financial Institutions and Monetary Theory, Commercial Banking and Finance, International Banking and Finance, Credit and Lending Decisions, and Law of Financial Institutions and Securities.

## Event Management

Gain the skills to create, manage and market impactful events with this nationally-recognised and industry-endorsed major. Launch your career in events and conference coordination, fundraising and sponsorship, exhibitions, marketing and PR, account management and sustainable operations.

**Units:** Event Operations, Sustainable Operations, Event Creation and Design, Introduction to Tourism, Hospitality and Events, Business Integrated Learning and Business Events.

## Financial Risk Management

Gain the specialist knowledge and business skills to solve the complex challenges faced by businesses in the financial sector. Launch your career in the fast-paced field of financial planning, banking, stockbroking, superannuation, insurance, investment, risk or funds management.

**Units:** Corporate Finance, Applied Statistics for Business, Risk Management and Insurance, and Taxation Law and Practice, or Law of Financial Institutions and Securities, Personal Financial Planning and Risk Management Models.

## Human Resource Management

Learn strategies to successfully manage human resources, professional development, and employment law. Our industry-accredited course will prepare you to meet worldwide standards of excellence, with the practical skills relevant to the work environment.

**Units:** Business Integrated Learning, Human Resource Management, International Human Resource Management, Human Resource Development, Employee Relations Management and Human Resource Information Systems.

## Information Systems Management

Pursue a global career in business analysis, project management or e-business while becoming an expert in information systems and modelling digital commerce and management. Careers include systems or business analyst, programmer, applications developer and network administrator.

**Units:** Business Process Modelling, Systems Analysis and Design, Introduction to Database Systems, Cloud Application Development, Introduction to ICT Management and IT Profession and Ethics.

## International Trade

Gain the expertise to inform international trade, through an understanding of core economic principles and a focus on strategies to improve trade and investment. Careers include import/export administrator, trade negotiator and international operations manager or marketer.

**Units:** International Business Context, International Economics and Finance, International Trade Practices, Microeconomic Analysis, International Marketing and International Economic Analysis.

## Management & Innovation

Whether you're an entrepreneur, or pursuing a career within organisations, you'll build your management skills and creativity. Your theoretical and practical skills will build innovative, ethical organisations through the management of creative mobile workforces.

**Units:** International Marketing, Human Resource Management, Strategic Management, Business Ethics, Innovation and Entrepreneurship, and Knowledge Management Practices for Innovative Organisation.

## Marketing

Become a switched-on marketer, connecting brands, products and services with their target markets. Gain expertise in marketing research, consumer behaviour and international marketing and strategy. This major is accredited by the Australian Marketing Institute.

**Units:** Product and Services Innovations, Integrated Marketing Communications, Marketing Research, Consumer Behaviour, International Marketing, and Marketing Services and Experiences.

## Supply Chain & Logistics Management

Begin your exciting global career in logistics and supply chain management, export/import operations. Specialise in importing, procurement, customs, inventory flow and control, shipping, distribution and supply chain analytics. This course is accredited by the Chartered Institute of Logistics and Transport.

**Units:** Operations Management, Distribution Management, Purchasing and Supply Management, E-Supply Chain Management, Integrated Supply Chain Management, and Transport and Logistics Management.

## Tourism & Hospitality Management

Combine your love of travel, fine dining and events with a career you're passionate about. Gain the skills and knowledge to develop, manage and market sustainable tourism products, experiences, businesses and destinations.

**Units:** Hotel and Resort Operations Management, Introduction to Tourism, Hospitality and Events, Tourism Product Design and Delivery, Business Integrated Learning, Revenue Management and Managing Sustainable Destinations.

**ACCREDITATION:** 

### COURSE DESCRIPTION

Designed for professionals in the field of operations, procurement, warehousing, global trade and transport, the Master in Supply Chain Management develops your real-world experience through internships and industry visits. During your study, you will have access to SAP-SCM and SAP-PP (production and planning) software, teaching you to plan, source and deliver goods in an optimised way.

### COLLEGE CORE UNITS

Accounting for Management  
Data Analysis for Business  
Business Economics  
Work and Organisation Systems

### PROFESSIONAL CORE UNITS

Business Analytics and Visualisation  
International Supply Chain Structure  
Global Procurement  
Supply Chain and Logistics Management  
Green Logistics  
Operations Management  
Strategic Management and Business Policy  
Planning and Control Through ERP Systems

### GRADUATE OUTCOMES

On graduation, you will have skills and expertise in complex and current supply-chain models, concepts and strategies, specialising global procurement and operations management, and green logistics and supply chain strategies in a global context.

### CORE UNITS

Business Ethics and Sustainability  
Applied Business Project  
24 credit points elective units

“

THE COURSE IS VERY PRACTICAL, AND WE ARE TAUGHT HOW TO DO TACKLE PROBLEMS IN A REAL BUSINESS ENVIRONMENT. WE HAD EXPERIENCED CHANGE PROFESSIONALS COMING INTO CLASS AND EXPLAINING HOW TO GET THE JOB DONE NO MATTER WHAT, AND THIS IS WHAT I LOOKED FOR WHEN I CHOSE MY POSTGRADUATE DEGREE.

”

**AMINATH (REPUBLIC OF MALDIVES)**  
Master of Change, Innovation and Leadership

# EDUCATION

Make a difference in the lives of young people and help shape the future by launching your career in education. With an education degree from VU, you can specialise in early childhood, physical education, humanities, social sciences, mathematics, outdoor education, science and more. An initial teacher education qualification will allow you to register with the Victorian Institute of Teaching and work in a variety of educational settings.

## STUDY AREAS

- Early Childhood Education
- Early Childhood Education and Leadership
- Primary & Secondary Education
- Education Studies

## WHY STUDY EDUCATION AT VU?

**+1800**  
PARTNERS

**15**  
TEACHING MAJORS

UP TO  
**735** HRS  
IN THE CLASSROOM

### Learn in the Workplace

Over 1800 local, national and international placement partners in education and youth work.

### Collaborate

Pick from 15 exciting majors in our Bachelor of Education (P-12) and teach your passion at any school level.

### Exceed expectations

Complete up to 735 placement hours in the classroom during your degree – well above the hours required for registration as a teacher.

For more information visit  
[vu.edu.au/education](http://vu.edu.au/education)

“

**AT VU, THE ASSESSMENTS ARE SO MUCH FUN! SO FAR, I HAVE CREATED A WEBSITE, A VIDEO, A TIMELINE, A VIRTUAL CHILD'S PROFILE FOR A CASE STUDY AND DELIVERED A SCIENCE LESSON.**

”

“The assessments are interesting and creative. I have built self-confidence and fallen in love with learning. And I really appreciate the Block Model. It means we have the time to review content, reflect and do the assessment. It presents a clear learning schedule and there is a reasonable workload. The intensive learning helps me to develop a deep understanding of the content and to get good marks.”

**RUYI (CHINA)**

## CHC30113 CERTIFICATE III IN EARLY CHILDHOOD EDUCATION AND CARE & CHC50113 DIPLOMA OF EARLY CHILDHOOD EDUCATION AND CARE

vu.edu.au/courses/international/CHC30113 | vu.edu.au/courses/international/CHC50113

<b>C</b>	<b>COURSE CODE:</b> CHC30113 & CHC50113 <b>CRICOS:</b> 098078A & 085044G
<b>L</b>	<b>LOCATION</b> Footscray Nicholson
<b>D</b>	<b>DURATION</b> Certificate III: 0.5 years Diploma: 1.5 years
<b>I</b>	<b>2022 INTAKES</b> January, July
<b>\$</b>	<b>2022 FEES</b> Certificate III: A\$7,300 per semester Diploma: A\$7,300 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 5.5 (no band less than 5.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> Certificate III: A secondary school qualification equivalent to Year 11 in Australia. Diploma: A secondary school qualification equivalent to an Australian Year 12 certificate. Both courses require students to undertake an interview before they are accepted. A Police Records Check and a Working with Children Check are required prior to placements.

**ACCREDITATION:** 

### COURSE DESCRIPTION

Gain the skills to provide education and care to children. Successful completion of Certificate III guarantees entry to the diploma and reduces the diploma to one year, rather than 1.5 years. You'll learn to facilitate learning and play to help children achieve developmental outcomes. The diploma includes five work placements and a first aid course. Both courses are nationally recognised training courses.

### DIPLOMA CORE UNITS

CHCECE001 Develop cultural competence  
CHCECE002 Ensure the health and safety of children  
CHCECE003 Provide care for children  
CHCECE004 Promote and provide healthy food and drinks  
CHCECE005 Provide care for babies and toddlers  
CHCECE007 Develop positive and respectful relationships with children  
CHCECE009 Use an approved learning framework to guide practice  
CHCECE016 Establish and maintain a safe and healthy environment for children  
CHCECE017 Foster the holistic development and wellbeing of the child in early childhood  
CHCECE018 Nurture creativity in children

### GRADUATE OUTCOMES

On successful completion of the diploma you will be guaranteed entry into the Bachelor of Early Childhood Education. You'll also be able to work at a high level in roles including children's services coordinator, family day care coordinator, team/room leader, early childhood educator and playgroup coordinator.

CHCECE019 Facilitate compliance in an education and care service  
CHCECE020 Establish and implement plans for developing cooperative behaviour  
CHCECE021 Implement strategies for the inclusion of all children  
CHCECE022 Promote children's agency  
CHCECE023 Analyse information to inform learning  
CHCECE024 Design and implement the curriculum to foster children's learning and development  
CHCECE025 Embed sustainable practices in services operations

**The full course structure is on the website.**

### PATHWAYS

Certificate III in Early Childhood Education and Care  
0.5 Year

Diploma of Early Childhood Education and Care  
1 Year

Bachelor of Early Childhood Education - 2 Years  
OR  
Bachelor of Early Childhood Education & Leadership - 3 Years

## ACCREDITATIONS

### ACCREDITATION KEY

Accreditations apply to individual courses. Please see course details on pages 36-41 to see which accreditations apply.

## OUR KEY PARTNERS INCLUDE

## BACHELOR OF EARLY CHILDHOOD EDUCATION & BACHELOR OF EARLY CHILDHOOD EDUCATION AND LEADERSHIP

[vu.edu.au/courses/international/EBEC](http://vu.edu.au/courses/international/EBEC) | [vu.edu.au/courses/international/EBCL](http://vu.edu.au/courses/international/EBCL)

<b>C</b>	<b>COURSE CODE:</b> EBEC & EBCL <b>CRICOS:</b> 096869G & 105139H
<b>📍</b>	<b>LOCATION</b> Footscray Park: February 2022 only VU City Campus: from April 2022
<b>🕒</b>	<b>DURATION</b> EBEC: 3 years EBCL: 4 years
<b>📅</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> EBEC: A\$13,700 per semester EBCL: A\$13,700 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australia Year 12 qualification, including study in mathematics. A Police Records Check and a Working with Children Check are required prior to placements.

### COURSE DESCRIPTION

Become an early-childhood educator, equipped with the skills and practical experience to teach children from 0-5 years. Our four-year Bachelor of Early Childhood Education and Leadership is a one-year extension of the Bachelor of Early Childhood Education, enabling graduates to register as early childhood teachers in Australian states where a four-year program is required. The course also allows students to top-up their three-year degree with a focus on leadership, ethics and advocacy in their fourth year. Both courses meet the requirements of the Australian Children's Education and Care Quality Authority and include 80 days of supervised teaching experience.

### YEAR 1 (EBEC)

Personal and Professional Learning  
Orientation to Education and Human Development  
ICT in Education for the 21st Century  
Healthy, Active Individuals and Communities  
Reconciling Australian Humanities Education  
Educating for STEM  
Numeracy for Education  
Literacy for Education

### GRADUATE OUTCOMES

Thanks to your extensive practical experience in the classroom, you'll be job-ready and qualified to work in Victoria as an early childhood or kindergarten teacher by graduating with the Bachelor of Early Childhood Education. By completing the four-year degree, you'll be eligible to register as an early childhood teacher in other Australian states where a four-year program is required. To be eligible for registration with the Victorian Institute of Teaching, you need to pass the National Literacy and Numeracy Test for Initial Teacher Education.

### YEAR 1 (EBCL)

Reconciling Australian Humanities Education  
Personal and Professional Learning  
Human Development, Sustainability and Wellbeing  
Creativity and the Arts in Education  
Playing with Play  
Professional Understandings of Quality Frameworks in Early Childhood  
Educational Programs and Practice  
Safe, Secure and Supportive Relationships and Environments

**The full course structure is on the website.**

“

THE DIPLOMA REQUIRES ALL STUDENTS TO DO FIVE PLACEMENTS IN REAL CHILDCARE SETTINGS AND A FIRST AID COURSE, WHICH MEANS I'M ABLE TO GAIN A LOT MORE EXPERIENCE THAN I EVER WOULD BE ABLE TO BACK HOME.

”

“Because of VU, I feel confident that I'll be able to open my own centre one day.”

**JENIFER (INDONESIA)**

Certificate III in Early Childhood Education and Care,  
Diploma of Early Childhood Education and Care

## BACHELOR OF EDUCATION (P-12)

[vu.edu.au/courses/international/EBED](http://vu.edu.au/courses/international/EBED)

	<b>COURSE CODE:</b> EBED <b>CRICOS:</b> 071581G
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 4 years
	<b>2022 INTAKES</b> February, August
	<b>2022 FEES</b> A\$13,700 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (6.5 in Reading and Writing, 7.5 in Speaking and Listening)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australia Year 12 certificate, including mathematics. Students need to pass a non-academic attributes assessment, the CASPer test, and provide a 500-word written statement outlining why they want to study this course. A Working with Children Check is required for workplace visits, placements and projects.

**ACCREDITATION:** 

### COURSE DESCRIPTION

VU is one of the few Australian universities to offer a teaching degree that prepares you to work at both primary and secondary level. You will gain extensive hands-on experience, with 80 days of supervised teaching practice and an extended fourth-year placement in rural Australian schools, or overseas. Majors include Art, Biology, Environmental Science, Health, Mathematics, Media Studies, Physical Education, Psychology and Outdoor Education.

### GRADUATE OUTCOMES

You will be eligible for accreditation by the Victorian Institute of Teaching to teach in primary and secondary school settings. Students need to achieve a standard of personal literacy and numeracy skills to register. Completion of the major in Disability Studies provides a qualification to teach in special education settings.

#### YEAR 1

Personal and Professional Learning  
Orientation to Education and Human Development  
ICT in Education for the 21st Century  
Healthy, Active Individuals and Communities  
Reconciling Australian Humanities Education  
Teaching Primary Mathematics 1  
Educating for STEM  
Literacy Across the Continuum 1

#### YEAR 2

Engaging Students: High Expectations for All  
Teaching Primary Mathematics 2  
Teaching Primary Science  
Creativity and the Arts  
24 credit points from major units  
24 credit points from minor or elective units

**The full course structure is on the website.**

### PATHWAYS

## DIPLOMA OF EDUCATION STUDIES & BACHELOR OF EDUCATION STUDIES

[vu.edu.au/courses/international/EDES](http://vu.edu.au/courses/international/EDES) | [vu.edu.au/courses/international/EBST](http://vu.edu.au/courses/international/EBST)

	<b>COURSE CODE:</b> EDES & EBST <b>CRICOS:</b> 074359A & 093862F
	<b>LOCATION</b> Diploma: Footscray Nicholson Bachelor: Footscray Park
	<b>DURATION</b> Diploma: 1 year Bachelor: 3 years
	<b>2022 INTAKES</b> February, August
	<b>2022 FEES</b> Diploma: A\$11,600 per semester Bachelor: A\$13,700 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australia Year 12 certificate. A Working with Children Check is required before placements.

### COURSE DESCRIPTION

The diploma provides a pathway to the Bachelor of Education and prepares you to enter the second year of a teaching degree. You'll receive additional support to build literacy and numeracy skills. The Bachelor of Education Studies offers an alternative path to teaching and focuses on learning programs outside of traditional classrooms. While it does not provide registration to teach in Australia, you may be eligible to transfer to the Bachelor of Education (P-12) after your first year.

### GRADUATE OUTCOMES

This degree prepares you to work in areas where teacher registration is not required including adult education, care facility training and support, community programs, disability work, recreation programs and sporting activities. After graduating, you may be eligible progress to our Master of Teaching (Secondary Education) or Master of Teaching (Primary Education), allowing you to become a registered teacher upon graduation.

#### YEAR 1

Personal and Professional Learning  
Orientation to Education and Human Development  
ICT in Education for the 21st Century  
Healthy, Active Individuals and Communities  
Reconciling Australian Humanities Education  
Educating for STEM  
Numeracy for Education  
Literacy for Education

#### YEAR 2

Arts and Performance - Addressing Disability  
Professional Contexts  
Curriculum Development and Implementation  
Making the Conditions for Learning: Ethical and Reflexive Practice  
48 credit points from minor units  
96 credit points from major units

**The full course structure is on the website.**

### PATHWAYS

## GRADUATE DIPLOMA IN EARLY CHILDHOOD EDUCATION

[vu.edu.au/courses/international/EGEC](http://vu.edu.au/courses/international/EGEC)

<b>C</b>	<b>COURSE CODE:</b> EGEC <b>CRICOS:</b> 0101340
<b>LOCATION</b>	Footscray Nicholson: February 2022 only VU City Campus: from April 2022
<b>DURATION</b>	1 year
<b>2022 INTAKES</b>	February, August
<b>2022 FEES</b>	A\$13,700 per semester A\$11,000 for 485 visa holders
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (6.5 in Reading and Writing, 7.5 in Speaking and Listening)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> Completion of an Australian undergraduate degree or equivalent.

**ACCREDITATION:** 

### COURSE DESCRIPTION

This one-year course allows graduates of degree programs to become early childhood or kindergarten teachers. Units are focused on children 0-5 years. Study child development, teaching practice, family and community contexts, curriculum studies and ethical professional practice. You'll also complete 60 days of supervised professional experience – an excellent opportunity to consolidate core knowledge.

### UNITS

Early Childhood Development, Learning and Teaching  
Early Childhood Curriculum and Pedagogy 1: Sciences  
Contemporary Issues, Social Contexts of Learning and Social Justice  
Languages and Literacy in Early Childhood  
Early Childhood Development, Learning and Teaching 2  
Early Childhood Curriculum and Pedagogy 2: Arts  
Professional Issues  
Inclusive Practice in Education

### GRADUATE OUTCOMES

This course is accredited by the Australia Children's Education & Care Quality Authority. Our graduates find employment in public or private kindergartens (pre-school), long-day-care centres and early childhood centres in Victoria.

## MASTER OF EDUCATION

[vu.edu.au/courses/international/EMED](http://vu.edu.au/courses/international/EMED)

<b>C</b>	<b>COURSE CODE:</b> EMED <b>CRICOS:</b> 083310K
<b>LOCATION</b>	Footscray Park
<b>DURATION</b>	2 years
<b>2022 INTAKES</b>	February, August
<b>2022 FEES</b>	A\$13,700 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A degree equivalent to an Australian undergraduate degree or higher. Provide a résumé or and submit a 200-word written statement outlining why you would like to undertake this course. To undertake the minor thesis option, the College of Education requires evidence of aptitude for a comprehensive research project.

### COURSE DESCRIPTION

Learning from experienced educators, you'll gain advanced knowledge about the theory and practice of learning and teaching. You will gain the skills to address educational challenges and opportunities. This course is designed for teachers, principals, community educators, youth workers or any professional whose work has an educational component.

### CORE UNITS

Contemporary Issues in Education and Training  
Education Research Design and Methods  
OPTION A: Capstone Research Investigation  
Plus 24 credit points or one unit from the list below.  
OPTION B: minor thesis full-time or minor thesis A part-time  
and minor thesis B part-time.

### GRADUATE OUTCOMES

Become an education consultant, trainer, manager or health professional. Increasingly, a Master of Education is seen as a prerequisite for promotion for qualified teachers. Please note this course does not provide you with registration to teach in Australia.

Select 120 credit points/five units from this list:

Innovation  
Approaches to Learning  
E-Learning  
Positive Education  
Curriculum & Pedagogy  
Enhancing Skills and Knowledge  
Post-Colonial & Indigenous Approaches to Learning & Teaching in the 21st Century

## MASTER OF TEACHING (PRIMARY EDUCATION)

[vu.edu.au/courses/international/EMPE](http://vu.edu.au/courses/international/EMPE)

	<b>COURSE CODE:</b> EMPE <b>CRICOS:</b> 083309C
	<b>LOCATION</b> Footscray Nicholson
	<b>DURATION</b> 2 years
	<b>2022 INTAKES</b> February, August
	<b>2022 FEES</b> A\$13,700 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (6.5 in Reading and Writing, 7.5 in Speaking and Listening)
	<b>ADMISSION REQUIREMENT</b> A degree equivalent to an Australian undergraduate degree or higher. Students need to pass a non-academic attributes assessment, the CASPer test. A Working with Children Check is required before placements. Entry requires a supplementary form.

### COURSE DESCRIPTION

Gain practical experience and prepare for a rewarding career as a primary school teacher. This course will prepare you to teach in all areas of the primary curriculum. You will also gain significant workplace experience with 60 days of supervised teaching practice in a primary school.

### GRADUATE OUTCOMES

You will be eligible to apply for primary school teacher positions after you graduate by registering with the Victoria Institute of Teaching and passing the National Literacy and Numeracy Test for Initial Teacher Education. You will also be able to pursue careers in a range of education related industries and organisations.

### YEAR 1

Epistemologies of Practice  
Language and Literacy in the Primary Years 1  
Teaching and Learning Primary Mathematics 1  
Science in Primary Education  
Curriculum and Multi-modal Learning  
Primary Health and Physical Education  
Humanities in Primary Education  
The Arts and Design in Primary Education

### YEAR 2

Education Research Design and Methods  
Indigenous Perspectives and Standpoints in Education  
Language and Literacy in the Primary Years 2  
Entering the Profession and Becoming Critical  
Teaching and Learning Primary Mathematics 2  
Primary Curriculum Specialisation 1  
Primary Curriculum Specialisation 2

ACCREDITATION: 

## MASTER OF TEACHING (SECONDARY EDUCATION)

[vu.edu.au/courses/international/EMES](http://vu.edu.au/courses/international/EMES)

<b>C</b>	<b>COURSE CODE:</b> EMES <b>CRICOS:</b> 084111J
<b>📍</b>	<b>LOCATION</b> Footscray Nicholson
<b>⌚</b>	<b>DURATION</b> 2 years
<b>📅</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$13,700 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (6.5 in Reading and Writing, 7.5 in Speaking and Listening)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A degree equivalent to an Australian undergraduate degree or higher that meets the Victorian Institute of Teaching specialisation requirements. A Working with Children Check is required before placements. Entry requires a supplementary form.

### COURSE DESCRIPTION

Prepare for a rewarding career as a secondary school teacher. Through our extensive partnerships you will undertake 60 hours of supervised teaching placements and have access to many professional experiences. Our classes are small, allowing our tutors to tailor the learning experience to our students. As education experts, we understand how students learn. We offer a range of disciplines, so you can become a teacher in the area you love.

### UNITS

Epistemologies of Practice  
Critical Literacy for Diverse Communities  
Teacher as Practitioner and Researcher  
Curriculum and Multi-modal Learning  
Education Research Design and Methods  
Indigenous Perspectives and Standpoints in Education  
Entering the Profession and Becoming Critical  
Specialisation Curriculum and Pedagogy A & B  
Specialisation Assessment and Reporting  
Specialisation Innovations in Curriculum and Pedagogy

### GRADUATE OUTCOMES

Graduates who have passed the National Literacy and Numeracy Test for Initial Teacher Education are eligible for registration as secondary teachers with the Victorian Institute of Teaching. This means you will be eligible for registration to teach across Australia. You'll be ready to teach in your chosen discipline area, including business, computing, health, languages other than English, mathematics, music, outdoor education and technology.

### RESEARCH OPTIONS

Capstone Research Investigation  
24 credit points or one unit chosen from the list below. OR:  
Minor thesis A & B

### ELECTIVE UNITS

Innovation  
Approaches to Learning  
E-Learning  
Positive Education  
Contemporary Issues in Education and Training  
Curriculum & Pedagogy  
Enhancing Skills and Knowledge  
Post-Colonial and Indigenous Approaches to Learning and Teaching in the 21 Century

ACCREDITATION: 

# ENGINEERING

If your dream is to innovate, build or design the future, a VU degree in engineering is the perfect place to launch your career. Choose from courses accredited by Engineers Australia in architectural, civil, electrical and electronic, and mechanical

engineering; or courses in building design, building surveying, construction management and project management. Learn from industry partners such as the Australian Defence Force, Engineers Australia, Melbourne Water, Metro Trains and VicRoads.

## STUDY AREAS

- Engineering
- Building Design
- Building Surveying
- Construction Management
- Project Management

## WHY STUDY AT VU?

**PBL**  
PROBLEM-BASED  
LEARNING

**WISE**  
WOMEN IN SCIENCE  
& ENGINEERING

**GLOBAL**  
STUDY OPPORTUNITIES

### Solve today's problems

Learn through problem-based learning (PBL) by addressing real-world challenges brought from industry to the classroom. Our courses are highly regarded: we're ranked equal fourth in Victoria for Engineering (2021 *Times Higher Education* World University Rankings).

### Challenge the STEM gender gap

Our Women in Science & Engineering (WISE) program supports female students and inspires future generations of women to choose science, technology, engineering and mathematics (STEM) careers.

### Take your study on tour

Complete course units and practical placements with our international engineering and science partners.

## DIPLOMA OF ENGINEERING

[vu.edu.au/courses/international/VDEN](http://vu.edu.au/courses/international/VDEN)

<b>C</b>	<b>COURSE CODE:</b> VDEN <b>CRICOS:</b> 088602B
<b>📍</b>	<b>LOCATION</b> City Flinders: February 2022 only VU City Campus: from April 2022
<b>🕒</b>	<b>DURATION</b> 1 year
<b>📅</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$14,600 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 5.5 (no band less than 5.0).
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate including mathematics.

### COURSE DESCRIPTION

A pathway to VU's Bachelor of Engineering courses, this diploma is designed to help you transfer into the second year of your chosen engineering specialisation (Civil, Mechanical, Electrical and Electronics, Architectural). You will learn foundation skills in mathematics, physics and problem-solving. The diploma costs less than the first year of an engineering degree and you will benefit from strong academic support over longer semesters.

### GRADUATE OUTCOMES

Graduates have the necessary skills for entry-level positions in areas of engineering include infrastructure development, water management and manufacturing industries. As a pathway course, most students continue to the second year of a Bachelor of Engineering course at VU.

### UNITS

VEN1101 Engineering Mathematics 1  
VEN1102 Engineering Physics 1  
VEN1103 Engineering in the Community  
VEN1104 Problem Solving for Engineers  
VEN1201 Engineering Mathematics 2

## BACHELOR OF CONSTRUCTION MANAGEMENT (HONOURS)

vu.edu.au/courses/international/NHCM

	<b>COURSE CODE:</b> NHCM <b>CRICOS:</b> 096487M
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 4 years
	<b>2022 INTAKES</b> February, August
	<b>2022 FEES</b> A\$15,500 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

### COURSE DESCRIPTION

This course gives you the knowledge and skills to manage large-scale residential, commercial and industrial construction projects. You will gain valuable expertise in various areas of building and civil engineering, enabling you to enter roles overseeing the building process, from design to development, and construction to operation. Our industry contacts and focus on real-world experience ensure you will be job-ready when you graduate.

### GRADUATE OUTCOMES

Graduates are qualified to pursue a variety of roles including construction manager, project manager, quantity surveyor, building technician, building surveyor, building contractor, estimator, contract administrator, facilities manager or property developer, working in the private or public sectors for employers such as building proprietors, contractors, developers, government bodies and consultancy practices, or as a self-employed business owner.

#### YEAR 1

Maths for Builders  
Basic Structural Mechanics  
Structural Principles in Construction  
Fundamentals of Building Construction  
Building Science  
Measurement and Estimating  
Built Environment Communication and Skills  
Building Design Documentation

#### YEAR 3

Building and Construction Surveying  
High Rise Development and Compliance  
Construction Site Operations  
Project Management Practice  
Professional Estimating  
Construction Economics  
Construction Law  
Research Methods

#### YEAR 2

Building and Construction Studies  
Building Contract Documentation  
24 credit points selected from the Building Compliance Minor  
Building Development and Compliance  
Building Materials  
Risk and Safety Management  
Building Systems and Services

#### YEAR 4

Procurement Management  
Advanced Construction  
Construction Management  
Research Project 1  
Cost Planning and Control  
Research Project 2  
24 credit points selected from the Building Compliance Minor

## BACHELOR OF ENGINEERING (HONOURS) (ARCHITECTURAL ENGINEERING)

vu.edu.au/courses/international/NHEA

	<b>COURSE CODE:</b> NHEA <b>CRICOS:</b> 084872A
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 4 years
	<b>2022 INTAKES</b> February, August
	<b>2022 FEES</b> A\$17,800 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate, including mathematics

### COURSE DESCRIPTION

Always had an interest in building design? Learn how to integrate structural systems into architects' plans, while meeting project design, safety and environmental goals. You will study the design processes behind making safe buildings, with an emphasis on sustainable design. This course includes elements of other engineering disciplines, including mechanical, electrical and fire protection. It includes 12 weeks of industry placement.

### GRADUATE OUTCOMES

There are only two accredited architectural engineering programs in Australia, so demand for graduates is high. This course will prepare you for a career as a design engineer, building services engineer, hydraulic engineer, estimator or structural engineer.

#### YEAR 1

Engineering Physics 1  
Engineering and the Community  
Problem Solving for Engineers  
Engineering Mathematics 2  
Engineering Physics 2  
Introduction to Engineering Design  
Engineering Fundamentals  
Algebra and Calculus

Fluid Mechanics 1  
Building HVAC Systems  
Fundamentals of Electrical and Electronic Engineering

#### YEAR 2

Architectural Design and Theory  
Building Development and Compliance  
Solid Mechanics  
Engineering Materials & Construction  
Introduction to Structural Engineering Design

#### YEAR 3

Structural Analysis  
Project Management  
Residential Sustainable Design  
Electrical Machines  
Structural Engineering Design 1  
Thermodynamics 1  
Commercial Sustainable Design  
Research Methods

The full course structure is on the website.

ACCREDITATION:

## BACHELOR OF ENGINEERING (HONOURS) (CIVIL ENGINEERING)

[vu.edu.au/courses/international/NHEC](http://vu.edu.au/courses/international/NHEC)

<b>C</b>	<b>COURSE CODE:</b> NHEC <b>CRICOS:</b> 084873M
<b>L</b>	<b>LOCATION</b> Footscray Park
<b>D</b>	<b>DURATION</b> 4 years
<b>I</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$17,800 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate, including mathematics.

**ACCREDITATION:** 

### COURSE DESCRIPTION

This course covers the planning, design, construction and management of essential community infrastructure, including commercial and industrial buildings, water supply and wastewater systems, bridges, roads and transport systems, port harbour and airport facilities. You will complete 12 weeks of industry placement to give you the practical experience needed to begin your career.

#### YEAR 1

Algebra and Calculus  
Engineering Physics 1  
Engineering and the Community  
Problem Solving for Engineers  
Engineering Mathematics 2  
Engineering Physics 2  
Introduction to Engineering Design  
Engineering Fundamentals

#### YEAR 2

Semester 1  
Solid Mechanics  
Engineering Materials & Construction  
Engineering Surveying  
Fluid Mechanics 1  
Introduction to Structural Engineering Design  
Geomechanics

### GRADUATE OUTCOMES

Upon graduation, pursue a career as a civil infrastructure engineer, civil design engineer, construction engineer, engineering technician, environmental engineer, geotechnical engineer, project engineer, roads and transport engineer, structural engineer, or water engineer. This program is accredited by Engineers Australia. When you complete the course, you'll be eligible to apply for graduate membership.

Hydraulics  
Highway Engineering

#### YEAR 3

Structural Analysis  
Geotechnical Engineering  
Hydrology and Water Resources  
Project Management  
Hydraulic Engineering  
Civil Engineering Design 1  
Structural Engineering Design 1  
Research Methods

**The full course structure is on the website.**

## BACHELOR OF ENGINEERING (HONOURS) (ELECTRICAL AND ELECTRONIC ENGINEERING)

[vu.edu.au/courses/international/NHEE](http://vu.edu.au/courses/international/NHEE)

<b>C</b>	<b>COURSE CODE:</b> NHEE <b>CRICOS:</b> 084874K
<b>L</b>	<b>LOCATION</b> Footscray Park
<b>D</b>	<b>DURATION</b> 4 years
<b>I</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$17,800 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate, including mathematics.

**ACCREDITATION:** 

### COURSE DESCRIPTION

Launch your career in electronic design, power generation or communication technology, studying one of the largest and most in-demand areas of engineering. Study electricity generation and distribution, smart-grid design and renewable energy systems. Learn how to design and develop complex electronic equipment, communications infrastructure and microprocessor-based embedded systems.

#### YEAR 1

Engineering Physics 1  
Engineering and the Community  
Problem Solving for Engineers  
Engineering Mathematics 2  
Engineering Physics 2  
Introduction to Engineering Design  
Engineering Fundamentals  
Algebra and Calculus

#### YEAR 2

Electrical Circuits  
Computer Programming for Electrical Engineers  
Telecommunications  
Engineering Design and Practice 2A  
Linear Systems with Matlab Applications

### GRADUATE OUTCOMES

This course will prepare you for a career as an electrical engineer, electronic engineer, communications engineer, power engineer, telecommunications engineer or embedded software engineer. Graduates can find employment in a diverse range of industries including robotics, renewable energy, transport, telecommunications, manufacturing and bioengineering.

Power System Supply Chain Management  
Analogue Electronics  
Engineering Design and Practice 2B

#### YEAR 3

Electrical Machines  
Digital Systems  
Introduction to Control Systems  
Project Management  
Embedded Systems  
Analogue and Digital Transmission  
Signal Processing  
Research Methods

**The full course structure is on the website.**

## BACHELOR OF ENGINEERING (HONOURS) (MECHANICAL ENGINEERING)

[vu.edu.au/courses/international/NHEM](http://vu.edu.au/courses/international/NHEM)

<b>C</b>	<b>COURSE CODE:</b> NHEM <b>CRICOS:</b> 084875J
<b>📍</b>	<b>LOCATION</b> Footscray Park
<b>⌚</b>	<b>DURATION</b> 4 years
<b>📅</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$17,800 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate, including mathematics.

### ACCREDITATION:

### COURSE DESCRIPTION

Get set for an exciting career inventing devices and generating clever solutions to engineering challenges. Recent breakthroughs include 3D printing machines, unmanned vehicles and high-performance prostheses. This degree focuses on the modelling and simulation of components, machines, processes and systems. It includes 12 weeks of industry placement.

#### YEAR 1

Algebra and Calculus  
Engineering Physics 1  
Engineering and the Community  
Problem Solving for Engineers  
Engineering Mathematics 2  
Engineering Physics 2  
Introduction to Engineering Design  
Engineering Fundamentals

#### YEAR 2

Solid Mechanics  
Fluid Mechanics 1  
Mechanical Engineering Design  
Introduction to Engineering Materials  
Fundamentals of Electrical and Electronic Engineering  
Numerical Modelling of Mechanical Systems  
Thermodynamics 1  
Dynamics

### GRADUATE OUTCOMES

Our graduates are known in the industry for their highly sought-after technical and analytical skills. You could find work as a mechanical engineer, design engineer, product engineer, product innovation engineer, development engineer, sales engineer, systems engineer, production manager or engineering manager.

#### YEAR 3

Project Management  
Engineering Analysis and Modelling  
Thermodynamics 2  
Stress Analysis  
Research Methods  
Design of Mechanical Systems  
Manufacturing Materials  
Fluid Mechanics 2

#### YEAR 4

Research Project 1  
Professional Engineering Practice  
Mechanical Vibrations  
Finite Element Analysis  
Research Project 2  
Sustainable Energy Systems  
Advanced Engineering Design  
Advanced Engineering Analysis

“

THE SKILLS OF A MECHANICAL ENGINEER ARE APPLICABLE ACROSS MULTIPLE INDUSTRIES, FROM AUTOMOTIVE TO AIRCRAFT, AND ANYTHING WITH PROPULSION DESIGN AND ROBOTICS. I WOULD LIKE TO WORK IN THE AUTOMOTIVE INDUSTRY OR AS A MECHANICAL DESIGN ENGINEER.

”

“The education and hands-on experience at VU are helping to make me industry-ready.”

**ASHFAQ (KUWAIT)**

Bachelor of Engineering (Honours) (Mechanical Engineering)

## MASTER OF ENGINEERING

[vu.edu.au/courses/international/NMEN](http://vu.edu.au/courses/international/NMEN)

<b>C</b>	<b>COURSE CODE:</b> NMEN <b>CRICOS:</b> 084876G
<b>L</b>	<b>LOCATION</b> Footscray Park
<b>D</b>	<b>DURATION</b> 2 years
<b>I</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$18,250 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A degree equivalent to an Australian undergraduate degree or higher, in a similar discipline.

### COURSE DESCRIPTION

Gain specialised skills in electrical power, telecommunications, or civil engineering and aim for a top engineering career. The Master of Engineering prepares you for work in fast-growing industries, with a strong emphasis on real-world problem-solving and international trends. You'll acquire targeted skills through a combination of coursework, design exercises and research. You'll have the chance to develop and implement innovative telecommunication, power distribution or civil engineering solutions, with real world applications.

### GRADUATE OUTCOMES

On graduation you'll be able to prepare for a career in one of the following:

- power generation, transmission, distribution, management and control
- managing, designing and developing telecommunication network systems
- microelectronic and electronic design
- water-related government organisations and private firms.

### COMMON INTERDISCIPLINARY UNITS

Select 48 credit points or four units from the following:

Principles of Project Management  
Project Planning and Control  
Project Management and People  
Project Stakeholder Management  
Project Risk Management  
Art and Practice of Leadership  
Work and Organisation Systems  
Strategic Management and Business Policy

### SPECIALISATIONS

Telecommunications  
Electrical Power  
Civil Engineering

### RESEARCH UNITS

Research Thesis 1  
Research Thesis 2

## MASTER OF PROJECT MANAGEMENT

[vu.edu.au/courses/international/NMPM](http://vu.edu.au/courses/international/NMPM)

<b>C</b>	<b>COURSE CODE:</b> NMPM <b>CRICOS:</b> 083306F
<b>L</b>	<b>LOCATION</b> Footscray Park
<b>D</b>	<b>DURATION</b> 2 years
<b>I</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$16,100 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A degree in any discipline, equivalent to an Australian undergraduate degree or higher.

### COURSE DESCRIPTION

Become a project manager in your chosen field. By incorporating work-based scenarios, project work and opportunities for research, this course equips you with advanced project management techniques which can be applied across various industries. Broaden your expertise and progress your career in areas such as engineering, construction, business, information technology, manufacturing and administration.

### GRADUATE OUTCOMES

Gain employment managing projects in private business or the public sector working for companies such as Grocon, Leighton Contractors, Major Projects Victoria or for a project management consulting firm. This course is endorsed by the Australian Institute of Project Management (AIPM) and has been approved by the Project Management Institute.

### YEAR 1

Project Governance  
Project Management and People  
Research Methods  
48 credit points from the electives list

### YEAR 2

Principles of Project Management  
Project Planning and Control  
Research Projects Part A & B or Research Thesis 1  
48 credit points from the electives list:

### ELECTIVES

Art and Practice of Leadership  
Work and Organisation Systems  
Managing Innovation and Entrepreneurship  
Organisation Change Management  
Project Program and Portfolio Management  
Project Management Practice  
Project Management and Information Technology  
Project Procurement Management  
Project Stakeholder Management  
Project Risk Management  
Project Investment Analysis  
Project Construction Management

ACCREDITATION:   

# HEALTH, PSYCHOLOGY & DERMAL SCIENCES

Enter a rewarding career improving the health and wellbeing of others. We offer extensive clinical placements, outstanding employment outcomes and clinical and simulation-based learning is an important part of all our health and biomedicine courses. We use state-of-the-art facilities and technology to simulate hospital environments

and treatment clinics. Paramedicine students complete 360 clinical placement hours while nursing students undertake 800 professional practice hours and 140 simulation hours. Learn with Ambulance Victoria, Melbourne Health, the Royal Women's Hospital and the Royal Children's Hospital.

## STUDY AREAS

- Nursing
- Beauty Therapy
- Dermal Sciences
- Biomedicine and Biomedical Science
- Paramedicine
- Osteopathy
- Psychology
- Counselling
- Nutrition, Food and Health Sciences
- Public Health

**NEW MULTI-MILLION DOLLAR LABORATORIES**

## WHY STUDY AT VU?

**+50**

INDUSTRY PARTNERS

**+360 HRS**  
CLINICAL PLACEMENT

### Discover the latest technology

New multi-million dollar paramedic, nursing and midwifery simulation laboratories offer advanced, interactive mannequins and realistic settings.

### Learn in the workplace

50+ industry partners offer student placements and contribute to our course content.

### Get hands-on from year one

Paramedicine students receive more than 360 hours of clinical placement with Ambulance Victoria starting in first year.

For more information visit  
[vu.edu.au/health-biomedicine](http://vu.edu.au/health-biomedicine)

“

THE TEACHING  
AT VU IS  
IMPECCABLE.  
THE LECTURERS  
AND TUTORS ARE  
DILIGENT IN THEIR  
WORK AND ALWAYS  
READY AND WILLING  
TO HELP.

”

“The placements I got were very practical and relatable to everything we learned in class. I chose VU because I had a few friends who attended VU and shared a lot of positive stories. I loved my experience at VU and I would highly recommend it to others.”

Health  
Bachelor of Nursing

## ACCREDITATIONS

### ACCREDITATION KEY

Accreditations apply to individual courses. Please see course details on pages 53-60 to see which accreditations apply.

## OUR KEY PARTNERS INCLUDE

# HEALTH, PSYCHOLOGY & DERMAL SCIENCES

## HLT54115 DIPLOMA OF NURSING

[vu.edu.au/courses/international/HLT54115](http://vu.edu.au/courses/international/HLT54115)

<b>C</b>	<b>COURSE CODE:</b> HLT54115 <b>CRICOS:</b> 092570D
<b>L</b>	<b>LOCATION</b> St Albans
<b>D</b>	<b>DURATION</b> 2 years
<b>I</b>	<b>2022 INTAKES</b> January, July
<b>\$</b>	<b>2022 FEES</b> A\$9,200 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (no band less than 7.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate. Students must complete a Police Records Check and a Working with Children check. Applicants must meet the Nursing and Midwifery Board of Australia's English language requirements.

**ACCREDITATION:** 

### COURSE DESCRIPTION

Embark on a career as a Division 2 Nurse. You will learn how to provide acute, preventative, curative and rehabilitative care under the direction of a registered nurse. You will gain hands-on experience in our three nursing laboratories and hospital simulation ward, as well as clinical experience during 400 hours of practical placements. Study areas include medication administration, anatomy and physiology and infection control.

### CORE UNITS

CHCDIV001 - Work with diverse people  
CHCDIV002 - Promote Aboriginal and / or Torres Strait Islander cultural safety  
CHCPRP003 - Reflect on and improve own professional practice  
HLTAAP002 - Confirm physical health status  
HLTAAP003 - Analyse and respond to client health information  
HLTENN001 - Practise nursing within the Australian health care system  
HLTENN002 - Apply communication skills in nursing practice  
HLTENN003 - Perform clinical assessment and contribute to planning nursing care  
HLTENN004 - Implement, monitor and evaluate nursing care plans  
HLTENN005 - Contribute to nursing care of a person with complex needs  
HLTENN006 - Apply principles of wound management

### GRADUATE OUTCOMES

This course equips you with the skills, competencies and knowledge to apply for registration as an Enrolled Nurse with the Australian Health Practitioner Registration Authority (AHPRA). On completion of this course you will receive credit to enter the Bachelor of Nursing.

in the clinical environment  
HLTENN007 - Administer and monitor medicines and intravenous therapy  
HLTENN008 - Apply legal and ethical parameters to nursing practice  
HLTENN009 - Implement and monitor care for a person with mental health conditions  
HLTENN011 - Implement and monitor care for a person with acute health problems  
HLTENN012 - Implement and monitor care for a person with chronic health problems  
HLTENN013 - Implement and monitor care of the older person  
HLTENN015 - Apply nursing practice in the primary health care setting  
HLTINF001 - Comply with infection prevention and control policies and procedures  
HLTWHS002 - Follow safe work practices for direct client care

**The full course structure is on the website.**

## BACHELOR OF NURSING

[vu.edu.au/courses/international/HBNB](http://vu.edu.au/courses/international/HBNB)

<b>C</b>	<b>COURSE CODE:</b> HBNB <b>CRICOS:</b> 080229E
<b>L</b>	<b>LOCATION</b> St Albans
<b>D</b>	<b>DURATION</b> 3 years
<b>I</b>	<b>2022 INTAKES</b> February
<b>\$</b>	<b>2022 FEES</b> A\$16,500 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (no band less than 7.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate, with study in maths. Students must complete a Police Records Check, a Working with Children Check and declare their health and immunisation status. Check ANMAC English language requirements for registration.

### COURSE DESCRIPTION

Develop the skills required to work as a general or mental health nurse. This course ensures you have sound scientific knowledge and skills, as well as hands-on experience. You will participate in simulation learning using modern technology, practising your skills in a safe environment. You will graduate with 140 clinical simulation hours and over 800 professional practice hours and through our clinical placement program.

### YEAR 1

Professional Nurse or Midwife  
Anatomy and Physiology 1  
Foundations in Nursing 1  
Indigenous Health and Wellbeing  
Anatomy and Physiology 2  
Foundations in Nursing 2  
Primary Health Care Across the Lifespan  
Professional Experience Placement 1 Nursing

### YEAR 2

Contemporary Nursing A  
Contemporary Nursing and Mental Health A  
Contemporary Nursing B  
Professional Experience Placement 2 Nursing

### GRADUATE OUTCOMES

You will graduate job-ready and eligible to register and work as a Division 1 Registered Nurse. This course is fully accredited by the Australian Nursing and Midwifery Accreditation Council. Career options include working in settings such as medical/surgical, mental health, emergency, orthopaedics, radiology, research, eye and ear, paediatric and residential care.

Contemporary Nursing and Mental Health B  
Professional Experience Placement 3 Nursing Mental Health  
Research and Evidence Based Practice  
Contemporary Nursing C

### YEAR 3

Nursing in Specialty Areas  
Professional Experience Placement 4 Nursing  
Transition to Nursing Practice  
Nursing and Complex Care  
Nursing for Chronic Illness and Continuing Care  
Interprofessional Practice  
Consolidation of Nursing Practice

**ACCREDITATION:** 

## BACHELOR OF MIDWIFERY/BACHELOR OF NURSING

vu.edu.au/courses/international/HBMA

<b>C</b>	<b>COURSE CODE:</b> HBMA <b>CRICOS:</b> 105376F
<b>L</b>	<b>LOCATION</b> St Albans
<b>D</b>	<b>DURATION</b> 4 years
<b>I</b>	<b>2022 INTAKES</b> February
<b>\$</b>	<b>2022 FEES</b> A\$16,750 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (no band less than 7.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate, with study in maths. Students must complete a Police Records Check, a Working with Children Check and declare their health and immunisation status. Check ANMAC English language requirements for registration.

## COURSE DESCRIPTION

Prepare for a career supporting life and bringing new life into the world. Our double degree in midwifery and nursing gives you the knowledge and practical skills for two distinct, in-demand professions. Our state-of-the-art technology lets you participate in simulation learning, practising your new skills in a safe environment. Video recording from fixed cameras will give you specific and immediate feedback to help you learn quickly. You'll also undertake many weeks' clinical practice, including care for individual women through pregnancy, childbirth, and post-birth.

## GRADUATE OUTCOMES

Registered midwives work in hospitals, group practices and the community sector in antenatal, birthing and postnatal units; nursing graduates work in general practice, acute care, aged care, rehabilitation, mental health, palliative care and health education. Many of our graduates hold nursing positions at Sunshine Hospital (Western Health) and the Royal Women's Hospital. When you graduate, you'll be eligible to register with the Nursing and Midwifery Board of Australia to practise as a nurse/midwife in the Australian healthcare system. You'll also meet the standards of midwifery and nursing practice to register with the Australian Health Practitioners Regulation Agency.

## YEAR 1

Anatomy and Physiology 1  
Professional Nurse or Midwife  
Foundations of Midwifery  
Foundations in Nursing 1  
Primary Health Care Across the Lifespan  
Anatomy and Physiology 2  
Fundamentals of Midwifery and Nursing  
Midwifery and Nursing Professional Practice Experience

## YEAR 2

Pathophysiology and Medications for Midwives  
Contemporary Nursing A  
Contemporary Nursing B  
Professional Experience Placement 2 Nursing  
Indigenous Health and Wellbeing  
Midwifery Care 1: Developing Midwifery Practice  
Midwifery Practice Experience 1  
Research and Evidence Based Practice

The full course structure is on the website.

## ACCREDITATION:

## SHB50115 DIPLOMA OF BEAUTY THERAPY

vu.edu.au/courses/international/SHB50115

<b>C</b>	<b>COURSE CODE:</b> SHB50115 <b>CRICOS:</b> 089066B
<b>L</b>	<b>LOCATION</b> City King St
<b>D</b>	<b>DURATION</b> 1 year
<b>I</b>	<b>2022 INTAKES</b> January
<b>\$</b>	<b>2022 FEES</b> A\$7,300 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 5.5 (no band less than 5.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

## COURSE DESCRIPTION

Gain high-level skills and become a trusted beauty expert. You will be ready to work in-house, manage spas or salons, or work as an independent freelance professional. You'll learn the theory and science behind treatments and the latest beauty techniques. Training includes facials, manicures, make-up, waxing, electrolysis and spa treatments.

## GRADUATE OUTCOMES

As a qualified beauty therapist, you will find employment around the world. This qualification prepares you to manage your own beauty salon and employ staff. You could also work as a freelance beauty consultant. Upon completion of this course, graduates receive credit towards the Bachelor of Dermal Sciences.

## CORE UNITS

SHBBBOS002 - Provide body massages  
SHBBBOS003 - Provide body treatments  
SHBBFAS001 - Provide lash and brow services  
SHBBFAS002 - Provide facial treatments and skin care recommendations  
SHBBFAS003 - Provide specialised facial treatments  
SHBBHRS001 - Provide waxing services  
SHBBMUP002 - Design and apply make-up  
SHBBNLS001 - Provide manicure and pedicure services  
SHBBRES001 - Research and apply beauty industry information  
SHBXCCS001 - Conduct salon financial transactions

SHBXCCS002 - Provide salon services to clients

SHBXIND001 - Comply with organisational requirements within a personal services environment  
SHBXWHS001 - Apply safe hygiene, health and work practices

## ELECTIVE UNITS

Group A: Electrolysis/Diathermy (3 units)  
Group B: Relaxation Massage (5 units)  
Group C: Spa Treatments (6 units)  
Group D: General Electives

The full course structure is on the website.

## ACCREDITATION:

## PATHWAYS

SHB50115 Diploma of Beauty Therapy  
1 Year

Bachelor of Dermal Sciences  
3 Years

## BACHELOR OF DERMAL SCIENCES

[vu.edu.au/courses/international/HBDS](http://vu.edu.au/courses/international/HBDS)

<b>C</b>	<b>COURSE CODE:</b> HBDS <b>CRICOS:</b> 092158E
<b>L</b>	<b>LOCATION</b> City Queen: February 2022 only VU City Campus: from April 2022
<b>D</b>	<b>DURATION</b> 4 years
<b>I</b>	<b>2022 INTAKES</b> February
<b>\$</b>	<b>2022 FEES</b> A\$16,500 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate. Prior to placements, students must complete a Police Records Check and a Working with Children Check, and declare their health and immunisation status.

**ACCREDITATION:**

### COURSE DESCRIPTION

Develop knowledge in all areas of dermal science and the skills to perform safe and effective treatments. Procedures covered include laser and light-based treatments, resurfacing and lymphatic procedures. You will also learn how to provide pre-and post-operative care for clients who have undergone plastic, reconstructive and cosmetic procedures. An important component is clinical practice at our Dermal Clinic.

#### YEAR 1

Indigenous Health and Wellbeing  
Introduction to Dermal Sciences  
Communication and Dermal Services  
Anatomy and Physiology 1-2  
Introduction to Public Health and Wellness  
Introduction to Human Nutrition and Food  
Evidence and Research

#### YEAR 2

Dermal Studies and Philosophy  
Dermal Sciences 1-2  
Occupational Health and Safety in Dermal Practice  
Cognition in the Dermal Workplace  
Dermal Research Methods  
Laser Principles and Safety  
Legal and Ethical Dermal Practice

### GRADUATE OUTCOMES

The course is designed in collaboration with the Australian Society of Dermal Clinicians and graduates are eligible to apply for membership. Dermal therapists and clinicians can work independently or with reconstructive and aesthetic surgeons, dermatologists and general practitioners in clinics, medical practices, advanced beauty and cosmetic settings.

#### YEAR 3

Dermal Skills 1-2  
Dermal Clinic 1-2  
Skin Management 1  
Chemistry for Dermal Sciences  
Dermal Sciences 3-4

#### YEAR 4

Skin Management 2-3  
Dermal Skills 3-4  
Dermal Clinic 3-4  
Independent Project and Group Research 1-2

## BACHELOR OF BIOMEDICAL SCIENCE

[vu.edu.au/courses/international/HBBS](http://vu.edu.au/courses/international/HBBS)

<b>C</b>	<b>COURSE CODE:</b> HBBS <b>CRICOS:</b> 092499F
<b>L</b>	<b>LOCATION</b> St Albans
<b>D</b>	<b>DURATION</b> 3 years
<b>I</b>	<b>2022 INTAKES</b> February
<b>\$</b>	<b>2022 FEES</b> A\$15,800 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate with study in one of the following: biology, chemistry, health & human development, mathematics or physical education.

### COURSE DESCRIPTION

This degree provides you with an in-depth knowledge of how the human body functions, focusing on physiology, anatomy and cell biology. It provides you with a strong foundation in the medical sciences and advanced laboratory skills. Core study areas include physiology, anatomy, biochemistry, cell and molecular biology, immunology and genetics.

#### FIRST YEAR CORE UNITS

Biological Systems  
Mathematics and Statistics for Biomedicine  
Functional Anatomy of the Trunk  
Functional Anatomy of the Limbs  
Human Physiology 1-2  
Chemistry 1A-1B

#### MAJORS

Human Physiology  
Molecular Cell Biology

### GRADUATE OUTCOMES

Embark on a career in biomedical research, gain entry to postgraduate health courses including medicine, or work in forensic science, teaching or the pharmaceutical industry. Biomedical sciences graduates also gain employment with research organisations.

#### MINORS

Applied Research  
Anatomy & Integrated Physiology  
Molecular Cell Biology

**The full course structure is on the website.**

**BACHELOR OF HUMAN NUTRITION**

vu.edu.au/courses/international/HBNT

	<b>COURSE CODE:</b> HBNT <b>CRICOS:</b> 096482E
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2022 INTAKES</b> February
	<b>2022 FEES</b> A\$14,900 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate, including biology, chemistry, health & human development, mathematics or physical education.

**COURSE DESCRIPTION**

Contribute to a more equitable world through better food production and supply. Start with a solid foundation in nutrition, food and related sciences and move on to specialisations in human nutrition and food science. In final year you will acquire further specialist knowledge and skills in human nutrition. You have the option of studying a minor in biomedical nutrition, public health nutrition or exercise and nutrition.

**COLLEGE CORE UNITS**

Human Physiology 1  
Human Physiology 2  
Chemistry 1A  
Chemistry 1B

**PROFESSIONAL CORE UNITS**

Medical Microbiology and Immunity  
Research Methods  
Research Project  
Properties of Food  
Interpersonal Skills and Communication  
Family Health and Nutrition Through the Lifespan  
Diet & Disease  
Community & Public Health Nutrition  
Nutrition Communication & Education

**GRADUATE OUTCOMES**

Career options include roles in government programs, humanitarian assistance, international development work, hospital and aged care services, food processing industries, or food safety. Graduates seeking to become accredited dietitians must complete a postgraduate program accredited by the Dietitians Association of Australia.

Introduction to Human Nutrition and Food  
Food Components  
Nutrition, Society and Communication

**MINORS**

Food Science  
Biomedical Nutrition  
Public Health Nutrition  
Analytical Chemistry  
Exercise and Nutrition

**The full course structure is on the website.**

**BACHELOR OF HEALTH SCIENCE**

vu.edu.au/courses/international/HBHL

	<b>COURSE CODE:</b> HBHL <b>CRICOS:</b> 092156G
	<b>LOCATION</b> St Albans
	<b>DURATION</b> 3 years
	<b>2022 INTAKES</b> February
	<b>2022 FEES</b> A\$16,700 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

**COURSE DESCRIPTION**

Choose a rewarding career in public health, health services or community development with a Bachelor of Health Science from VU. You'll study core bioscience, research and public health topics. In your second year, choose a health science or biomedical specialisation in line with your career goals.

**FIRST YEAR CORE UNITS**

Indigenous Health and Wellbeing  
Anatomy and Physiology 1  
Anatomy and Physiology 2  
Professional Communication  
Introduction to Public Health and Wellness  
Evidence and Health 1  
Australian Health and Social Care Systems and Policy  
Introduction to Human Nutrition and Food

**MAJORS**

Public Health  
Indigenous Health

**GRADUATE OUTCOMES**

You will graduate with the skills and knowledge to work for government health programs, community organisations, pharmaceutical industries, professional associations, health foundations, health administration, public health research programs, or non-government organisations.

**MINORS**

Bioscience  
Health and Nutrition  
Health (Sport Science Minor)  
Indigenous Health

**The full course structure is on the website.**

## BACHELOR OF PARAMEDICINE

[vu.edu.au/courses/international/HBPD](http://vu.edu.au/courses/international/HBPD)

	<b>COURSE CODE:</b> HBPD <b>CRICOS:</b> 092160M
	<b>LOCATION</b> St Albans
	<b>DURATION</b> 3 years
	<b>2022 INTAKES</b> February
	<b>2022 FEES</b> A\$15,800 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate, preferably with study in biology, physics or mathematics; or a diploma or higher equivalent to Australian diploma. Students are required to get a Police Records Check, Working with Children Check, medical/vaccine checks and to undergo a physical test.

**ACCREDITATION:**

### COURSE DESCRIPTION

This course is held in high regard by the industry because of its scenario-based assessments and 360 hours of clinical placements, combined with theory. Our state-of-the-art facilities include clinical practice rooms, self-learning laboratories, lifelike mannequin technology and medical simulation suites. You will gain practical experience as a real paramedic with a clinical supervisor from Ambulance Victoria.

#### YEAR 1

Anatomy and Physiology 1-2  
Foundations of Professional Paramedic Practice  
Paramedic Clinical Practice 1-2  
Pre-Hospital Ethical and Legal Issues  
Principles of Drug Actions for Health Professionals  
Australian Health and Social Care Systems and Policy

#### YEAR 2

Introduction to Research Methods  
Clinical Practice 3-4  
Paramedic Clinical Science 1 (Medical Emergencies 1)  
Social Epidemiology  
Paramedic Clinical Science 2 (Trauma)  
Paramedic Clinical Science 3 (Medical Emergencies 2)  
Evidence-Based Practice

### GRADUATE OUTCOMES

This course is accredited by the Council of Ambulance Authorities. A Bachelor of Paramedicine from an accredited university, such as VU, is the only qualification accepted by Ambulance Victoria. You could also gain employment with ambulances services worldwide. Job titles include air ambulance paramedic and MICA paramedic.

#### YEAR 3

Paramedic Clinical Science 4 (Mental Health and Mental Illness)  
Paramedic Clinical Practice 5  
Paramedic Clinical Science 5 (Special Populations)  
Select one unit from the following:  
Health Promotion  
Career and Professional Development  
Pinnacle Venture  
Paramedic Health and Wellbeing  
Major Incidents  
Paramedic Clinical Practice 6 - Extended Practice

#### SELECT ONE UNIT FROM THE FOLLOWING:

Health Program Planning and Evaluation  
Career and Professional Development  
Pinnacle Venture  
Interprofessional Practice

## BACHELOR OF SCIENCE (OSTEOPATHY) & MASTER OF HEALTH SCIENCE (OSTEOPATHY)

[vu.edu.au/courses/international/H COP](http://vu.edu.au/courses/international/H COP)

	<b>COURSE CODE:</b> HCOP <b>CRICOS:</b> 103517C
	<b>LOCATION</b> City Flinders: February 2022 only VU City Campus: from April 2022
	<b>DURATION</b> 4.5 years
	<b>2022 INTAKES</b> February
	<b>2022 FEES</b> A\$15,800 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
	<b>ADMISSION REQUIREMENT</b> Bachelor: A secondary school qualification equivalent to an Australian Year 12 certificate with studies in chemistry, biology, physics or maths. Students also need a Police Records Check. Masters: A degree equivalent to an Australian undergraduate degree or equivalent in the same discipline. Students must have a First Aid Certificate, Working With Children Check and attend an interview.

**ACCREDITATION:**

### COURSE DESCRIPTION

You will study anatomy, osteopathic principles and techniques, physiology, pathology, population health and evidence-based practice. Osteopathic treatments include soft-tissue techniques, joint manipulation, joint mobilisation, exercise rehabilitation and general healthcare advice. You'll gain work experience through extensive clinical practice. This perfect mix of scientific study and hands-on practice will have you job-ready when you graduate.

#### BACHELOR FIRST YEAR CORE UNITS

Biomedical Science for Osteopathy 1-4  
Clinical Skills 1-2  
Professional Communication  
Evidence and Research

#### YEAR 2

Biomedical Science for Osteopathy 5-7  
Patient and Health System 1  
Clinical Skills 3-4  
Evidence Based Practice for Osteopathy  
Clinical Skills 4A

#### YEAR 3

Biomedical Science for Osteopathy 8-9  
Evidence Based Practice for Osteopathy 2-3

### GRADUATE OUTCOMES

You'll be qualified for a career as a practising osteopath after completing both the degree and the Master of Health Science (Osteopathy). You will be able to work in a variety of healthcare settings including hospitals, private practice clinics, maternal health centres and community organisations. You can gain registration as an osteopath in all Australian states and in New Zealand.

Patient and Health System 2  
Clinical Skills 5-6  
Introduction to Clinical Practice

#### MASTERS UNITS

##### YEAR 1

Patient, Practitioner and Health System 7-8  
Evidence for Practice 7-8  
Advanced Clinical Theory and Skills 1-2  
Clinical Practice 1-2

##### YEAR 2

Patient, Practitioner and Health System 9  
Evidence for Practice 9  
Advanced Clinical Theory and Skills 3  
Clinical Practice 3

## BACHELOR OF BIOMEDICAL AND EXERCISE SCIENCE

[vu.edu.au/courses/international/HBES](http://vu.edu.au/courses/international/HBES)

<b>C</b>	<b>COURSE CODE:</b> HBES <b>CRICOS:</b> 096481F
<b>L</b>	<b>LOCATION</b> Footscray Park
<b>D</b>	<b>DURATION</b> 3 years
<b>I</b>	<b>2022 INTAKES</b> February
<b>\$</b>	<b>2022 FEES</b> A\$15,800 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate with study in one of the following: biology, chemistry, health & human development, mathematics or physical education.

### COURSE DESCRIPTION

This dual disciplinary degree integrates biomedical science and exercise science into a compelling new area of study in physical activity, sport and health research. It includes the fundamentals of anatomy and physiology, biochemistry, biomechanics and kinesiology, psychology, how the structure and function of the body is influenced by exercise and how it is impacted by disease. You will learn to apply theoretical knowledge and analytical techniques to a range of practical and clinical scenarios including learning in industry, workplace and community settings. You will also develop a solid foundation in designing research methodologies and performing analytical research by participating in active research as a team member.

### GRADUATE OUTCOMES

Graduates can enter professional settings within the medical, public health and sporting sectors, often choosing to work in scientific, research and sporting science organisations. Alternatively, graduates may undertake further study in the fields of clinical exercise science, sports science, biomedical science, dietetics or education.

### YEAR 1

Biomechanics  
Functional Anatomy of the Trunk  
Functional Anatomy of the Limbs  
Human Physiology 1  
Human Physiology 2  
Chemistry 1A  
Chemistry 1B  
Exercise and Sport Psychology

### YEAR 2

Exercise Interventions for Healthy Populations  
Rehabilitation Anatomy  
Pathophysiology 1  
Medical Biochemistry  
Sports Biomechanics  
Motor Learning  
Pathophysiology 2  
Cardiorespiratory and Renal Physiology

**The full course structure is on the website.**

## BACHELOR OF PSYCHOLOGICAL STUDIES

[vu.edu.au/courses/international/ABPA](http://vu.edu.au/courses/international/ABPA)

<b>C</b>	<b>COURSE CODE:</b> ABPA <b>CRICOS:</b> 071141K
<b>L</b>	<b>LOCATION</b> Footscray Park
<b>D</b>	<b>DURATION</b> 3 years
<b>I</b>	<b>2021 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$14,500 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

**ACCREDITATION:**

### COURSE DESCRIPTION

Understand human behaviour – how we reason, react and relate – through studies in psychology, one of VU's most popular subjects. In this course you'll learn about people's motivations, thought processes and interactions, which will prepare you for a career in areas including community services, marketing or teaching.

### GRADUATE OUTCOMES

Our Bachelor of Psychological Studies is accredited by the Australian Psychological Accreditation Council. Prepare for a career as a counsellor, welfare worker, community worker, researcher, policy maker or market researcher. With a postgraduate qualification, graduates can become registered psychologists.

### YEAR 1

Introduction to Sociology  
Psychology 1A  
Psychology 1B  
Organisational Skills 1  
Foundations of Psychological Research  
Foundations of Social Science Research  
Introduction to Public Health and Wellness  
Interpersonal Skills and Communication

### YEAR 2

Psychology 2A  
Qualitative Social Research Methods 1  
Developmental Psychology  
12 credit points of Minor studies  
Psychology 2B  
Quantitative Social Research Methods 1  
12 credit points of Psychology Elective studies  
12 credit points of Minor studies

### YEAR 3

Fieldwork  
Research Methods in Psychology  
History, Theories and Practice of Psychology  
12 credit points of Minor studies  
Psychological Issues in the Workplace  
Clinical Aspects of Psychology  
12 credit points of Psychology Elective studies  
12 credit points of Minor studies

### PSYCHOLOGY ELECTIVES

Counselling Theory and Practice  
Group Behaviour  
Organisations and Work  
Psychobiology  
Psychoanalysis  
Cognitive Psychology  
Relationship and Family Wellbeing

**The full course structure is on the website.**

## BACHELOR OF PSYCHOLOGY (HONOURS)

[vu.edu.au/courses/international/ABPC](http://vu.edu.au/courses/international/ABPC)

<b>C</b>	<b>COURSE CODE:</b> ABPC <b>CRICOS:</b> 077996C
<b>📍</b>	<b>LOCATION</b> Footscray Park
<b>⌚</b>	<b>DURATION</b> 4 years
<b>📅</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$14,500 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> Applicants require a degree in the same discipline with a minimum third-year weighted average mark (WAM) of 70% and an APAC-accredited major in psychology. The equivalence of international degrees must be confirmed by the Australian Psychological Society (APS).

**ACCREDITATION:** 

### COURSE DESCRIPTION

Understand human behaviour, motivation and relationships. You'll graduate with an in-depth knowledge of human emotion and behaviour, and understand why we think and behave the way we do – and why this differs from one individual to the next. The course includes a fieldwork unit, giving you the opportunity to gain practical experience.

#### YEAR 1

Introduction to Sociology  
Psychology 1A-1B  
Organisational Skills 1  
Foundations of Psychological Research  
Foundations of Social Science Research  
Introduction to Public Health and Wellness  
Interpersonal Skills and Communication

#### YEAR 2

Psychology 2A-2B  
Interpersonal Skills 2  
Qualitative Social Research Methods 1  
Developmental Psychology  
Organisational Skills 2  
Quantitative Social Research Methods 1  
12 credit points of Psychology Elective studies

### GRADUATE OUTCOMES

Graduates can apply for provisional registration as a psychologist and can find employment in human resources, welfare, community services, marketing and market research. If you'd like to become a registered psychologist, you'll need further training at the masters and doctoral level.

#### YEAR 3

Fieldwork  
Research Methods in Psychology  
History, Theories and Practice of Psychology  
Social Research Methods  
Clinical Aspects of Psychology  
Psychological Issues in the Workplace  
Independent Research Project  
12 credit points of Psychology Elective Studies

#### YEAR 4

Research Thesis  
Social Research Methods in Context  
Professional Orientation (Psychological Assessment)  
Psychological Interventions  
Psychology in Practice  
Extended Research Thesis

**The full course structure is on the website.**

“

**HONESTLY, EVERYTHING THAT I LEARNT DURING MY STUDIES HAS BEEN EXTREMELY IMPORTANT TO PERFORM MY DUTIES. THE MASTERS TRAINED ME ACADEMICALLY, LEGALLY, ETHICALLY AND CULTURALLY TO BE ABLE TO EXCEL IN THESE JOBS.**

”

“Another thing that is also extremely important in the industry is having the endorsement of a professional body. In my case, after I graduated, I qualified for membership with the Australian Counselling Association which is another door the degree opens for graduates.”

**LAURA (COLOMBIA)**  
Master of Counselling

**MASTER OF COUNSELLING**

vu.edu.au/courses/international/AMPE

<b>C</b>	<b>COURSE CODE:</b> AMPE <b>CRICOS:</b> 042907J
<b>📍</b>	<b>LOCATION</b> City Flinders: February 2022 only VU City Campus: from April 2022
<b>🕒</b>	<b>DURATION</b> 2 years
<b>📅</b>	<b>2022 INTAKES</b> February
<b>\$</b>	<b>2022 FEES</b> A\$14,300 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (no band less than 6.5 in Reading & Writing and 7.5 in Speaking & Listening)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> Completion of an Australian bachelor degree or equivalent in any discipline. You will need to provide academic and/or professional references and may be required to attend a selection interview and provide samples of your work.

**ACCREDITATION:** ACA**COURSE DESCRIPTION**

Develop an understanding of the theory and practice of counselling, including interventions and therapies. You'll gain experience in adult, child and adolescent counselling, practical skills through industry-based learning and placements, as well as insights on issues including depression, anxiety, grief, loss and addictions.

**GRADUATE OUTCOMES**

This course is accredited by the Australian Counselling Association, Australia's largest single registration body for counsellors and psychotherapists. This course leads to careers in counselling, multicultural services, family support, community work, palliative care, refugee services and youth work.

**YEAR 1**

Principles and Practice of Cognitive Behaviour  
Trauma-informed Counselling  
Individual Awareness  
Theories and Techniques of Counselling  
Child and Adolescent: Theories and Techniques of Counselling  
Applied Techniques of Counselling  
Social and Ethical Issues in Counselling  
Research Methods in Counselling

**YEAR 2**

Advanced Counselling Interventions  
Counselling for Addictions  
Practicum 3  
Practicum 4  
Minor Thesis (Part A)  
Minor Thesis (Part B)

**MASTER OF GLOBAL PUBLIC HEALTH**

vu.edu.au/courses/international/HMGP

<b>C</b>	<b>COURSE CODE:</b> HMGP <b>CRICOS:</b> 107823E
<b>📍</b>	<b>LOCATION</b> City Flinders: February 2022 only VU City Campus: from April 2022
<b>🕒</b>	<b>DURATION</b> 2 years
<b>📅</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$15,500 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> Completion of an Australian bachelor degree or equivalent in any discipline.

**COURSE DESCRIPTION**

Contribute to health improvements worldwide, and make a real difference to individuals and communities. This course focuses on sustainability and the impact of human behaviour upon the natural world in diverse communities — from both an Australian and international perspective. You will have the capabilities that the global marketplace demands for a challenging and rewarding career in public health, emergencies, and development.

**GRADUATE OUTCOMES**

Graduates can pursue global work opportunities within national, state, and local governments, the United Nations and other international health organisations (WHO, UNICEF, International Coalition for Aging and Physical Activity), non-profit organisations, academic institutions, and research institutions.

**YEAR 1**

Foundations of Public Health  
Contemporary Global Health Challenges  
Epidemiology and Biostatistics 1  
Contemporary Public Health Practice  
Culture and Society in Public Health  
Epidemiology and Biostatistics 2  
Health Promotion and Community Development  
Elective Unit

**YEAR 2**

Sustainability in Healthcare  
Public Health Communication in a Digital World  
Professional Project OR Minor Thesis

**ELECTIVES**

Transnational Gender Issues and Human Rights  
Nutrition for Global Health  
Global Food Systems and Food Security  
Concepts in Humanitarian Assistance  
Behavioural Aspects of Active Living  
Planetary Health: A Place-Based Approach  
Making a Healthy Planet: A Transdisciplinary Transformation

“

**THE PROGRAM IS ACCREDITED BY THE AUSTRALIAN COUNSELLING ASSOCIATION, WHICH I THINK IS FUNDAMENTAL FOR GRADUATES TO BE COMPETITIVE IN THE WORKFORCE.**

”

“I also had the opportunity to access VU’s support services such as counselling, learning hubs, and professional mentoring.”

**MARIA (COLOMBIA)**  
Youth Support Worker, Uniting  
Master of Counselling

# INFORMATION TECHNOLOGY & SYSTEMS

Join the world's fastest-growing industries by taking advantage of our industry partnerships with companies such as Amazon, Cisco, Inspur, Microsoft and SAP. VU is a world leader in Enterprise Resource Planning (ERP) systems education. We offer more SAP-based subjects than any other Australian university and we are the first and only university in Australia to house a SAP Next-Gen Lab.

## STUDY AREAS

- Information Technology
- Applied Information Technology
- Cyber Security

## WHY STUDY AT VU?

**A\$104,156**  
MEDIAN ANNUAL SALARY

**3<sup>RD</sup>**  
IN VICTORIA  
FOR COMPUTER  
SCIENCE

**STATE-OF-  
THE-ART**  
FACILITIES

### A\$104,156

The median annual salary for software programmers before tax is A\$104,156 (Job Outlook).

### 3<sup>rd</sup> in Victoria

We rank equal 3rd in the State of Victoria for computer science in the *Times Higher Education* World University Rankings by Subject 2021.

### State-of-the-art facilities

Our facilities include Cisco routers and switches, 5G technology, Amazon cloud servers, graphics and video authoring tools and virtualisation tools.

“

**THE COURSE  
EMPOWERED ME  
TO EXPLORE NEW  
SKILLS — INCLUDING  
NEW PROGRAMMING  
LANGUAGES SUCH AS  
APEX.**

”

“My course coordinator encouraged me to enter the VU Hackathon. It’s a really exciting competition organised within the University. I was part of a team of five and we won. My ambition is very simple – to do what I love, and I love programming. I would certainly recommend VU to other students. It can bring out the best in you.”

**RENUKA (NEPAL)**

Salesforce Developer, South East Water  
Bachelor of Information Technology

## ACCREDITATIONS

### ACCREDITATION KEY

Accreditations apply to individual courses. Please see course details on pages 64-65 to see which accreditations apply.

# INFORMATION TECHNOLOGY & SYSTEMS

## DIPLOMA OF INFORMATION TECHNOLOGY

[vu.edu.au/courses/international/VDIT](http://vu.edu.au/courses/international/VDIT)

	<b>COURSE CODE:</b> VDIT <b>CRICOS:</b> 077776D
	<b>LOCATION</b> Footscray Nicholson
	<b>DURATION</b> 1 year
	<b>2022 INTAKES</b> February, August
	<b>2022 FEES</b> A\$13,400 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 5.5 (no band less than 5.0)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 qualification.

### COURSE DESCRIPTION

This course helps you prepare for a degree with targeted support and tuition, enabling you to enhance your professional communication and academic writing skills. You'll also learn skills in networking (Cisco), designing databases, writing programs in Python, connecting databases to dynamic websites, scheduling ICT development using Microsoft Project and using Linux.

### GRADUATE OUTCOMES

Successful completion of the diploma leads to the second year of our Bachelor of Information Technology. You will also be qualified for entry-level work in the IT industry, including roles in computer and network support, website development and database support.

### UNITS

VIT1101 Web Development and CMS  
VIT1102 Introduction to Programming  
VIT1103 Communication and Information Management  
VIT1104 Computer Networks  
VIT1201 Introduction to Database Systems  
VIT1202 Operating Systems  
VIT1203 Introduction to Project Management  
VIT1204 Web Application and Server Management

### PATHWAYS

Diploma of Information  
Technology  
1 Year

Bachelor of Information  
Technology  
2 Years

## BACHELOR OF INFORMATION TECHNOLOGY

[vu.edu.au/courses/international/NBIT](http://vu.edu.au/courses/international/NBIT)

	<b>COURSE CODE:</b> NBIT <b>CRICOS:</b> 071997F
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2022 INTAKES</b> February, August
	<b>2022 FEES</b> A\$15,200 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate, including mathematics.

### COURSE DESCRIPTION

Develop key information technology (IT) skills to expand your career options. Focus on areas of high demand: web and mobile application development, network and system computing, ICT management, software development and network management. This course includes Android and iOS app development, as well as training in Cisco routing and switching, IPSecure, Amazon cloud servers and Microsoft Active Directory network management.

### GRADUATE OUTCOMES

This course will prepare you for roles including software analyst, web designer, mobile app developer, data centre administrator, system security consultant, webmaster and data analyst in sectors including government, banking and finance, retail, education, health, media, logistics and manufacturing. Graduates can attain professional membership of the Australian Computer Society.

### YEAR 1

Web Development and CMS  
Introduction to Programming  
Communication and Information Management  
Computer Networks  
Introduction to Database Systems  
Operating Systems  
Introduction to Project Management  
Web Application and Server Management

### MAJORS

Web and Mobile Application Development  
Network and System Computing

### MINORS

Software Development  
Network Management  
ICT Management  
The Entrepreneurial Mindset

ACCREDITATION:

### COMPULSORY MINORS

Graduating Core

## BACHELOR OF CYBER SECURITY

[vu.edu.au/courses/international/NBCS](http://vu.edu.au/courses/international/NBCS)

<b>C</b>	<b>COURSE CODE:</b> NBCS <b>CRICOS:</b> 103891C
<b>L</b>	<b>LOCATION</b> Footscray Park
<b>D</b>	<b>DURATION</b> 3 years
<b>I</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$15,200 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 qualification.

### COURSE DESCRIPTION

Gain in-demand skills to protect data and information systems from hackers in this internationally-recognised degree. You'll learn essential skills in cyber-threat detection and risk management, including: cyber security technologies; ethical hacking and digital forensic data collection; vulnerability analysis and control; enterprise security; cyber security regulation; policies and laws; software development; and network design.

### GRADUATE OUTCOMES

Graduating from this course will prepare you for variety of cyber security or IT careers, such as cyber security specialist, cyber security consultant, cloud security engineer, network security engineer, and mobile and web applications developer.

#### YEAR 1

Web Development and CMS  
Introduction to Programming  
Communication and Information Management  
Computer Networks  
Introduction to Database Systems  
Operating Systems  
Introduction to Project Management  
Web Application and Server Management

Data Privacy and Cyber Physical Systems Security  
Big Data  
Networking Technologies

#### YEAR 3

Enterprise Network Management  
Security Operations and Vulnerability Analysis  
Applied Project 1  
ICT Business Analytics and Data Visualisation  
Virtualisation in Computing  
Data Analytics for Cyber Security  
Small IT Business  
Applied Project 2

#### YEAR 2

Digital Forensics and Ethical Hacking  
Cyber Security Essentials  
Server Administration and Management  
Introduction to ICT Management  
Cyber Law Policy and Professional Ethics

## MASTER OF APPLIED INFORMATION TECHNOLOGY

[vu.edu.au/courses/international/NMIT](http://vu.edu.au/courses/international/NMIT)

<b>C</b>	<b>COURSE CODE:</b> NMIT <b>CRICOS:</b> 083307E
<b>L</b>	<b>LOCATION</b> Footscray Park: February 2022 only VU City Campus: from April 2022
<b>D</b>	<b>DURATION</b> 2 years
<b>I</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$15,500 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A degree equivalent to an Australian undergraduate degree or higher in a similar discipline.

### COURSE DESCRIPTION

Build on your computing skills, preparing for senior IT roles. We focus on solving real-world problems in cloud computing, cybersecurity, advanced programming, software engineering, wireless and mobile networking, mobile applications, data analytics and project management. Take part in an industry placement program and complete an industry project.

### GRADUATE OUTCOMES

Graduates can attain professional membership of the Australian Computer Society. Potential careers include cutting-edge IT roles in cloud computing, data mining and sensor networks as well as software development and engineering, ICT training, business intelligence, networking, data warehousing and project management.

#### CORE UNITS

Principles of Project Management  
Project Management and Information Technology  
Fundamentals of Cyber Security  
Enterprise Security Management  
Networking Systems  
Database Analysis and Design  
Advanced Object Oriented Programming  
Introduction to Research  
Cloud Security  
Advanced Project

Option 2  
Research Thesis 1  
Research Thesis 2  
Plus 24 credit points of Elective units

#### ELECTIVE UNITS

Fundamentals of Project Management  
Project Planning and Control  
Project Stakeholder Management  
Project Risk Management  
Cybersecurity Law, Regulation and Policy  
Mobile Applications  
Data Warehousing and Mining  
Mobile Network Design

Select one of the following options:

Option 1  
Research Project Part A  
Research Project Part B  
Plus 48 credit points of Elective units

**ACCREDITATION:**

# LAW & CRIMINOLOGY

Pursue a dynamic and fulfilling role in the legal profession with our courses in legal practice, migration law, criminal justice and criminology. In the heart of Melbourne's CBD and the legal district, the College of Law and Justice provides you with the skills to address the challenges of contemporary legal practice. We have industry links with a broad range

of legal organisations that inform our teaching and offer practical placements, ensuring you are ready to take on the challenges of a career in law. Our teaching staff and adjunct professors include a former High Court judge and human rights advocate, and Australia's first female Attorney-General.

## STUDY AREAS

- Law
- Criminal Justice
- Criminology
- Migration Law

## WHY STUDY AT VU?

AWARD-WINNING  
**MOOT  
PROGRAM**

CLINICAL LEGAL  
**INTERNSHIP  
PROGRAM**

NUMBER  
**10**  
IN THE WORLD

### Prepare your case

Get practical experience preparing for court and representing clients with our on-campus moot (simulation) courts and award-winning moot program.

### Learn in the workplace

Internship opportunities are available at the County, Magistrates' and Supreme Courts, with some of Australia's leading lawyers, judges and barristers.

### Number 10 in the world

We rank 10 in the world for Peace, Justice and Strong Institutions in the 2021 *Times Higher Education* (THE) Impact Rankings. In an example of the many projects that have contributed to our stellar world ranking, we run an annual sentencing theory and practice masterclass for policymakers, defence lawyers, prosecutors, police, corrections officers and courts and tribunals staff through the Sir Zelman Cowan Centre.

# LAW & CRIMINOLOGY

## BACHELOR OF LAWS

[vu.edu.au/courses/international/BLAW](http://vu.edu.au/courses/international/BLAW)

	<b>COURSE CODE:</b> BLAW <b>CRICOS:</b> 040190B
	<b>LOCATION</b> City Queen
	<b>DURATION</b> 4 years
	<b>2022 INTAKES</b> February, August
	<b>2022 FEES</b> A\$14,900 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate. Entry requires a completed supplementary form.

**ACCREDITATION:** 

### COURSE DESCRIPTION

Gain a broad perspective on legal practice and specialist academic and professional skills in advocacy, ethical judgement, communication, legal research and writing, interviewing and negotiation. Take advantage of our moot program, which simulates court room proceedings, and gain real-world experience of the justice system with our industry partners.

### GRADUATE OUTCOMES

You could work as a lawyer or in legal practice in areas including criminal law, family law, commercial law and business. Many of our graduates choose to work in community legal centres providing legal access to disadvantaged groups, and in not-for-profit organisations. Roles include solicitor, lawyer, policy adviser, legal adviser or human rights advocate.

### YEAR 1

Australian Legal System in Context  
Contracts 1  
Legal Research Methods  
Torts  
Criminal Law  
Criminal Investigation, Procedure and Sentencing  
Legal Writing and Drafting  
Legal Interpretation

### YEAR 2

Real Property Law  
Corporations Law  
Constitutional Law  
Commercial Law  
24 credit points of law electives  
24 credit points of non-law electives

### YEAR 3

Australian Administrative Law  
Equity and Trusts  
Lawyers' Ethics and Professional Responsibility  
60 credit points of law electives

### YEAR 4

Evidence  
Internships and Law Practice  
Interviewing and Advocacy  
Civil Procedure  
24 credit points of law electives  
24 credit points of non-law electives

**The full course structure is on the website.**

## ACCREDITATIONS

### ACCREDITATION KEY

 VLAB

Accreditations apply to individual courses. Please see course details on pages 68-71 to see which accreditations apply.

## BACHELOR OF LAWS (GRADUATE ENTRY)

[vu.edu.au/courses/international/BLGE](http://vu.edu.au/courses/international/BLGE)

<b>C</b>	<b>COURSE CODE:</b> BLGE <b>CRICOS:</b> 041647K	<b>DURATION</b> 3 years
<b>2022 INTAKES</b> February, August	<b>2022 FEES</b> A\$14,900 per semester	
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)	<b>ADMISSION REQUIREMENT</b> An undergraduate degree with a distinction (70% or above) average in the final year. Entry requires a completed supplementary form.

### COURSE DESCRIPTION

This course is available to bachelor degree graduates from any discipline. As well as exploring legal practice and ethics, this course covers all major areas of law including contracts, torts, property, constitutional, criminal and corporate. You will develop valuable skills in negotiation, mediation, legal drafting, statutory interpretation and preparing for court appearances. When you graduate, you'll have satisfied the academic requirements for admission to legal practice in Victoria. Admission as an Australian lawyer can be obtained after successful completion of the practical legal training requirements.

**ACCREDITATION:** VLAB

## BACHELOR OF CRIMINOLOGY/ BACHELOR OF PSYCHOLOGICAL STUDIES

[vu.edu.au/courses/international/LBCP](http://vu.edu.au/courses/international/LBCP)

<b>C</b>	<b>COURSE CODE:</b> LBCP <b>CRICOS:</b> 102921K	<b>DURATION</b> 4 years
<b>2022 INTAKES</b> February, August	<b>2022 FEES</b> A\$14,900 per semester	
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

### COURSE DESCRIPTION

Drawing on key themes in criminology and psychology, you'll gain the expertise needed to understand and solve real problems in the community. You'll study important subject areas such as: policing and offending; criminal justice system; human rights; corporate crime; victims, justice and the law; history, theories and practice of psychology; research methods in psychology; and clinical aspects of psychology. Through completion of the accredited psychology major, you'll gain a strong understanding of human behaviour and emotions to complement your knowledge of criminal behaviour and motivations.

**ACCREDITATION:** VLAB

“

Psychology  
International Security  
Comparative Criminal Justice and Human Rights

## BACHELOR OF LAWS/BACHELOR OF CRIMINOLOGY

vu.edu.au/courses/international/LHCR

	<b>COURSE CODE:</b> LHCR <b>CRICOS:</b> 107822F
	<b>LOCATION</b> City Queen
	<b>DURATION</b> 4.5 years
	<b>2022 INTAKES</b> February, August
	<b>2022 FEES</b> A\$14,900 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0) unless a graduate of other tertiary study
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

**ACCREDITATION:** 

### COURSE DESCRIPTION

Launch a career investigating and prosecuting crime, or defending the criminally accused, with a law and criminology degree from VU. Our Bachelor of Laws/Bachelor of Criminology will give you broad knowledge of the causes and consequences of crime. You'll gain expertise in criminal investigation, sentencing, and security, at national and international levels. You will also develop practical skills in investigating and providing strategic advice in relation to crime and crime management.

### GRADUATE OUTCOMES

The Bachelor of Laws satisfies the academic requirements to become an Australian lawyer, as required by the Victorian Legal Admissions Board. In order to become an Australian Lawyer, you'll also need to complete practical legal training or an equivalent.

#### YEAR 1

Australian Legal System in Context  
Contracts 1  
Legal Research Methods  
Torts  
Introduction to Criminology  
Policing and Offending  
Criminal Law  
Criminal Investigation, Procedure and Sentencing

#### YEAR 2

Criminal Justice Systems 2  
Corporate Crime  
History of Criminal Law and Trials  
Legal Writing and Drafting  
Legal Interpretation

Corporations Law  
Constitutional Law  
Privacy and Media Law

Managing a Migration Agent business

### GRADUATE OUTCOMES

The Graduate Diploma in Migration Law is designed for prospective migration agents, including legal practitioners, HR migration specialists and government workers. By completing the Graduate Diploma in Migration Law and the prescribed external capstone exam, you will be eligible for registration as a migration agent with the Office of the Migration Agents Registration Authority.

# SOCIAL, COMMUNITY & YOUTH DEVELOPMENT

Make a difference with a rewarding career in social, community or youth development. Our placements help you gain the experience you need to begin your career with confidence. Through community development studies you can find fulfilling

work in social welfare and community organisations in Australia and abroad. Our youth work degrees can lead to a rewarding career supporting young people to develop their potential. Our graduates find employment in government, not-for-profit organisations and in the private sector.

## STUDY AREAS

- Social Work
- Youth Work
- Community Development

## WHY STUDY AT VU?

**+150**  
PROFESSIONAL  
PLACEMENTS

**IN-DEMAND  
CAREERS**

**LOCAL**  
PARTNERSHIPS

### Learn in the workplace

Access 150+ professional placement programs.

### Join an industry in demand

Future projections for careers in welfare, recreation and community arts; support, health and service and counsellors predict very strong job growth (Australian Government's JobOutlook).

### Contribute to local culture

Enrich Melbourne's west through local partnerships such as Maribyrnong City Council and Footscray Community Arts Centre.

For more information visit  
[vu.edu.au/youth-community](http://vu.edu.au/youth-community)

“

THE LEVEL OF CARE  
I EXPERIENCED FROM  
LECTURERS AND STAFF  
WAS INCREDIBLE. THEY  
WERE ENTHUSIASTIC  
AND KNOWLEDGEABLE,  
AND SOME WERE STILL  
PRACTISING YOUTH  
WORKERS.

”

“I did two work placements during my degree – the first at a local government youth program in Melton, and the second a placement overseas in the Solomon Islands and Vanuatu – which was such an enriching experience. Both placements were invaluable for my development, and prepared me for my employment.”

CHANEL (AUSTRALIA)  
Bachelor of Youth Work

## ACCREDITATIONS

### ACCREDITATION KEY

Accreditations apply to individual courses. Please see course details on pages 74-75 to see which accreditations apply.

# SOCIAL, COMMUNITY AND YOUTH DEVELOPMENT

## BACHELOR OF SOCIAL WORK

[vu.edu.au/courses/international/ABSW](http://vu.edu.au/courses/international/ABSW)

	<b>COURSE CODE:</b> ABSW <b>CRICOS:</b> 077997B
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 4 years
	<b>2022 INTAKES</b> February
	<b>2022 FEES</b> A\$13,400 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (no band less than 7.0)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

**ACCREDITATION:** 

### COURSE DESCRIPTION

Improve people's lives by addressing social problems, human rights issues and social justice concerns. This course will give you an in-depth understanding of interpersonal and group work, community development, policy analysis, social research and social action. You will gain the skills and knowledge to develop the potential of individuals, groups and communities and you'll have the opportunity to apply these insights during two placements.

### GRADUATE OUTCOMES

VU's Bachelor of Social Work is accredited by the Australian Association of Social Workers, (AASW), the professional body representing social workers in Australia. It is an entry qualification into the social work profession and has been determined to meet the Australian Social Work Education and Accreditation Standards. Graduates typically find employment with not-for-profit or charitable organisations, as well as the community and government sectors. Roles include social worker, youth worker or community health centre counsellor.

#### YEAR 1

Introduction to Sociology  
Aboriginal Traditions and Policy  
Applied Human Rights

	<b>DURATION</b> 3 years
	<b>2022 INTAKES</b> February, August
	<b>2022 FEES</b> A\$16,000 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate or higher. A Police Records Check and a Working with Children Check are required prior to placements.

**ACCREDITATION:** 

### COURSE DESCRIPTION

Learn from world-leading experts in sport studies and enjoy access to state-of-the-art facilities. This course covers biological and social sciences, with a focus on sports physiology and biomechanics. You will build a solid understanding of the science that underpins sports and exercise. You will benefit from our industry connections, with professional placements and industry networking opportunities.

#### YEAR 1

Structural Kinesiology  
Research Methods for Exercise Professionals  
Human Growth and Lifespan Development  
Resistance Training  
Biomechanics  
Human Physiology  
Exercise Physiology  
Exercise and Sport Psychology

#### YEARS 2 & 3

Nutrition and Diet for Exercise and Physical Education  
Exercise Interventions for Healthy Populations  
Sports Biomechanics  
Motor Learning  
Advanced Resistance Training

### GRADUATE OUTCOMES

Our graduates find employment at elite sport organisations, leisure centres, community service organisations and even start their own businesses. Pursue a career in exercise physiology, personal fitness training, community fitness and health services, sports data analysis, performance coaching, athlete talent identification and development, and sports nutrition.

Functional Kinesiology  
Advanced Exercise Physiology  
Advanced Biomechanics  
Sport Physiology  
Clinical Exercise Practice 1  
Social Dimensions of Sport and Exercise  
Applied Exercise Psychology  
Motor Control  
Professional Ethics  
Advanced Training and Conditioning  
Exercise, Health and Disease

## BACHELOR OF OUTDOOR LEADERSHIP

vu.edu.au/courses/international/SBOL

<b>C</b>	<b>COURSE CODE:</b> SBOL <b>CRICOS:</b> 099055M
<b>L</b>	<b>LOCATION</b> Footscray Park
<b>D</b>	<b>DURATION</b> 3 years
<b>I</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$15,500 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate, or higher. A Police Records Check and Working with Children Check are required prior to placements.

ACCREDITATION:

### COURSE DESCRIPTION

This unique degree meets the needs of the outdoor education and recreation sectors. Learn about the natural environment, planning and group leadership and apply your on-campus study during activities in our outdoor labs. The main themes are explored through activities such as bushwalking, canoeing, cycling, rafting, alpine activities and rock climbing. The course includes a paid internship with The Outdoor Education Group.

### YEAR 1

Interpersonal Skills and Communication  
Introduction to Adventure Environments  
Natural Environments 1  
Safety in Natural Environments  
Adventure Based Learning for Outdoor Environments  
Preparing to Lead in Natural Environments

### PROFESSIONAL CORE UNITS

Natural Environments 2  
River Environments 1  
Bush Environments  
Mountain Environments  
Risk Management in Natural Environments  
Leading Facilitating and Interpreting in Natural Environments

### GRADUATE OUTCOMES

Career options include roles in adventure tourism, adventure sports, environmental education, outdoor adventure, outdoor education, outdoor recreation and nature tourism. Job titles include camp program manager, environmental educator, outdoor educator, outdoor adventure guide, instructor or facilitator, park ranger or business owner.

Programming and Logistics in Natural Environments  
Environmental Inquiry, Sustainability and Communities  
Outdoor and Environmental Philosophy

### MAJORS

Ecology and Environmental Management  
Sport and Active Communities  
Sport Performance  
Human Movement  
Sport Coaching  
Outdoor Leadership Industry Internship

The full course structure is on the website.

## BACHELOR OF SPORT SCIENCE

vu.edu.au/courses/international/SBSA

<b>C</b>	<b>COURSE CODE:</b> SBSA <b>CRICOS:</b> 096485B
<b>L</b>	<b>LOCATION</b> Footscray Park
<b>D</b>	<b>DURATION</b> 3 years
<b>I</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$14,600 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

### COURSE DESCRIPTION

Join Australia's leading sport university. You'll graduate with excellent foundational knowledge for a professional career in the sport and exercise industry, with key skills in physiology, kinesiology, biomechanics and exercise psychology. Majors include Sport Performance, Human Movement and Sport Coaching.

### YEAR 1

Structural Kinesiology  
Research Methods for Exercise Professionals  
Human Growth and Lifespan Development  
Resistance Training  
Biomechanics  
Human Physiology  
Exercise Physiology  
Exercise and Sport Psychology

### YEARS 2 & 3

Nutrition and Diet for Exercise and Physical Education  
Motor Learning  
Exercise Science Career Development  
Professional Ethics

### GRADUATE OUTCOMES

Our graduates work at elite sport organisations, leisure centres and community service organisations, with some starting their own business. This course leads to careers in areas including exercise physiology, personal fitness training, sport nutrition, sports data analysis, talent identification and development, performance coaching and community fitness.

### ELECTIVES – MAJORS

Human Movement  
Sport Coaching  
Sport Performance

### ELECTIVES – MINORS

Adventure Sports  
Applied Anatomy for Exercise  
Fitness and Conditioning  
Health and Nutrition  
Human Movement  
Sport and Active Communities  
Sport Coaching  
Sport Performance

CEO, Melbourne Victory Football Club

## BACHELOR OF SPORT MANAGEMENT/BACHELOR OF BUSINESS

[vu.edu.au/courses/international/SBSB](http://vu.edu.au/courses/international/SBSB)

	<b>COURSE CODE:</b> SBSB <b>CRICOS:</b> 084880A
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 4 years
	<b>2022 INTAKES</b> February, August
	<b>2022 FEES</b> A\$14,600 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate, or higher. A Police Records Check and Working with Children Check are required prior to placements.

### COURSE DESCRIPTION

Aim for an exciting career in sport or business with this double degree, which prepares you for management, training and operational roles. We teach important skills in policy, planning and strategy, team management, player welfare and support, gym and exercise program administration, and coordination of community-based activity programs. You'll also gain valuable work experience and industry contacts through our placement program.

### GRADUATE OUTCOMES

You'll graduate ready to plan, organise and lead activities at the elite and community level. Your understanding of planning, finance, marketing and people management will prepare you for a range of careers in business, sporting organisations, local government, or outdoor adventure.

### YEAR 1 CORE UNITS

Integrated Business Challenge  
Management and Organisation Behaviour  
Introduction to Sport and Active Recreation  
Foundations of Sport and Active Recreation  
Accounting for Decision Making  
Information Systems for Business  
Introduction to Marketing  
Human Resources for Sport and Active Recreation

### YEAR 2

Business Statistics  
Business Law  
Economic Principles  
Community Building for Sport and Active Recreation  
Ethics in Sport Management and Active Recreation  
**THE FULL COURSE STRUCTURE IS ON THE WEBSITE.**

## BACHELOR OF PHYSICAL EDUCATION AND SPORT SCIENCE

[vu.edu.au/courses/international/SBPH](http://vu.edu.au/courses/international/SBPH)

	<b>COURSE CODE:</b> SBPH <b>CRICOS:</b> 088601C
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2022 INTAKES</b> February, August
	<b>2022 FEES</b> A\$15,500 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate, or higher. A Police Records Check and Working with Children Check are required prior to placements.

### COURSE DESCRIPTION

Turn your passion for physical activity and sport, and your ability to inspire others, into a lifelong career. In our top-rated physical education and sport science program you will study a range of subjects across disciplines such as games and sports, skill acquisition, motor development, inclusive physical activity, anatomy, kinesiology, health, exercise physiology, biomechanics, individual fitness activities, aquatics, athletics and nutrition.

### GRADUATE OUTCOMES

Graduates of this course can pursue careers in fields including physical education, sport science, fitness, health, exercise rehabilitation and coaching.

### YEAR 1

Structural Kinesiology  
Biomechanics  
Human Physiology  
Exercise Physiology  
Exercise and Sport Psychology  
Introduction to Adventure Environments  
Inclusion and Diversity in Physical Activity  
Aquatic and Athletic Movement Activities

### PROFESSIONAL CORE UNITS

Nutrition and Diet for Exercise and Physical Education  
Motor Learning  
Sport and Social Analysis  
Social Dimensions of Sport and Exercise  
Sexuality and Relationships  
Social Bases of Health: Global Perspectives  
Rhythmic and Expressive Movement  
Major and Minor Games  
Growth and Motor Development  
Games and Sports  
Perspectives on Physical Education  
Sport Ethics

**The full course structure is on the website.**

## MASTER OF CLINICAL EXERCISE SCIENCE AND REHABILITATION

[vu.edu.au/courses/international/AMEP](http://vu.edu.au/courses/international/AMEP)

<b>C</b>	<b>COURSE CODE:</b> AMEP <b>CRICOS:</b> 077582C
<b>📍</b>	<b>LOCATION</b> Footscray Park
<b>🕒</b>	<b>DURATION</b> 1.5 years
<b>📅</b>	<b>2022 INTAKES</b> February
<b>\$</b>	<b>2022 FEES</b> A\$15,800 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (no band less than 7.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> Completion of an Australian bachelor degree or equivalent in a similar discipline, or higher.

**ACCREDITATION:** 

### COURSE DESCRIPTION

Become an accredited exercise physiologist. You will learn to assess and prescribe exercise and physical activity for people with chronic conditions or complex care needs. Our program follows a strong evidence-based approach to the scope of practice of clinical exercise physiology. To consolidate your theoretical learning, you will gain significant practical experience during clinical placements.

### UNITS

Exercise Assessments and Interventions for Cardiorespiratory Conditions  
Exercise Assessments and Interventions for Metabolic Conditions and Cancer  
Exercise and Mental Health  
Case Management for Clinical Exercise  
Clinical Exercise Practice  
Exercise Assessments and Interventions for Musculoskeletal Conditions  
Exercise Assessments and Interventions for Neurological Conditions  
Occupational Health and Exercise Rehabilitation  
Advanced Case Management and Practice  
Applied Sports Statistics

### GRADUATE OUTCOMES

This course will prepare you to work with people who have musculoskeletal injuries, neurological conditions, metabolic conditions, cardiovascular conditions and various comorbidities. You will be eligible for accreditation as an exercise physiologist and could work in a range of settings including hospitals, community health centres, sports clinics and rehabilitation clinics.

#### OPTION 1 - Coursework

Enhancing Muscular Performance  
Behavioural Aspects of Active Living

#### OPTION 2 - Thesis

Minor Thesis

## MASTER OF SPORT BUSINESS

[vu.edu.au/courses/international/SMBS](http://vu.edu.au/courses/international/SMBS)

<b>C</b>	<b>COURSE CODE:</b> SMBS <b>CRICOS:</b> 103438B
<b>📍</b>	<b>LOCATION</b> City Flinders: February 2022 only VU City Campus: from April 2022
<b>🕒</b>	<b>DURATION</b> 1.5 years
<b>📅</b>	<b>2022 INTAKES</b> February, August
<b>\$</b>	<b>2022 FEES</b> A\$19,100 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
<b>✓</b>	<b>ADMISSION REQUIREMENT</b> Completion of an Australian bachelor degree or equivalent in a similar discipline, or higher.

### COURSE DESCRIPTION

Gain the professional and personal skills to succeed in the global sport business industry with a Master of Sport Business from VU. This course prepares you for the pressures and complexity of contemporary sport management by combining cutting-edge theory with intensive case analysis and best-practice strategic management. You will have the opportunity to undertake professional-level research, study abroad through our partnership with the Real Madrid Graduate School Universidad Europea and gain industry experience to ensure you are a highly competent and confident graduate.

### UNITS

Current Issues and Trends in Sport  
Research Methods and Applied Statistics  
Industry Engagement  
Sport Integrity and Ethics  
Learning to Lead People in High Performance Teams  
Strategic Sport Marketing  
Strategic Planning and Management for Sport Business  
Sport Facility and Event Management

### GRADUATE OUTCOMES

As a graduate of the Master of Sport Business, you will be suited to a range of management and leadership roles in the global sport industry. You will be equipped to add to the public value of the sport industry through working in sport integrity, partnerships, marketing, economics, strategic management, facilities and events, and many other opportunities locally and globally.

“

**I'M A MEMBER OF  
THE VU TOURISM  
CLUB – IT ORGANISES  
DIFFERENT TRIPS  
AND EXCURSIONS FOR  
STUDENTS AT VU.**

”

International PhD student Anu George is exploring responsible tourism and green growth “to make better places to live in and better places to visit”, with a focus on sustainable tourism development in Kerala, a state on the southwestern Malabar Coast of India.

“I’m a member of the VU Tourism Club – it organises different trips and excursions for students at VU. It’s a lot of fun because we get to interact with so many different international students and learn about their culture.”

**ANU ( INDIA)**  
PhD candidate (College of Business)

# SCHOOL FOR THE VISITOR ECONOMY

Our hospitality and tourism courses, from certificates to PhDs, are part of VU's School for the Visitor Economy – a cross-university school providing qualified graduates to Victoria's fast-growing tourism and hospitality sectors. Courses for international students in the School for the Visitor Economy include:

- ◆ SIT30816 Certificate III in Commercial Cookery
- ◆ SIT40516 Certificate IV in Commercial Cookery
- ◆ SIT50416 Diploma of Hospitality Management
- ◆ SIT60316 Advanced Diploma of Hospitality Management
- ◆ Associate Degree in Hospitality and Hotel Management
- ◆ Bachelor of Business (major options in Event Management or Tourism & Hospitality Management)
- ◆ Doctor of Philosophy
- ◆ Doctor of Philosophy (Integrated)

The School also undertakes cross-disciplinary research that supports growth and sustainability in tourism destinations and visitor economy-related businesses. This work builds on a long history of tourism-related research at VU, which has ranked highly by national and international agencies for more than 30 years. Key research themes include: tourism and the green economy and planetary health; tourism risk and recovery; tourism economics; tourism marketing; wellness tourism; and events management and evaluation.

“

**THE BEAUTY OF THE VU PROGRAM IS IT IS A COMBINATION OF PRACTICAL AND THEORETICAL.**

”

“The Work Integrated Learning (WIL) program allows people who are studying a particular discipline to come into our business and actually do work in a practical placement as part of their curriculum.

“I think that immersion in a business and trying to solve a problem is probably a really big benefit when going out into the workplace.”

**AMANDA WILSON**

Director of People, Culture & Improvement at the Melbourne Convention and Exhibition Centre

Member of the Advisory Board for VU's School for the Visitor Economy

# RESEARCH

VU Research supports all aspects of the University's research activity. It includes the Institute for Sustainable Industries and Liveable Cities and the Institute for Health and Sport.

## **Institute for Sustainable Industries and Liveable Cities (ISILC)**

ISILC collaborates with industry and community to create liveable cities and sustainable industry practice through new technologies, social equity and cohesion, improved environmental outcomes and policy development. The research of 170 academic staff and 450 research students is underpinned by a dynamic intellectual environment and world-class facilities.

Areas of excellence include:

- applied informatics, mathematics and artificial intelligence
- applied economics (energy policy, health and education policy and regional development)
- power systems and renewable energy integration
- financial systems
- construction research
- fire (modelling and experimental)
- education and youth engagement
- countering violent extremism
- food processing and chemistry
- history, including Irish studies
- supply chain management
- tourism and the visitor economy
- water resource management
- sensor development, control systems and telecommunications.

## **Centre of Policy Studies (CoPS)**

CoPS specialises in Computable General Equilibrium (CGE) modelling. The Centre undertakes academic/contract research and software development, conducts training courses in CGE modelling and offers student supervision. It also undertakes economic-modelling research for governments and businesses in many parts of the world. CoPS has created Australia's best known large-scale economic models, ORANI, MMRF and TERM, now developed for over 25 countries worldwide.

## **Centre for International Research on Education Systems (CIRES)**

CIRES investigates the origins and consequences of low achievement in education. CIRES researchers are recognised internationally for their work on student and school outcomes. They have conducted projects in every state and territory in Australia and every sector of education and training, and increasingly with researchers, schools and systems internationally.

## **The Institute for Health and Sport (IHES)**

IHES addresses problems of local, national and global relevance. IHES has more than 120 research staff and 250 research students, and is supported by world-class research infrastructure.

Areas of excellence include:

- exercise science
- active living
- chronic disease
- biomedical sciences
- technology
- psychology
- nursing, community and public health
- sport performance, participation and business.

[vu.edu.au/research](https://vu.edu.au/research)

VU is committed to Place-Based Planetary Health. Our whole-of-university commitment prioritises planetary health in our teaching, university practice, partnerships, and in research. Place-Based Planetary Health research finds sustainable solutions that are locally anchored, to challenges impacting the wellbeing of people, communities, country, and environment; recognising that the wellbeing of all is dependent on the wellbeing of our planet.

In 2020, the Planetary Health Alliance (PHA) welcomed VU as its newest member. The PHA was launched with the support of the Rockefeller Foundation in 2016 and is based at Harvard University.

# RESEARCH

With state-of-the-art facilities and an outstanding research profile ranking world-class or above by the Australian Government, VU is the ideal place to commence your research career. Complete a doctoral or research masters degree in one of our flagship areas and achieve your career goals.

## Doctor of Philosophy

We offer two Doctor of Philosophy (PhD) programs, and on successful completion of either program, you can use the title “doctor”. Students commence their doctoral research under the guidance of an experienced supervisor.

### PHD (INTEGRATED)

The PhD (Integrated) supports candidates who do not have research experience but have a masters degree by coursework. Students undertake five advanced coursework units in their first year. They will also complete a Year 1 Thesis, which is integrated into the larger doctoral program of research, and will complete the course in the standard four years.

### PHD

The PhD program has been designed for applicants who have: a four-year undergraduate degree which included a research component; a masters by coursework and a minor thesis; or a masters by research.

## Research Masters Degrees

Our research masters degrees recognise your prior qualifications and your disciplinary expertise, meaning your program is tailored to your skills and career aspirations.

## Research support

You will have access to quality supervision, mentoring, English language support and research training. We have a comprehensive orientation program and a range of seminars, workshops and research events. Our Researcher Professional Development Program focuses on: database searches; literature reviews; research design, methods and analysis; ethics and integrity; commercialisation and intellectual property; presentations; academic; and writing for journals, industry and your thesis.

## International focus

Our research activities have a global reach. We work with universities, government, industry and other organisations around the world to facilitate researcher and student exchange, foster international research collaborations and create global research networks.

## Entrance requirements

All research degrees require:

- a minimum of 70% in your qualifying degree (or equivalent to an Australian degree with a minimum of 70%)
- English language proficiency (IELTS) based on an academic test module of 6.5 overall (no band less than 6.0).

Network and share your research through the following events and activities:

- Visualise Your Thesis
- Three Minute Thesis
- forums with the Dean of Graduate Research and other research leaders
- social events in conjunction with our student associations.

MyVU Plan is a platform to document your professional development during your research degree to help you achieve your career aspirations.

**PROFESSOR VASSO APOSTOLOPOULOS**

Pro Vice-Chancellor, Research Partnerships  
Group Leader – Immunology and Translational Research

Professor Vasso Apostolopoulos is a world-renowned researcher who has been recognised with over 100 awards. In response to the COVID-19 pandemic, Vasso and her team at VU are focusing on developing a vaccine to treat the virus.

Her areas of expertise include immunology, x-ray crystallography, medicinal chemistry, cellular biology and molecular biology. Professor Apostolopoulos was the first in the world to develop the concept of immunotherapy for cancer in the early 1990s. It is now used by hundreds of labs around the world to boost specific immune cells and program them to kill cancer cells.

Using immunotherapy, Professor Apostolopoulos has developed vaccines for breast cancer and ovarian cancer. Committed to the wide-ranging benefits of immunotherapy, Professor Apostolopoulos has applied this approach to other diseases including a vaccine for multiple sclerosis. She is also working on a vaccine for type-1 diabetes.

# RESEARCH

<div>STEP 1</div> <div>CHOOSE YOUR RESEARCH GROUP</div> <div></div>	<div>INSTITUTE FOR HEALTH AND SPORT</div> <div>Study towards a qualification in a range of health and sport-related streams including biomedical sciences, biotechnology, business, nursing, food science, sport science, and social sciences.</div>	<div>INSTITUTE FOR SUSTAINABLE INDUSTRIES AND LIVEABLE CITIES</div> <div>Address important contemporary issues such as climate change, cultural diversity, arts and social justice, technology in future industries, education and related policy, and urban planning.</div>

## DOCTOR OF PHILOSOPHY

[vu.edu.au/courses/international/UPAD](http://vu.edu.au/courses/international/UPAD) | [vu.edu.au/courses/international/UPAF](http://vu.edu.au/courses/international/UPAF)

	<b>UPAD (064447F)</b> Institute for Health and Sport
	<b>UPAF (064447F)</b> Institute for Sustainable Industries and Liveable Cities
	<b>DURATION</b> 4 years (8 semesters of study)
	<b>2022 INTAKES</b> February, August
	<b>2022 FEES</b> A\$15,500 to A\$18,100 per semester depending on field of research

### ADMISSION REQUIREMENT (OPTION 1, 2 OR 3)

1. Completion of an Australian undergraduate honours degree (or equivalent) in the same discipline with an average grade of at least H2A/distinction or equivalent.
2. Completion of an Australian masters degree (or equivalent) in the same discipline with minor thesis, with an average grade of at least H2A/distinction or equivalent.

3. Completion of an Australian masters by research degree (or equivalent) in the same discipline with an average grade of at least H2A/distinction or equivalent, or demonstrated exceptional ability during partial completion of a research project in a masters by research degree.

### COURSEWORK UNITS

Conceptualising and Contextualising Research  
 Research Integrity and Ethics  
 Doctoral Industry Project Placement

### THESIS UNIT

To attain the Doctor of Philosophy, students will be required to complete 384 credit points over a maximum duration of 4 years (full-time).

## DOCTOR OF PHILOSOPHY (INTEGRATED)

[vu.edu.au/courses/international/UPAE](http://vu.edu.au/courses/international/UPAE) | [vu.edu.au/courses/international/UPAG](http://vu.edu.au/courses/international/UPAG)

	<b>UPAE (099052C)</b> Institute for Health and Sport
	<b>UPAG (099052C)</b> Institute for Sustainable Industries and Liveable Cities
	<b>DURATION</b> 4 years (8 semesters of study)
	<b>2022 INTAKES</b> February, July
	<b>2022 FEES</b> A\$15,500 to A\$17,800 per semester depending on field of research

### ADMISSION REQUIREMENT (OPTION 1, 2,3 OR 4)

1. Completion of an Australian undergraduate honours degree (or equivalent) in a different discipline with an average grade of at least H2A/distinction in the final year.
2. Completion of an Australian masters degree

(or equivalent) by coursework in any discipline, not including a thesis, with an average grade of at least H2A/distinction.

3. Completion of an equivalent combination of academic and research achievements, deemed equivalent to any of the above entry requirements.

4. Any of the admission requirements listed in the PhD.

### YEAR 1 COURSEWORK UNITS

Introduction to Research Methodology  
 Research Design and Proposal Development  
 Research Integrity and Ethics

Enhancing Research Capability  
 English Language for Graduate Researchers  
 Year 1 Thesis

### ELECTIVE STUDIES

Introduction to Qualitative Research Methods  
 Introduction to Quantitative Research Methods  
 Enhancing Researcher Knowledge and Skills

### THESIS UNIT

To attain the award of Doctor of Philosophy through the Doctor of Philosophy (Integrated), students will be required to complete 384 credit points over a maximum duration of 4 years (full-time).

## MASTER OF APPLIED RESEARCH

[vu.edu.au/courses/international/URAR](http://vu.edu.au/courses/international/URAR) | [vu.edu.au/courses/international/URAP](http://vu.edu.au/courses/international/URAP)

Research Thesis

# CAMPUSES

VU has campuses in the centre of Melbourne and in its cosmopolitan western suburbs. We also have a campus in central Sydney. All campuses are easily accessible by public transport.

## CITY CAMPUS

From April 2022, the new City Campus will be open. Located in the heart of the CBD, the new VU City Tower is at its centre. The VU City Tower is a 32-floor, a 5-star green-rated, industry-leading building, with state-of-the-art teaching and research spaces that promote both focused and collaborative learning and research. It will include a student services area, library and prayer room as well as a social hub with a student lounge area and a café. Students enrolled in Business, Dermal Sciences, Osteopathy, Counselling, Digital Media, Sport Management and Business, Public Health, postgraduate IT, Early Childhood, English language and Foundation courses, and the Diploma of Engineering will be studying at this exciting new location.

## CITY FLINDERS

In Melbourne's city centre and directly opposite the iconic Flinders Street Station, City Flinders Campus consists of two buildings on Flinders Street and Flinders Lane. It is a short walk from shopping areas, the Yarra River and the world-class Southbank dining precinct. Courses in osteopathy, dermal sciences, business and information systems are taught here. City Flinders is also home to VU College, which delivers higher education diplomas, English language courses and foundation studies.

## CITY KING

A short walk from Southern Cross Station, this campus delivers beauty therapy and dermal sciences qualifications. It features a beauty day spa and a massage clinic, in which students can apply their knowledge and skills to treat real clients using medical-grade equipment.

## CITY QUEEN

Home to the VU Law School and the College of Law and Justice, City Queen is in the centre of Melbourne's legal precinct. This campus includes two moot courts, a law library, computer laboratories, lecture theatres and a student lounge. The City Queen campus is a short walk from Flagstaff Railway Station.

## FOOTSCRAY NICHOLSON

Footscray Nicholson is the hub of our vocational education and training. The campus features commercial cooking facilities at our award-winning VenU restaurant, contemporary classrooms, a café, childcare centre and information and technology services. It is a short walk from Footscray Railway Station.

## FOOTSCRAY PARK

Our largest campus is home to our on-campus accommodation, UniLodge Victoria University. It also has cafés, world-class sports facilities, state-of-the-art lecture theatres and learning commons, a swimming pool and a fitness centre. Located next to landscaped parklands and the Maribyrnong River, this campus offers a variety of courses including business, engineering, sport and exercise science, and education. Footscray is six kilometres from the centre of Melbourne, or a 12-minute train ride.

## ST ALBANS

St Albans Campus is the hub for health and nutrition programs. This campus houses hospital and paramedicine simulation laboratories and practical learning facilities for health science students, including trainee nurses and paramedics. Features include a childcare centre, gym and award-winning architecture. The campus is within walking distance to St Albans Railway Station.

## SUNSHINE

Sunshine Campus is our primary site for high-quality and innovative vocational education and training. It is home to the Sunshine Skills Hub, which uses robotics, virtual reality and 3D printing as learning tools. The campus includes a health and community services centre of excellence, an innovation and incubation space, and a state-of-the-art training facility for building and construction trade courses. Engineering is also taught here. The campus is a short walk from Sunshine Railway Station.

## WERRIBEE

Our Werribee Campus has specialised facilities for teaching and research, including major research centres for water treatment, food science, biomedical science and fire safety. Features include a café and childcare centre, a public osteopathy clinic and a health and fitness centre. It is a short walk from Hoppers Crossing Railway Station.

## VU SYDNEY

Our Sydney Campus is in Sydney's central business district, close to the famous Darling Harbour. In partnership with the Education Centre of Australia, VU delivers higher education diplomas, undergraduate and postgraduate courses in business and information technology to international students in Sydney.

### NO SMOKING

All campuses are tobacco and smoke-free.

# JOB SKILLS AND EMPLOYMENT

VU offers many experiences to help you graduate as a well-prepared job seeker. With course content informed by industry practice and a focus on entrepreneurial thinking, our courses are structured to help you make a successful transition to your career. Opportunities to develop your professional skills include industry projects, placements with industry partners, professional mentoring and hands-on learning in high-tech labs and creative studios.

## VU Employ

VU Employ is a service that provides advice and support along every step of your career journey – from crafting your résumé for casual employment to exploring your graduate career options. VU Employ makes sure you have the skills, experience, confidence and knowledge needed to be job and career ready.

**[vu.edu.au/vu-employ](https://vu.edu.au/vu-employ)**

## Talent Connect Mentoring

This program carefully matches you with a mentor to guide you in the transition from university to work. Through a series of online mentoring sessions, you can gain advice and support regarding your employability skills, career direction, networking and applications. You can also attend career readiness masterclasses.

**[vu.edu.au/talent-connect](https://vu.edu.au/talent-connect)**

## LEAD Program

Our LEAD program is a free, interactive and engaging leadership program for VU students. It is designed to help you become a more effective leader, build important workplace skills and enhance your employability. Take part in our series of leadership workshops and activities throughout your studies. Once you have completed the requirements, the LEAD program will be included on your VU transcript.

**[vu.edu.au/lead2change](https://vu.edu.au/lead2change)**

## Work While You Study

An Australian student visa (subclass 500) allows you to work in Australia for up to 40 hours every two-week period once your course has started. During semester breaks, you can work unlimited hours. Work that is formally registered as a requirement of your course, such as work placements, is not included in the 40-hour limit.

As a result of the COVID-19 pandemic, the Australian Government's Department of Home Affairs has lifted the 40 hour per fortnight working cap for student visa holders in specific industries. This means that you can work for more than 40 hours a fortnight if you are:

- employed in the tourism and hospitality sector
- employed in the agriculture sector
- employed by a registered National Disability Insurance Scheme (NDIS) provider
- employed by an aged care Approved Provider or Commonwealth-funded aged care service provider with a RACS ID or a NAPS ID
- enrolled in a health care related course and you are supporting the health effort against COVID-19, as directed by health officials
- employed in a supermarket, or associated distribution facility, located in an area impacted by COVID-19 lockdown restrictions for the duration of the lockdown.

**[homeaffairs.gov.au/visas](https://homeaffairs.gov.au/visas)**

## Work After Graduation

There are two options available to you if you wish to work in Australia after graduation, under the Temporary Graduate visa (subclass 485) Post-Study Work and Graduate Work.

The Post-Study Work stream is for international students who have recently graduated from an Australian institution, in any discipline. The Graduate Work stream is for international students who have recently graduated with skills and qualifications that are relevant to specific high demand occupations in Australia. Both visas let you live, study and work in Australia temporarily.

**[homeaffairs.gov.au/Trav/Stud/Post](https://homeaffairs.gov.au/Trav/Stud/Post)**

# STUDENT LIFE

At VU, being a student is about more than just study. We have events, clubs and volunteering opportunities to help make your time at VU unforgettable.

VU is a welcoming and inclusive community. Our students were born in 120 different countries, speak over 170 languages and are part of more than 90 different cultures. Joining one of over 60 student clubs or groups is a great way to become part of the VU community and make friends for life.

The fun starts with orientation and O-Fest. We hold orientation sessions specifically for international students about living in Melbourne and getting the most from your VU experience. At O-Fest, you will meet other students, enjoy performances and games, go on campus tours and learn about more of the social and recreational activities at VU.

# STUDENT SERVICES

We want you to achieve your best and to enjoy all the benefits of an international education. To help this happen, we provide a range of support services to help you with your transition to life in Melbourne, your studies and your day-to-day needs.

## Airport Pick-Up

When you first arrive in Melbourne, we can welcome you at the airport and take you to your accommodation. This free service is available if you register your request at least 10 days before your arrival. You will be greeted in the arrivals hall at Melbourne Airport.

**[vu.edu.au/airport-reception](http://vu.edu.au/airport-reception)**

## International Support

Adjusting to a new culture and environment is both exciting and challenging. We can help you understand what's required of you as an international student, and of the opportunities and support available. We can show you how to adjust to a new culture and environment, make new friends and succeed in your studies. This includes pre-departure information, help resolving visa issues, accommodation advice and suggestions on social activities.

**[vu.edu.au/international-support](http://vu.edu.au/international-support)**

## VUHQ

VUHQ is the name of our student service centres and your first point of contact for assistance, advice and support. Located at every campus, VUHQ's friendly student advisers provide personalised advice, and can connect you with the services you need to succeed at VU.

**[vu.edu.au/vuhq](http://vu.edu.au/vuhq)**

## Learning Hubs

You can get advice and support on your university work and career goals in person at our Learning Hubs, and through our 24/7 online service, Learning Hub Tutoring.

We offer daily drop-in sessions and practical workshops dedicated to writing, maths, business, careers, and research support, with further help available via Student Mentor drop-ins and study spaces. Learning Hubs are located at most campuses.

**[vu.edu.au/learning-hubs](http://vu.edu.au/learning-hubs)**

## Disability Services

VU provides advice and assistance for students with a health condition or disability that impacts their study. The condition may be permanent, ongoing, or temporary. Students are invited to attend a confidential meeting with an Accessibility Liaison Officer, who will talk to you about support services available.

**[vu.edu.au/disability](http://vu.edu.au/disability)**

## Counselling Services

Adjusting to university life can be difficult. Free and confidential support is available to help you develop practical skills to better manage your time, money and personal matters so you can make the most of your studies and university life. If required, we can also link you to community organisations for assistance with cultural issues, consumer rights, legal issues and women's support services.

**[vu.edu.au/welfare](http://vu.edu.au/welfare)**

## Digital Experience

A leader in educational technology, we offer a seamless digital experience. As well as more than 150 student computer labs across our campuses, our desktop and application virtualisation system means that all on-campus services and applications are accessible on any device with Internet, anywhere in the world. Our on-campus cybersecurity program also helps you to protect yourself from cybercrime, and we use latest Geofencing technology to offer one-touch security and first-aid assistance.

**[vu.edu.au/IT-services](http://vu.edu.au/IT-services)**

## Download the VU App

The award-winning VU App offers everything you need to navigate your student life, including:

- unit content, assessments, results, exams, timetable and teacher communication
- fees and enrolments
- your Learning Hub account with skill development and career-readiness programs
- interactive campus maps
- your digital ID student card
- IT services and Student Life activities.

**[vu.edu.au/vu-app](http://vu.edu.au/vu-app)**

# SAFE & SECURE

Melbourne is one of the world's most liveable cities and one of the safest to live, work and study in. Melbourne is in the top 10 of The Economist Intelligence Unit's Safe City Index. At VU, the safety of our students and staff is paramount. Australia is also ranked the safest country in the world for women, according to the 2019 Global Wealth Migration Review.

## Orientation Information

Our Orientation events feature information sessions from Melbourne's police, fire and ambulance services. International students receive current advice and emergency contact information. You will receive personal safety tips and access to the VU Safe app.

## Shuttle Buses

Make use of our free shuttle buses connecting the Footscray and St Albans Campuses to their nearest railway stations.

[vu.edu.au/facilities-services](https://vu.edu.au/facilities-services)

## VU Security

VU Security is responsible for security services across all VU campuses. Our emergency contact centre is staffed 24 hours a day, 7 days a week. You can request a security escort, report an incident or seek emergency assistance on campus.

[vu.edu.au/security](https://vu.edu.au/security)

## VU Safe Mobile App

VU Safe is the free, official safety app of VU. It's packed with all the information, tools and features to keep you safe on campus. It includes an emergency alert that allows VU Security to see your location, as well as safety notifications, a tool to request a security escort and a virtual safe walk function. You can download the app for free for iOS and Android.

[vu.edu.au/safety-app](https://vu.edu.au/safety-app)

# STUDENT CLUBS AND VOLUNTEERING

Make friends and learn new skills while you build your résumé. Join one of our clubs, volunteer for student roles or become a student mentor. We have more than 60 clubs to choose from, or you could even start a new club.

## Make Friends from Home

The first social gatherings for many new students are with students from their home country. Our student clubs will help you connect with other students and celebrate your culture. They include the African Society, the Chinese Student & Scholar Society, the Greek Society, the Indian Club, the Indonesian Students Association, the VU Lankan Club, the Malaysian Association and VU Pakistan.

## VU International Student Association (ISA)

ISA is the main group representing international students at VU and provides guidance and advice when students need it most. It organises events and activities for international students including a snow trip, Iftar dinner and Holi festival.

The association also provides practical advice on academic and career opportunities.

## Other Clubs & Societies

Find people who share your interests or learn something new. Our student clubs and societies cover a wide range of interests – from women in science and engineering to screen media, fashion, films, philosophy, politics and religion. We also have clubs for cheerleading, gaming, cricket, soccer, martial arts, swimming, football, badminton, cycling, hockey, snow sports and volleyball. You will meet people, learn new skills and have fun with your peers.

[vu.edu.au/clubs](http://vu.edu.au/clubs)

## VU Student Union (VUSU)

VUSU is the peak body representing and supporting all students at VU. It organises a range of activities including orientation events, an annual ball, mental health training and a series of festivals. VUSU also organises forums to discuss students' views and issues.

[vustudentunion.com](http://vustudentunion.com)

Members of VU's International Student Association

“

BEING A MENTOR HERE IS A GREAT WAY TO LEARN ABOUT NEW CULTURES AND TO HELP STUDENTS FROM DIFFERENT COUNTRIES.

”

**Chhenghuy Brang (Cambodia)**

English for Academic Purposes and  
Master of Business (Enterprise Resource  
Planning Systems)

## Volunteer with VU VOLLIES

The VU VOLLIES program provides students with volunteering opportunities on campus and in the local community. It's a great way for you to make new friends, learn new skills, improve your English and make a positive impact. You can help organise and host student festivals, welcome guests, and assist with events in the local area. Our graduates credit the program with improving their communication and leadership skills. The VOLLIES program will appear on your VU Extra Transcript once you volunteer for more than 30 hours.

**[vu.edu.au/vu-vollies](http://vu.edu.au/vu-vollies)**

## Become a Student Mentor

VU offers experienced and successful students the opportunity to become student mentors. You will receive training in the role, develop your leadership and communication skills and help fellow students adjust to university life and meet their academic goals.

**[vu.edu.au/student-mentors](http://vu.edu.au/student-mentors)**

## Become a Student Ambassador

The VU Student Ambassador program provides opportunities for students to develop communication and networking skills through paid activities. If selected for the program, you will attend key events, meet with people from across the University and the community, and speak on behalf of VU.

**[vu.edu.au/student-ambassadors](http://vu.edu.au/student-ambassadors)**

## VU Extra Transcript

VU Extra Transcript is an official document provided to graduates along with their academic transcript to highlight extracurricular and voluntary activities in approved programs. These activities are automatically added to the document at the end of the course. VU Extra-approved programs include the LEAD Program, International Host Program, VU VOLLIES Program, as well as many more.

**[vu.edu.au/academic-records](http://vu.edu.au/academic-records)**

# ACCOMMODATION

VU offers safe, modern, friendly and fully furnished on-campus student accommodation. It's the perfect home away from home.

## UniLodge Victoria University

VU offers guaranteed accommodation to new and continuing international students, in partnership with UniLodge. This purpose-built, 537-bed student accommodation complex is safe, secure and affordable. It features high-tech study rooms, gourmet kitchens, dining rooms and TV lounges, a barista café, convenience store and rooftop garden, as well as a basketball half-court, BBQ, pool table and table tennis table. There's also a cinema room with access to Foxtel services, gaming consoles and media players.

UniLodge is next to our Footscray Park Campus. It's just a short walk from our Footscray Nicholson Campus and the Footscray Railway Station, which is a 12-minute trip to the centre of Melbourne and our City Flinders Campus.

UniLodge features fully-furnished twin-share studio apartments from A\$150 per week, as well as two and six-bedroom apartments. There is unlimited WiFi, membership to our Residential Life Program and all utilities are included in the cost. It's the perfect option for students wanting to make friends in a safe and supportive environment, while enjoying the convenience of being close to our key campuses.

[vu.edu.au/accommodation-guarantee](http://vu.edu.au/accommodation-guarantee)

## Under 18s

We offer a safe, secure and friendly place to live and study. Our trained staff have police and working with children checks, and offer a special orientation program, single gender apartments, and regular communication with parents or guardians of under 18 students.

ROOM TYPE	ANNUAL COST (52 WEEKS)*
Studio twin-share	From A\$150 per week
6 bedroom multi-share	From A\$199 per week
2 bedroom regular	From A\$305 per week
Studio regular	From A\$289 per week
Studio deluxe	From A\$315 per week

\*These rates are for 2021 and are per person/per week in Australian Dollars. Rates include WiFi, all furniture including bed, desk, study chair, shelves, wardrobe, lounge TV, ceiling fans, hydronic heating, microwave, electric cooktop, full fridge, and secure swipe card access.

## Other Accommodation Options

If you prefer to rent privately, options include:

- Homestays – live with a local family in their home for a minimum of four weeks. VU's preferred homestay provider is the Australian Homestay Network.
- Share houses – rent a room in a house and share facilities
- Private rentals – houses, flats, units and apartments, usually unfurnished
- Short-stay – hotels, hostels and private rooms give you somewhere to stay while you look for longer-term options.

## VU Student Housing Service

Once you arrive in Australia, our student housing service can provide:

- access to the VU student housing database – a free online guide with a list of property vacancies
- a student housing guide with tips, checklists and links
- information about moving in, staying, and moving out of your rental property
- rental information in multiple languages
- support with housing issues.

We recommend booking accommodation before you arrive in Australia, at least for the first few weeks. An inspection should be conducted before agreeing to a long-term private rental or share house arrangement.

# FEES & LIVING COSTS

Before you start your studies, it's a great idea to prepare a budget based on your lifestyle and accommodation choices.

## TUITION FEES

Your tuition fees will be outlined in your offer letter. Fees are charged one semester at a time and are payable before the semester starts. Tuition fees vary by course and may change.

## STUDY COSTS

You might need to buy equipment, textbooks or clothing such as a uniform, for some courses. These costs are separate from your tuition fees. Allow approximately A\$650 for books and stationery each year, plus any compulsory equipment or uniforms.

Other possible study costs include:

- travel to work placements
- graduation ceremony costs
- library expenses (printing/scanning/photocopying).

## LIVING COSTS

As a condition of your student visa you must have enough money to pay the costs of your stay, including your travel and living expenses.

As of October 2019, the 12-month living costs set by the Australian Government are:

- student or guardian – A\$21,041
- accompanying partner or spouse – A\$7362
- accompanying child – A\$3152.

**[studyinaustralia.gov.au](http://studyinaustralia.gov.au)**

To help you prepare for life in Melbourne, here is an indication of some of the costs you may incur. This is an approximate guide only and does not take into account your budget and spending habits.

### Accommodation

- Hostels and guesthouses – \$90 to \$150 per week
- Shared rental – \$95 to \$215 per week
- On-campus at UniLodge Victoria University – \$150 to \$378 per week
- Homestay – \$235 to \$325 per week
- Rental – \$185 to \$440 per week.

### Other living expenses

- Groceries and eating out – \$140 to \$280 per week
- Gas, electricity – \$10 to \$20 per week
- Phone and Internet – \$15 to \$30 per week
- Car (after purchase) – \$150 to \$260 per week
- Entertainment – \$80 to \$150 per week.

**[studyinaustralia.gov.au](http://studyinaustralia.gov.au)**

The Insider Guide's Cost of Living Calculator is another useful way to help estimate your costs in Australia.

**[insiderguides.com.au/cost-of-living](http://insiderguides.com.au/cost-of-living)**

## HEALTH INSURANCE

You must have Overseas Student Health Cover (OSHC) to obtain a student visa. Victoria University can arrange your OSHC for you, which gives you extra benefits over any policy that you can purchase directly. If you would like us to organise cover for you, it will be purchased through Medibank, our preferred supplier. Medibank exclusively offers Comprehensive OSHC to their education partners, and cannot be purchased through other channels. It meets the student visa requirements for all course types and provides a range of added value services that cannot be purchased separately, and are above the Australian Federal Government's minimum requirements.

**[medibank.com.au/overseas-health-insurance/oshc/comprehensive-oshc/](http://medibank.com.au/overseas-health-insurance/oshc/comprehensive-oshc/)**

**[vu.edu.au/health-cover](http://vu.edu.au/health-cover)**

## SCHOOLING FOR CHILDREN

If you have children aged between 5 and 18 years accompanying you to Australia, they must attend school, in accordance with the Victorian Government Schools International Student Program. Your children may be exempt from school fees at government schools if you:

- are a postgraduate research student enrolled in a doctoral (PhD) or masters by research course, and you have a subclass 500 visa: or
- receive a fully-funded award or scholarship from the Australian Government.

**[study.vic.gov.au](http://study.vic.gov.au)**

## TRANSPORT COSTS

Our campuses are easily accessible using Melbourne's public transport network.

As an international student you may be eligible for an iUSEpass, which saves you 50% on an annual travel card, or myki. The annual cost of the iUSEpass is A\$877.50 or less than A\$17 a week. You can use your iUSEpass for all your travel in Melbourne, even if you're just going out with friends.

Students at the Footscray Park Campus

# ENGLISH LANGUAGE REQUIREMENTS

You need to provide evidence that you have completed an approved English language test, not more than two years prior to commencing your studies at VU. Where you have more than one proof of English proficiency, only the most recent qualification and score will be considered. English language requirements are outlined in the following table:

Examination method	Certificate, Diploma and Advanced Diploma. International Foundation	Associate and Bachelor Degree	Postgraduate (including research)
IELTS (Academic Module): Overall score (no band less than)	5.5 (5.0)	6.0 (6.0)	6.5 (6.0)
TOEFL Internet: Test score (no section score less than)	55 (Listening 9, Speaking 16, Reading 10, Writing 18)	67 (Listening 12, Speaking 18, Reading 15, Writing 21)	79 (Listening 19, Speaking 19, Reading 18, Writing 22)
VU English	EAP 4	EAP 5	EAP 6
Pearson Test of English (PTE): Overall score (no section score less than)	42 (40)	50 (50)	58 (50)
C1 Advanced: (formerly Cambridge English): Advanced - CAE)	162 (154)	169 (169)	176 (169)
B2 First (formerly Cambridge English: First (FCE)): Overall score (no band less than)	162 (154)	169 (169)	N/A

## COURSES WITH HIGHER ENGLISH LANGUAGE REQUIREMENTS

Some VU courses require higher English language proficiency to gain entry.

Course title	Course code	IELTS (Academic module) result	Minimum individual band scores				VU English
			Listening	Reading	Writing	Speaking	
Diploma of Education Studies	EDES	6.0	6.0	6.0	6.0	6.0	EAP 5
Bachelor of Early Childhood Education	EBEC	6.5	6.0	6.0	6.0	6.0	EAP 6
Bachelor of Osteopathy	HBSO	6.5	6.0	6.0	6.0	6.0	EAP 6
Graduate Diploma in Early Childhood Education	EGEC	7.0	7.5	6.5	6.5	7.5	N/A

## RECOGNITION OF PRIOR ENGLISH LANGUAGE STUDIES

If you have completed some or all of your academic study in English, we may recognise your prior English language studies for entry into a course.

To qualify for recognition of prior studies in an English language medium, you need to have achieved one of the scores or qualifications listed below, and have achieved this score or qualification within the expected duration.

Courses that have higher English language entry requirements may require a higher achievement level than those listed, or may require a compulsory English language test.

Each application will be assessed on a case-by-case basis and VU reserves the right to ask for English language proficiency test results.

## DIPLOMAS AND ADVANCED DIPLOMAS

Qualification	Requirements
General Certificate of Education (GCE A Levels)	A grade of C (or better) in the subject: English Language.
International Baccalaureate	A minimum of 3 in English (Standard Level).
Australian University Foundation Program	Completion of a recognised foundation program where English is the medium of instruction and assessment (with a pass in approved English subjects), and having completed these studies no more than two years prior to commencing studies at VU. <sup>^</sup>
Secondary schooling or tertiary studies in an English-speaking country (overseas)	Satisfactory completion of two years' (full-time) academic study, completed in the minimum duration, in an accredited institution in the medium of English, and having completed these studies no more than two years prior to commencing studies at VU. <sup>^</sup>
Australian Qualifications Framework qualification (AQF)	Satisfactory completion of one year full-time academic study in an AQF qualification (completed in the standard duration excluding approved intermission) and having completed these studies not more than two years prior to commencing studies at VU. <sup>^</sup>
Senior Secondary School (in Australia)	Australian Year 12 Certificate, Victorian Certificate of Education (VCE) Units 3 and 4 in English with a study score of 20 or EAL with a study score of 25 (or interstate equivalent) or completion of Victorian Certificate of Applied Learning (VCAL).

## BACHELOR DEGREES

Qualification	Requirements
General Certificate of Education (GCE A Levels)	<ul style="list-style-type: none"> <li>A grade of C in the following:</li> <li>AS Level subjects: General Paper, English Language; or</li> <li>A Level subject: English Language</li> </ul>
International Baccalaureate	A minimum of 4 in English (Standard Level) or a minimum of 3 in English (Higher Level).
Australian University Foundation Program	Completion of a recognised foundation program where English is the medium of instruction and assessment (with a minimum grade of 60% in all English subjects). <sup>^</sup>
Australian Qualifications Framework qualification (AQF)	Satisfactory completion of one year of full-time study (Certificate IV or higher) completed in the standard duration, excluding approved intermission and having completed these studies no more than two years prior to commencing studies at VU. <sup>^</sup>
Secondary schooling or tertiary studies in an English-speaking country (overseas)	<p>Satisfactory completion of two years' senior secondary schooling OR two years' (full-time) academic study in a tertiary institution in an English-speaking country where English was the language of instruction and assessment for the whole institution, and having completed these studies no more than two years prior to commencing studies at VU.</p> <p>Where studies were completed more than two but less than five years prior to application, the applicant will be eligible to have their language proficiency accepted without testing if they completed their entire secondary schooling OR two years' (full-time) academic study in a tertiary institution in the English speaking country where English was the language of instruction and assessment for the whole institution.<sup>^</sup></p>
Australian Senior Secondary School Certificate	Victorian Certificate of Education (VCE) Units 3 and 4 in English with a study score of 20 or EAL with a study score of 25 (or interstate equivalent) or Victorian Certificate of Applied Learning - senior (VCAL).

# ENGLISH LANGUAGE REQUIREMENTS

## POSTGRADUATE COURSES

Qualification	Requirements
Postgraduate Australian Qualifications Framework qualification (AQF)	Successful completion of at least one year of full-time academic study completed in the standard duration, excluding approved intermission, and having completed these studies no more than two years prior to commencing studies at VU. <sup>^</sup>
Undergraduate Australian Qualifications Framework qualification (AQF)	Successful completion of at least two years of full-time academic study completed in the standard duration, excluding approved intermission, and having completed these studies no more than two years prior to commencing studies at VU. <sup>^</sup>
Study at an accredited institution in an English speaking country where English is the language of instruction, completed no more than two years prior to enrolment at VU.	Successful completion of at least two years' full-time academic study (at undergraduate degree level) completed in the standard duration, excluding approved intermission, and having completed these studies no more than two years prior to commencing studies at VU. Successful completion of at least one years' full-time academic study (at Masters degree level or higher) completed in the standard duration, excluding approved intermission, and having completed these studies no more than two years prior to commencing studies at VU.
Study at an institution within a non-English speaking country, but where English is the medium of instruction and assessment for the whole institution, completed no more than two years prior to enrolment at VU.	Successful completion of at least two years' full-time academic study (at undergraduate degree level or higher) completed in the standard duration, excluding approved intermission, and having completed these studies no more than two years prior to commencing studies at VU.

### <sup>^</sup>Recognition may apply if:

- the qualification was delivered in Australia or in a specified English-speaking country (Canada – excluding Quebec), Fiji, Republic of Ireland, Kenya, New Zealand, Papua New Guinea, Samoa, Singapore, Solomon Islands, South Africa, United Kingdom, United States of America (excluding Puerto Rico) and Zambia);
- the AQF qualification is delivered at a registered training organisation and listed on [aqf.edu.au](http://aqf.edu.au) and [training.gov.au](http://training.gov.au);
- the course applied for does not have a higher English language proficiency requirement than the requirements outlined;
- the qualification was completed in the minimum duration. Time limitations apply to these qualifications.

Applications that do not meet the above requirements may be considered on a case-by-case basis, providing:

- the most recent studies were of at least two years in duration;
- were conducted solely in English (language of instruction and assessment); and
- were completed no more than two years prior to commencement of studies at Victoria University.

Each application will be assessed on a case-by-case basis and Victoria University reserves the right to request further evidence.

Time limits may apply to English language requirements.

### Additional requirements

In some cases you may be required to provide additional information to be eligible for entry into a specific course.

Check the entry requirements for specific courses in this guide and ensure you submit this with your application.

# ENTRANCE REQUIREMENTS

For entry into our foundation, diploma, undergraduate and postgraduate courses

Meeting the minimum admission requirements means you are eligible to apply for our courses but does not guarantee you entry into the course. Some courses receive more applications than the number of places available and may require additional selection criteria such as minimum age, prerequisites, personal statement, interview, audition, etc which are considered together with your academic qualifications.

Check the minimum academic requirements for entry into our foundation, diploma, bachelor (undergraduate) and postgraduate (coursework and research) courses according to the qualifications in your country. If your qualification is not listed and you would like to know if you meet the minimum entry requirements, you can submit an online enquiry by visiting [eaams.vu.edu.au/enquiry](http://eaams.vu.edu.au/enquiry)

	Bachelor courses	Completed with an overall result of at least	8 <sup>13</sup>
	Masters (by Coursework)	Completed with a degree classification of	Second Class Honours Lower Division
Masters degree with thesis or admissible degree	Doctor of Philosophy and research doctorates	Completed with a degree classification (as awarded on degree certificate) of	Second Class Honours Upper Division
SRI LANKA			
Sri Lankan O Levels	Foundation Studies (Standard)	Completed with a grade of	C in 2 academic subjects and S in 3 academic subjects
	Foundation Studies (Extended)	Completed with a grade of	C in 1 academic subject and S in 3 academic subjects
Sri Lankan A Levels	Foundation Studies (Standard)	Completed with a grade of	S in 3 academic subjects
	Foundation Studies (Extended)	Completed with a grade of	S in 2 academic subjects
	Diploma	Completed with a grade of	C in 1 academic subject and S in 2 academic subjects (CSS)
	Bachelor courses	Completed with an overall score of	9 (CCC) <sup>14</sup>
Diploma, Higher Diploma or Associate Degree	Bachelor courses	Completed with a GPA of	2.3 (out of 4)
Bachelor degree	Masters (by Coursework)	Completed with an overall average of	55%
Masters degree with thesis or admissible degree	Doctor of Philosophy and research doctorates	Complete a degree classification (as awarded on degree certificate) of	First Class Pass (70%)
		Completed with a GPA (as reflected on transcript) of	3.3 (out of 4)

# ENTRANCE REQUIREMENTS

Highest qualification	VU course	Level of completion	Result
TAIWAN			
Senior High School Leaving Certificate	Diploma	Completed with an overall average of at least	65%
	Bachelor Courses	Completed with an overall average of at least	70%
Bachelor degree	Masters (by Coursework)	Completed with an overall average of at least	60%
THAILAND			
Matayom 6 (Certificate of Secondary Education)	Diploma	Completed with a GPA of	2 (out of 4)
	Bachelor courses	Completed with a GPA of	2.5 (out of 4)
Bachelor degree	Masters (by Coursework)	Completed with a GPA of	2.5 (out of 4)
Masters degree with thesis or admissible degree	Doctor of Philosophy and research doctorates	Completed with a GPA (reflected on the transcript) of	3.3 (out of 4)
TURKEY			
Devlet Lise Diplomasi (High School Diploma)	Foundation Studies (Standard)	Completed with an overall average of	50%
	Diploma	Completed with an overall average of	55% or 3.0 (out of 5)
Bachelor degree	Bachelor Courses	Completed (the first year) with an overall average of	60%
	Masters (by Coursework)	Completed with an overall average of at least	60%
VIETNAM			
Year 11	Foundation Studies (Standard)	Completed with an overall average of	6 (out of 10)
Bang Tot Nghiep Pho Thong Trung Hoc (Secondary School Graduation Certificate)	Diploma	Completed with an overall average of	6.5 (out of 10)
	Bachelor courses	Completed with an overall average of	8 (out of 10)
Bang Tot Nghiep Cao Dang	Bachelor courses	Completed with an overall average of	7 (out of 10)
Cu Nhan Cao Dang	Bachelor courses	Completed with an overall average of	7 (out of 10)
Bang Tot Nghiep Dai Hoc (Bachelor degree)	Bachelor courses	Completed (the first year) with an overall average of	6.5 (out of 10)
	Masters (by Coursework)	Completed with an overall average of	6 (out of 10)
Masters degree with thesis or admissible degree	Doctor of Philosophy and research doctorates	Completed with an overall average (in all subjects) of	7 (out of 10)

- Marks are calculated as a total of 3 Advanced Level subjects in the same academic year, where the mark of A\*/A=5, B=4, C=3 D=2 and E=1. Any prerequisite subjects require a C or above. The qualification must be awarded by an approved examining board.
- Successful completion of the National Examination is required.
- The province the examination was completed in and the stream of subjects undertaken are relevant to the score required.
- Where 60 is the passing mark.
- Average of a minimum of 4 core academic subjects (excluding local language).
- Average of a minimum of 4 core academic subjects (excluding local language). Qualifications are assessed on an individual basis.
- Academic requirements may vary depending on the institution at which the qualification was obtained.

- Successful completion of the National Examination is also required. Overall average of academic subjects and examinations as shown on the final transcript.
- Grade calculation is based on a total of 3 Subject Grade Points (SGP) of the academic subjects only where A = 4, A- = 3.67, B+ = 3.33, B = 3, B- = 2.67, C+ = 2.33, C = 2, C- = 1.67, D+ = 1.33, D = 1 and F=0.
- Calculation of grade is based on an average of the best five subjects (maximum of two languages can be included) where A1 = 1, A2 = 2, B3 = 3, B4 = 4, B5 = 5, B6 = 6, C7 = 7, C8 = 8 and F = 0.
- Marks are calculated as a total of 3 Advanced Level subjects where A\*/A=5, B=4, C=3, D=2 and E=1 in the same academic year. Any prerequisite subjects require a C or above.
- Average is calculated on a 1-5 scale with 1 being the highest grade. On a 1-4 scale, 4 is the highest grade.

- Marks are calculated from 3 H2 level subjects where A=5, B=4, C=3, D=2 and E=1. H1 subject marks are calculated as half points where A=2.5, B=2, C=1.5, D=1 and E=0.5. Any prerequisite subjects require a C or above.
- Total score of a maximum of the best 3 A Level subjects taken in one examination sitting, where A=5, B=4, C=3 and S=1. Any prerequisite subjects require a C or above.

Qualification standards displayed are indicative only and achieving one of these levels does not guarantee a place in a VU course. VU reserves the right to adjust these at any time. Where the highest qualification referred to is a bachelor or master's degree, meeting the entrance requirement does not waive the requirement for the entry degree to be assessed as comparable to an Australian bachelor degree or higher. Some courses, such as Bachelor of Laws and Master's (by Research), require academic results that are higher than results stated. Please refer to [vu.edu.au/study-at-vu/how-to-apply/international-applicants/entry-requirements](http://vu.edu.au/study-at-vu/how-to-apply/international-applicants/entry-requirements)

**NOTE:** \*Information and fees listed above are for international students commencing a course in 2022. Fees are subject to approval and may change. For some courses, equipment and clothing is required at an additional cost to the course fees listed in this guide, and we recommend you check the website. ^^Intakes are February/March (1), July/August (2) and October/November (3). ^^IELTS requirement is based on academic test module (overall score, no band less than). \*All research fees are indicative and depend on field of research studied. \*\*From April 2022. †February 2022 only. ‡Entry requires HBSO as a prerequisite. ‡Entry requires CHC30113 as a prerequisite. \$High-achieving students in NBIT will be eligible to transfer into NBIP to take part in a 12-month paid IT internship. Visit [vu.edu.au/bachelor-of-it-professional-placement-scholarship-application](http://vu.edu.au/bachelor-of-it-professional-placement-scholarship-application) for more information. Entry requirements, fees, and CRICOS information in this guide are for courses at VU campuses in Melbourne only.

# HOW TO APPLY

## 1. Choose Your Course

More information about all our international courses is available at [vu.edu.au](http://vu.edu.au). It includes information specifically for international students. Check the entrance requirements and the course details.

**[vu.edu.au/courses/international](http://vu.edu.au/courses/international)**

## 2. Collect Supporting Documents

Gather the documents required to support your application. Providing the correct documents when you apply will ensure your application is processed promptly.

This may include:

- signed International Declaration Form
- a certified copy of the identity pages in your passport
- evidence of English language proficiency
- certified copies of your academic transcripts and graduation certificates
- VU Background Information Checklist and Financial Declaration
- Advanced Standing or Recognition of Prior Learning forms

## 3. Apply Online

Go to **[eaams.vu.edu.au](http://eaams.vu.edu.au)** to apply and attach the supporting documents.

The online system also allows you to:

- check your application status
- respond to University comments and requests
- accept your offer.

Make sure the information you enter and your signature match your passport.

## 4. Accept Your Offer

Log into your VU account to check your application status. If you have a conditional offer it means you need to provide more information. Once you receive a full offer you need to:

- sign your International Student Written Agreement
- pay your tuition fee.

Make sure your full name and signature match your passport. Once we have processed your acceptance, we will send you a Confirmation of Enrolment (CoE) that you need to apply for a student visa.

## 5. Arrange a Student Visa

Australia's Department of Home Affairs issues student visas. Student visa processing times can vary, so you should accept your offer as early as possible to have as much time as possible to apply for your visa. If you wish to commence your studies by Online Real-Time (ORT) learning before you are able to arrive in Australia and wish to count this time towards a post-study work visa, you must have a student visa even if you are studying outside of Australia.

For more information, go to **[homeaffairs.gov.au/visas](http://homeaffairs.gov.au/visas)**.

## 6. Enrol Online

You can enrol online before you arrive in Australia if you are studying a higher education diploma, bachelor or postgraduate (coursework) program. You can also arrange your timetable, check results, access emails and view tuition fees online. If you are studying a foundation, English language, TAFE or research program, you will enrol in person.

## EDUCATION AGENTS

You may wish to apply through a VU-approved education agent. Some agents may charge a fee for their services, so ask what the costs are before making an appointment. VU may require you to apply through an agent. If we require this, we will ask you to appoint an agent if you apply directly to us. To find a VU-registered agent near you, visit **[eaams.vu.edu.au/BrowseAgents.aspx](http://eaams.vu.edu.au/BrowseAgents.aspx)**
