Digital Media AMIDIG

Digital media is a ubiquitous force transforming how we work, interrelate and communicate. Once a technology located within the area of work, digital media is moving into all areas of everyday life, and practitioners are required to develop new applications such as in the areas of entertainment, health and education. Concurrently, technology is now at a point where those with higher education level digital media can co-opt technology to create projects.

Visual Art AMIVSU

The Visual Art minor provides students with an integrated set of units that will develop student individual art making practices and broaden student experience and understanding of fine art history and theory. Undertaking this minor will allow students to conceive, produce and critique artworks incorporating methodologies of painting and drawing. Through theoretical content, discourse and research of significant artists, students will make rigorous critical analytical and interpretative thinking about art and develop the capacity to apply creative thinking and innovation broadly. During the minor students will engage with arts professionals and the visual arts community, visit exhibitions and write reviews.

Writing AMIWRI

The Writing minor is designed for students who enjoy writing and who want to develop practical and analytical skills, combined with a sound theoretical understanding, in the area of creative and professional writing. Lectures and practical writing workshops give students a firm foundation in a range of writing genres, including fiction writing, memoir, journalism and editing. All units balance the practical development of expertise in writing, and analysis of the writing of others, within a broader social and cultural context.
