Hair, Barbering, Beauty & Wellness

## Hair, barbering & beauty salon

Aura is a simulated salon environment where clients can relax and experience a range of hair, barbering and beauty services in one pampering location.

Students will also have the opportunity to perfect their customer service and retail skills. Please allow additional time for services and treatments to be completed.

We are proud partners of Sustainable Salons. All services incorporate a \$2 Green Fee to help minimise our carbon footprint.

All services are subject to availability & class schedules.
