Core/Elective Core (a unit that must be completed) & Elective (you have some choice in what you select).

Prerequisites A number of units within the degree have 'prerequisites'. These prerequisites must be met before enrolment in the unit is permitted. Generally these prerequisites require the successful completion of a unit or units taken at an earlier stage in the course. Students should pay particular attention to these prerequisite requirements as failure to meet these can seriously hinder progression through the course.

Business Majors:

Students must complete ONE of the Business Majors. Some majors contain extra requirements that may extend the duration of the course.

Accounting BMAACT

After developing a solid grounding in business in your first year, customise your degree with a major in Accounting. Students must also complete BMIPAC Professional Accounting as part of their undergraduate course. Graduates with an Accounting major can gain employment in accounting practices, medium and large corporations, the public sector and not-for-profit organisations.

By completing all units in this major, along with the Professional Accounting minor, graduates are eligible for admission into the CPA and the Chartered Accountants Australia and New Zealand Programs.

Event Management BMAEVT

After developing a solid grounding in business in your first year, customise your degree with a major in Event Management.

This major provides a set of integrated units to develop a theoretical and practical understanding of the events sector. It builds on the minor in Events Management to equip students with the knowledge and skills to be successful in the planning, management, implementation and evaluation of event services and experiences. Graduates will be equipped with the skills and knowledge to enter the events sector after undertaking a range of studies that will allow them to apply both theoretical and operational knowledge whilst acting with integrity.

The major includes capstone units that provide students with the opportunity to draw on their prior learning in the course and further develop the capacity to apply this learning in new contexts. Strong connections exist to the events industry, offering volunteering, working and networking opportunities to assist students in getting a head start. The Bachelor of Business with a major in Events Management has for over 15 years produced industry leading graduates who have honed solid business and operational skills, and real-life working experience gained through a mandatory work-integrated learning unit.

Financial Risk Management BMAFNR

After developing a solid grounding in business in your first year, customise your degree with a major in Financial Risk Management.

This major allows you to start your career in financial planning and financial risk management in any modern financial services industry. The recent financial crises, global and regional, have highlighted the need for higher level thoughtful planning which is essential for the long term sustainability of the financial sector, and this course will expose you to the knowledge and skills necessary to meet the challenges. If you, however, choose to build a career in the Australian financial sector, or in the neighbouring region, studying in Australia will be a definite advantage because completing the full course equips you with the practical knowledge in the areas of financial planning, risk management and insurance, investment and portfolio management, taxation law, superannuation, and estate planning.
