

Table A1: 512 sectors in the TERM-USA database for 70 regions

This document shows the 512 sectors available as part of the customised packages in the TERM-USA database.

	Agriculture	44	Oil and gas drilling	87	Cheese
1	Hay & forage	45	Oil and gas support services	88	Dairy products except canned and dried
2	Almonds	46	Other mining support services	89	Ice-cream
3	Apples		Electricity & utilities	90	Animal slaughtering and processing
4	Other fruit & nuts	47	Biomass electricity generation	91	Meat
5	Vegetables	48	Coal-fired electricity generation	92	rendered and meat by-product processing
6	Other broad acre	49	Gas-fired electricity generation	93	Poultry processing
7	Poultry and eggs	50	Hydroelectric generation	94	Seafood
8	Sugar cane	51	Nuclear electricity generation	95	Frozen cakes
9	Oilseeds	52	Renewable electricity generation	96	Bread
10	Beef cattle	53	Electricity distribution	97	Cookies
11	Miscellaneous agriculture	54	Natural gas distribution	98	Prepared dough
12	Corn	55	Water and sewage services	99	Pasta
13	Cotton		Construction	100	Tortilla
14	Dairy cattle	56	Single family residential building construction	101	Nuts and peanut bars
15	Grapes	57	Multifamily housing construction	102	Other snacks
16	Nursery	58	Residential additions construction	103	Coffee and tea
17	Hogs	59	Farm residential construction	104	Flavored syrups
18	Other fruit	60	Manufacturing industry construction	105	Mayonnaise and other dressings
19	Other livestock	61	Commercial and institutional building construction	106	Spices
20	Citrus	62	Highway, street and bridge construction	107	Other food manufactures
21	Potatoes	63	Utility construction	108	Soft drinks
22	Rice	64	Other new construction	109	Breweries
23	Sorghum	65	Maintenance and repairs on housing	110	Wineries
24	Soybean	66	Maintenance and repairs on non-residential buildings	111	Distilleries
25	Strawberries	67	Maintenance and repairs on streets	112	Tobacco stemming and redrying
26	Sugar beet	68	Other maintenance and repairs	113	Cigarette
27	Tobacco		Food processing	114	Other tobacco products
28	Tomatoes	69	Dog and cat food		Textiles, clothing & footwear
29	Turkeys	70	Other animal food	115	Fibers and yarns
30	Wheat	71	Flour mill products	116	Broad fabrics
	Forestry, hunting	72	Rice milling	117	Narrow fabrics
31	Logging	73	Malt	118	Nonwoven fabrics
32	Forestry and timber	74	Wet corn milling	119	Knit fabric mills
33	Fishing	75	Soybean processing	120	Textile and fabric finishing
34	Hunting and trapping	76	Other oil seed processing	121	Fabric coating mills
35	Agricultural and forestry services	77	Fats and oils	122	Carpet and rug mills
	Mining	78	Breakfast cereals	123	Curtain and linen mills
36	Oil and gas	79	Sugar manufacturing	124	Textile bag and canvas mills
37	Coal mining	80	Confectionary chocolate	125	Tire cord and tire fabric mills
38	Iron ore mining	81	Confectionary cacao	126	Miscellaneous textiles
39	Copper and nickel mining	82	Confectionary other	127	Sheer hosiery mills
40	Gold and other metal mining	83	Frozen food	128	Other hosiery and sock mills
41	Stone	84	Fruit and vegetable processed	129	Apparel
42	Sand and gravel	85	Milk	130	Apparel accessories
43	Other non-metallic minerals	86	Butter	131	Leather

132	Footwear	174	Plastics material and resin manufacturing	216	Other concrete products
133	Other leather products	175	Synthetic rubber	217	Lime
	Wood, paper & printing	176	Cellulosic organic fiber	218	Gypsum
134	Sawmills	177	Noncellulosic organic fiber	219	Abrasives
135	Sawmills and wood preservation	178	Nitrogenous fertilizer	220	Cut stone and stone product
136	Reconstituted wood product manufacturing	179	Phosphate fertilizer	221	Ground or treated mineral and earth
137	Veneer and plywood manufacturing	180	Pesticide	222	Mineral wool
138	Engineered wood and truss manufacturing	181	Pharmaceuticals and medicines	223	Miscellaneous non-metallic mineral products
139	Wood window and door manufacturing	182	Paint		Metal products
140	Cut stock, resawing lumber and planing	183	Adhesives	224	Iron and steel mills
141	Other millwork	184	Soap and detergent	225	Electrometallurgical ferroalloy product
142	Wood container and pallet manufacturing	185	Polish	226	Steel wire drawing
143	Mobile home manufacturing	186	Surface active agent	227	Alumina
144	Prefabricated wood building manufacturing	187	Toilet preparation	228	Aluminium
145	Miscellaneous wood products	188	Ink	229	Aluminium sheet
146	Pulp mills	189	Explosives	230	Other aluminium products
147	Paper mills	190	Custom compounding of purchased resins	231	Copper smelting
148	Paperboard containers	191	Photographic film and related products	232	Other nonferrous metals
149	Laminated aluminium foil for flexible packaging	192	Miscellaneous chemicals	233	Copper rolling, drawing, extruding and alloying
150	Paperboard		Rubber, plastics, ceramics, glass	234	Other nonferrous rolling, drawing, extruding and alloying
151	Coated paper packaging	193	Plastics packaging	235	Nonferrous secondary smelting
152	Paper bags	194	Plastics pipe, pipe fitting and unlaminated profile shape	236	Ferrous foundries
153	Die-cut paper and paperboard office supplies	195	Laminated plastics plate	237	Aluminium foundries
154	Envelopes	196	Plastics bottle	238	Iron and steel forging
155	Stationery	197	Resilient floor covering	239	Nonferrous forging
156	Sanitary paper product	198	Plastics plumbing fixture	240	Custom roll forming
157	Other paper product	199	Foam product	241	Other forging and stamping
158	Business forms	200	Tires	242	Cutlery
159	Books printing	201	Rubber and plastic hoses and belting	243	Hand and edge tools
160	Blank book, loose-leaf binders and devices	202	Other rubber products	244	Saw blades
161	Printing	203	Vitreous china plumbing fixture	245	Kitchen utensils
162	Binding	204	Vitreous china, fine earthenware and other pottery	246	Prefabricated metal buildings
163	Prepress services	205	Porcelain electrical supply	247	Fabricated structural metals
	Petroleum & chemicals	206	Brick and structural clay tiles	248	Plate work and fabricated structural products
164	Petroleum refineries	207	Ceramic tiles	249	Metal windows and doors
165	Asphalt paving mixture	208	Nonclay tiles	250	Sheet metal work
166	Asphalt shingle and coating materials	209	Clay refractory	251	Ornamental and architectural metal products
167	Petroleum oil and grease	210	Glass containers	252	Power boilers and heat exchangers
168	Other petroleum products	211	Other glass products	253	Metal tanks
169	Petrochemicals		Other non-metallic mineral products	254	Metal containers
170	Industrial gases	212	Cement	255	Hardware
171	Synthetic dyes and pigments	213	Ready mix concrete	256	Spring and wire products
172	Other inorganic chemicals	214	Concrete block and pipe	257	Machine shops
173	Other organic chemicals	215	Concrete pipe	258	Bolts, nuts, screws, rivets and washers

259	Metal heat treating	304	Measuring and dispensing pumps	349	Switchgear and switchboard apparatus
260	Metal coating and engraving	305	Elevators	350	Relays
261	Electroplating, plating, polish, anodizing and coloring	306	Conveyors	351	Storage batteries
262	Metal valves	307	Hoists	352	Primary battery manufacturing
263	Roller and ball bearings	308	Industrial truck, tractor, trailer and stacker machinery	353	Fiber optic cable
264	Small arms	309	Power driven hand tools	354	Other wire
265	Other ordnance	310	Welding equipment	355	Wiring devices
266	Fabricated pipe and pipe fitting	311	Packaging machinery	356	Carbon and graphite products
267	Industrial patterns	312	Industrial furnaces	357	Miscellaneous electrical equipment
268	Enameled iron and metal sanitary ware	313	Fluid power cylinders and actuators		Transport equipment
269	Miscellaneous fabricated metals	314	Fluid power pumps	358	Automobiles
270	Ammunition	315	Scales	359	Heavy trucks
	Machinery		Electronic, electrical & IT		
271	Farm machinery	316	Computers	360	Vehicle bodies
272	Lawn equipment	317	Computer storage devices	361	Truck trailers
273	Construction machinery	318	Computer terminals	362	Motor homes
274	Mining machinery	319	Other computer peripheral equipment	363	Travel trailers and campers
275	Oil and gas machinery	320	Telephones	364	Vehicle parts
276	Sawmill machinery	321	Broadcasting equipment	365	Aircraft
277	Plastic and rubber industry machinery	322	Other communications equipment	366	Aircraft engines
278	Paper industry machinery	323	Audio and video equipment	367	Other aircraft parts
279	Textile machinery	324	Electron tubes	368	Missiles
280	Printing machinery	325	Semiconductors and related devices	369	Missile parts
281	Food machinery	326	Other electronic	370	Railroad rolling stock
282	Semiconductor machinery	327	Electro-medical and electrotherapeutic	371	Ships
283	Other industrial machinery	328	Search, detection, navigation, guidance etc	372	Boats
284	Office machinery	329	Environmental control manufacturing	373	Motor bikes
285	Optical instruments and lens	330	Instruments controlling industrial processes	374	Army tanks
				375	Other transport equipment
286	Photographic and photocopying equipment	331	Fluid meters		Other manufactures
287	Other commercial and service machinery	332	Electricity and electric signal testing instruments	376	Wood kitchen cabinets and countertops
288	Vending machinery	333	Laboratory instruments	377	Upholstered household furniture
289	Air purification equipment	334	Radiation instruments	378	Non-upholstered household furniture
290	Fans and blowers	335	Watches and clocks	379	Metal household furniture
291	Heating equipment	336	Software reproduction equipment	380	Institutional furniture
292	Air-conditioning equipment	337	Audio and video reproduction equipment	381	Other institutional and household furniture
293	Industrial mould manufacturing	338	Magnetic and optical recording media	382	Wood office furniture
294	Cutting machinery	339	Light bulbs	383	Custom architectural woodwork
295	Forming machinery	340	Light fixtures	384	Office furniture except wood
296	Die, tool and jig manufacturing	341	Electric housewares and fans	385	Showcases, partitions, shelving and lockers
297	Tool and machine tool accessory	342	Household vacuum cleaners	386	Mattresses
298	Rolling mill machinery	343	Household stoves	387	Blinds and shades
299	Engines, turbines and Power transmission	344	Household refrigerators	388	Laboratory apparatus and manufacturing
300	Other engine equipment	345	Household laundry appliances	389	Surgical medical instruments
301	Speed changing, industrial high speed drive and gear manufacturing	346	Household appliances other	390	Surgical appliances and supplies
302	Pumps	347	Power, distribution and specialty transformers	391	Dental equipment and supplies
303	Air and gas compressors	348	Motors and generators	392	Ophthalmic goods

393	Dental laboratories		Business & professional services		Other services
394	Jewelry	434	Real estate services	474	Performing arts
395	Sport Goods	435	Automobile rentals	475	Spectator sports
396	Toys	436	Video rentals	476	Independent artists
397	Office Supply	437	Machinery and equipment rentals	477	Promoters
398	Signs	438	General rentals	478	Museums and zoos
399	Gaskets	439	Lessors of Nonfinancial Intangible Assets (except Copyrighted Works)	479	Fitness centers
400	Music Instruments	440	Legal services	480	Bowling
401	Brooms	441	Accounting services	481	Other amusement services
402	Caskets	442	Architectural engineering services	482	Hotels
403	Miscellaneous manufacturing	443	Other design services	483	Other accommodation
	Transport & trade services	444	Customized computer programming	484	Eating and drinking places
404	Wholesale trade	445	Computer system design	485	Car washes
405	Air transport	446	Other computing services	486	Automobile repairs
406	Rail transport	447	Management consulting services	487	Electrical equipment repairs
407	Water transport	448	Environmental consulting services	488	Machinery repairs
408	Truck transport	449	Residential development services	489	Household goods repairs
409	Transit and ground passenger transport	450	Advertising services	490	Personal care services
410	Pipelines	451	Photography services	491	Death care services
411	Scenic and transport support services	452	Veterinary services	492	Cleaning and laundering services
412	Postal services	453	Miscellaneous professional services	493	Other personal services
413	Couriers	454	Company management services	494	Religious organizations
