This information is also available online on the University’s searchable courses database at www.vu.edu.au/courses

NOTE: Courses available to international students are marked with the (I) symbol.

**Bachelor of Laws/Bachelor of Business**

**Course Code:** BBL3

**Campus:** Footscray Park, City Queen, City Flinders.

**About this course:** We understand that students’ need to determine personal paths in life, customising a degree leading to individual careers. The Bachelor of Laws/Bachelor of Business offers students the flexibility and the professional development needed to do this. This double degree meets academic and professional requirements for graduates to be admitted to legal practice in Australia. It also offers graduates the opportunity to develop their skill, knowledge and professional acumen across a range of business specialisations, preparing them for careers in the legal community, business and government. This course provides a focus on both practical and theoretical learning, both in legal profession and in other business settings.

**Course Objectives:** On successful completion of this course, students will be able to:

1. Integrate conceptual understandings of the Australian legal system, fundamental areas of legal and business knowledge and relevant specialist bodies of knowledge within the disciplines of law and business;
2. Review, analyse, adopt and apply broad and coherent theoretical and technical knowledge of law and business and underlying principles and concepts in diverse contemporary local and international comparative contexts;
3. Identify, articulate and respond to legal and business issues by analysing and applying information with initiative and judgement in order to both anticipate and creatively solve problems and promote justice in authentic/contemporary professional, community and global settings;
4. Exhibit professional accountabilities and ethical judgement, by evaluating, synthesising and adapting knowledge, skills, legal reasoning and research to make appropriate responses to legal issues that reflect the legal, social, political and contextual factors;
5. Communicate a clear, coherent and independent exposition of knowledge and skills appropriate for legal and non-legal audiences, in both oral and written form;
6. Reflect on personal learning and skills in relation to career goals and implement effective, creative strategies to promote lifelong learning and pathways to further learning including a commitment to ongoing professional development;
7. Apply personal and interpersonal competencies including organisational and collaborative skills, necessary to operate in the immensely divergent and complex global and Australian cultures; and
8. Contribute effectively, with personal accountability for outcomes in a dynamic 21st century work team, working in an ethical and socially responsible manner.

**Careers:** Graduates will meet the academic requirements as required by the Victorian Legal Admissions Board. Admission as an Australia lawyer can be obtained after successful completion of the ‘practical legal training’ requirements. They also have the opportunity to begin careers in a legal capacity in a government department or agency such as Treasury or Foreign Affairs or a federal level or in state government.

They may also begin a career in community legal centres supporting legal access in particular geographic locations. There is also the opportunity to begin a career in-house in a profit or non-profit business. This is where the flexibility of the Bachelor of Business really allows graduates to focus their career opportunities, by developing their skill, knowledge-base and professional acumen in their business specialisation of choice.

**Course Duration:** 5 years

**Admission Requirements:** Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4; a study score of at least 30 in English (EAL) or 25 in any other English.

**Admission Requirements Mature Age:** Completion of an Australian Senior Secondary Certificate more than two years ago. PWS: Units 3 and 4; a study score of at least 25 in English (EAL) or 20 in any other English (or equivalent).

### Bachelor of Laws (Honours) / Bachelor of Arts

**Course Code:** LHWA

**Campus:** Footscray Park, City Queen.
About this course: We understand students’ need to determine personal paths in life, creating a degree leading to individual careers. The Bachelor of Laws (Honours) / Bachelor of Arts offers students the flexibility needed to do this. This double degree provides the student with a broad ranging program so that the student can meet the academic and professional requirements in law for admission to legal practice in Australia. It also offers graduates the opportunity to develop their skill, knowledge and professional acumen across a range of Arts specialisations, preparing them for careers not only in the legal community, but also in the corporate and community sectors, government and nongovernment organisations. The course provides a focus on both practical and theoretical learning. Achieving an Honours degree in law indicates strong academic ability and readiness for higher degree studies.

1. Integrate conceptual understandings of the Australian legal system, fundamental areas of legal and ethical knowledge, and relevant specialist bodies of knowledge within the disciplines of law and humanities.
2. Review, analyse, adapt and apply broad and coherent theoretical and technical knowledge of law and Arts specialisation areas and underlying principles and concepts in diverse contemporary local and international comparative contexts.
3. Identify, articulate and respond to legal issues by applying and understanding information with initiative and judgment in order to both anticipate and creatively solve problems and promote justice in authentic/contemporary professional, community and global settings.

5. Communicate a clear, coherent and independent exposition of knowledge and skills appropriate for legal and non-legal audiences, in both oral and written form.
6. Reflect on personal learning and skills in relation to career goals and implement effective, creative strategies to promote lifelong learning and pathways to further learning including a commitment to ongoing professional development.
7. Apply personal and interpersonal competencies, including organisational and collaborative skills, necessary to operate in the immensely divergent and complex global and Australian cultures.

Careers: The Bachelor of Laws (Honours) / Bachelor of Arts will continue to produce graduates with a comprehensive knowledge of law and contemporary issues concerning society, ensuring that they are “profession ready” and suitably equipped for a successful career in the legal profession, corporate sector, government, nongovernment organisations or the community sector. Graduates of the Bachelor of Laws (Honours) / Bachelor of Arts meet the academic and professional requirements to be admitted to legal practice in Australia.
