

Bachelor of Applied Movement Sciences / Master of Physiotherapy

Course code: HCPT

Course Requirements

To attain the Bachelor of Applied Movement Sciences / Master of Physiotherapy, students will be required to complete 432 credit points consisting of:

- 288 credit points in the Bachelor of Applied Movement Sciences
- 144 credit points in the Master of Physiotherapy (4 additional units "nested" within the final 4 units of the Bachelor of Applied Movement Sciences)

Students are required to enrol in all units for semester 1 and 2, and are not permitted to enrol in more than 48 credit points per semester as a full-time load.

Credit Points

A credit point is used to measure the study load for a unit. A standard unit consists of 12 credit points, with each completed unit's credit points adding up to meet your required total of credit points to complete your course.

Further Information

Unit and course information is available from the University course search site at <http://vu.edu.au/course-search> or go to <https://askvu.vu.edu.au> or Phone VUHQ on 03 9919 6100

Campus

Footscray Park (FP)

College

College of Sport, Health and Engineering

Study Mode

AHE1107	Human Growth and Lifespan Development	Core	2B3	12	FP	
RBM1200	Functional Anatomy of the Limbs	Core	2B4	12	SA	

Prerequisites

A number of units within the degree have 'prerequisites'. These prerequisites must be met before enrolment in the unit is permitted. Generally these prerequisites require the successful completion of a unit or units taken at an earlier stage in the course. Students should pay particular attention to these prerequisite requirements as failure to meet these can seriously hinder progression through the course.

Core

A unit that must be completed

Year 2

Unit Code	Unit Title	Unit Type	Sem	Credit Points	Campus	Pre-Requisites
HPT2001	Biomechanics in Physiotherapy	Core	1B1	12	FP, SCL
