Further information regarding placement units:

SSM2011 Workplace Readiness in Sport

This unit will support students into career maturity as they approach graduation, with a sharp focus on the sport and recreation sectors. Students will also hands-on experience through real-world work settings, including internships, industry-linked projects, and voluntary work relevant to their courses.

Placement: 60 hours

Contact: Ruth.Gadsby@vu.edu.au

AEB3803 Professional Practice

Professional Practice provides the authentic context for a collaboration of student youth and community work practitioners, their community sector mentors and the university, to understand and enhance youth or community work professional practice. The practical experiences of student youth or community workers in partnerships are also the basis of their critical reflection and theorising on practice, which leads to sustainable improvement and change. As each placement is unique, students are required to negotiate their tasks, responsibilities and timelines with their agency supervisor and undertake regular supervision to reflect on their practice.

Due to accreditation requirements from Youth Workers Australia, this unit has an attendance requirement of 80% and students must successfully complete all assessments to pass the unit. This is to ensure that the course maintains the standards and benchmarking set out by the accreditation body.

Placement: 200 hours. Students undertake placement for 8 hours, 1-2 days a week for a period of 20-25 weeks until total hours are achieved.
