Core/Elective Core (a unit that must be completed) & Elective (you have some choice in what you select).

Prerequisites A number of units within the degree have 'prerequisites'. These prerequisites must be met before enrolment in the unit is permitted. Generally these prerequisites require the successful completion of a unit or units taken at an earlier stage in the course. Students should pay particular attention to these prerequisite requirements as failure to meet these can seriously hinder progression through the course.

Placement: The Clinical Learning Office supports the collection and verification of Mandatory Documentation and Placement Allocation for this course via VU WIL. Students requiring support with queries relating to this must contact the [Clinical Learning Office](#) for assistance.

Date of Publication: This information is accurate as of October 9, 2026 and applies to students beginning during the specified intake period. It is provided for informational purposes only and does not constitute a contract between any individual and Victoria University. Students starting in a different intake or unable to follow the plan due to credit or other factors should consult their [Course and Unit Advisor](#) for enrolment assistance.

COURSE DELIVERY PLAN 2027

Strict Sequence: Your course units must be completed in a strict order, which will be automatically set up for you in MyVU at the start of each year. It is crucial to follow this order when enrolling, as failing to do so may result in significant delays, potentially postponing your course completion by up to a year. If you face any challenges, such as a missing order in MyVU, unit failures, or other obstacles, it is essential to contact a [Course and Unit Advisor](#) to ensure your enrolment is properly adjusted.

Units by Year Level (Not Enrolment Order): The following units are organised by the year in which you are expected to take them. The specific order within each year will be determined by the sequence assigned to you in MyVU. Be sure to follow that sequence when enrolling online to avoid delays in your course progression. If you have any questions or encounter issues with your sequence, contact a [Course and Unit Advisor](#) for assistance.
