Core/Elective Core (a unit that must be completed) & Elective (you have some choice in what you select).

Prerequisites: A number of units within the degree have 'prerequisites'. These prerequisites must be met before enrolment in the unit is permitted. Generally these prerequisites require the successful completion of a unit or units taken at an earlier stage in the course. Students should pay particular attention to these prerequisite requirements as failure to meet these can seriously hinder progression through the course.

Placement: The Clinical Learning Office supports the collection and verification of Mandatory Documentation and Placement Allocation for this course via VU WIL. Students requiring support with queries relating to this must contact the [Clinical Learning Office](#) for assistance.

Date of Publication: This information is accurate as of October 9, 2026 and applies to students beginning during the specified intake period. It is provided for informational purposes only and does not constitute a contract between any individual and Victoria University. Students starting in a different intake or unable to follow the plan due to credit or other factors should consult their [Course and Unit Advisor](#) for enrolment assistance.

COURSE DELIVERY PLAN 2027

This Course Delivery Plan reflects the course structure introduced for students commencing in 1B1 2027. Students commencing in a different intake, or those with credit/advanced standing, should seek advice from a Course and Unit Advisor for specific course mapping advice.

Strict Sequence: Your units must be completed in a strict sequence that will automatically be assigned to you in MyVU at the start of each year. The units below are grouped by year level only and do not indicate enrolment order. It is crucial to follow your assigned sequence when enrolling as failing to do so may result in significant delays, potentially postponing your course completion by up to a year. If you face any challenges, such as a missing sequence in MyVU, unit failures, or other obstacles, it is essential to contact a [Course and Unit Advisor](#) to ensure your enrolment is properly adjusted.
