

# THE 4TH ANNUAL MICHAEL KIRBY CONTRACT LAW MOOT

## MKM 2014

Although first established in 2011 by Victoria University, the Michael Kirby Contract Law Moot Competition has quickly become the premier national mooting competition in contract law for universities around Australia.

The calibre of student participants have increased exponentially from year to year and some universities now offer credit recognition for their students' participation in the Moot. It is also our intention to invite law schools from the Asian region to participate in the Moot.

The Moot has been described as a "fixture on the legal calendar" and we continue to have strong support from the County Court of Victoria, members of the Victorian Bar, various law firms and practical legal training institutions.

### Why Should Your University and Students Participate?

In addition to students gaining the benefits of mooting for their study and future career, they will also gain the opportunity to:

1. Network with a large group of highly committed, competitive and professional law students;
2. Network with various members and sections of the legal profession, including, judges, partners, solicitors, barristers and academics;
3. Network with various professional bodies or organisations in the legal sector.

I warmly invite your university, students and academics to participate in this prestigious law mooting competition.
