THE YOUTH WORK PROGRAM
Victoria University runs a 3 year Youth work program which enables students to gain both a Certificate IV/Diploma and a Degree in YouthWork/Youth Studies.

Students in 1st and 2nd years study the Certificate IV / Diploma of Youth Work within the TAFE division. Students then articulate into the Bachelor of Arts Youth Studies in their third year. Many students will simultaneously complete their Certificate IV in Alcohol and Other Drugs work.

DIPLOMA OF EDUCATION STUDENT WELFARE
Did you know that we also have a Diploma of Education in Student Welfare. The Student Welfare Method is for graduates who have a Youth Studies/ Youth Work degree and who are also keen to work as a multi-disciplinary team member in schools. Qualified as a teacher and as a Youth Worker is a high demand set of skills in the current environment of secondary and post-compulsory education programs. Teacher registration is by the Victorian Institute of Teaching but is transferable nationally and internationally.

WHY STUDY YOUTH WORK AT VU?
- An articulated degree that gives students flexible entry points and a pathway to a degree.
- A pathway to a Graduate Diploma of Education Student Welfare for graduates of the Bachelor of Youth Studies
- Supervised professional practice
- Current practitioners and researchers teaching in the course
- Students are able to undertake units in alcohol and drug studies

THERE ARE NEW RULES TO CONSIDER
Under the new Government training rules you can only do a course that is higher than your last qualification. Perhaps you have done some study somewhere else, come and see how you can credit that study and establish your pathway to enter the Bachelor of Arts Youth Studies. You must complete the Diploma of Youth Work at Victoria University to gain access to our degree program. Choose your study options wisely. Look what Victoria University has to offer.

CITY CAMPUS FLEXIBLE DELIVERY.
Have you got experience in the youth sector. In 2010 we are delivering a more flexible program at our city campus in Flinders Lane for people with some youth work experience to build on that experience to a qualification. Come and talk to us about how this may fit into your schedule so that you can qualify as a Youth Worker.

CAMPUSES IN THE WEST
The course also operates from the Footscray Park and at St Albans offering students flexibility in venue and program.
