Teaching and Learning Committee Terms of Reference

The Teaching and Learning Committee will support the Board in its role of safeguarding the quality of teaching and learning delivered under the name of the University by:

- monitoring the University’s quality assurance policies and procedures for teaching and learning;
- developing teaching and learning policies for endorsement by the Board and monitor the implementation of such polices in the University;
- providing direction on the implementation of quality assurance measures pertaining to teaching and learning;
- making recommendation to the Board on the quality improvement strategies and evaluation tools related to teaching and learning;
- making recommendations to improve all aspects of the student learning experience through the provision of advice on:
  1. the quality of teaching and learning within the University;
  2. measures to encourage and support high quality teaching and learning;
  3. recognition of high quality teaching and learning; and
- undertaking any matters referred to it by the Board.
