Course and Pathways Advisory Committee Terms of Reference

The Course and Pathways Advisory Committee will support the Board in its role of safeguarding the quality of educational standards of courses of study offered under the name of the University by:

- advising the Board on quality assurance measures that support the maintenance of quality standards;
- evaluating course submissions and making recommendations to the Board on the granting of awards;
- in consultation with the Postgraduate Research Committee, evaluating new research programs with coursework elements and making recommendation on the granting of coursework postgraduate awards;
- developing policies regarding award and non-award programs and pathways;
- initiating the review of policies related to course and pathways approvals, maintenance and archival;
- making recommendations to modify the structure, content, method and delivery of award courses based on the findings of course reviews;
- liaising with all relevant Committees and Faculties, on matters relating to cross-sectoral matters;
- providing advice on systems developed to support course approvals, management, review and archival;
- monitoring non-award courses offered under the name of the University;
- advising the Board on pedagogical matters arising from the approvals and review of courses; and
- undertaking any matters referred to it by the Board.
