OUR VALUE PROPOSITION TO OUR STUDENTS AND THE COMMUNITY

Victoria University (VU) aims to be a great university of the 21st century by being inclusive rather than exclusive. We will provide exceptional value to our diverse community of students by guiding them to achieve their career aspirations through personalised, flexible, well-supported and industry relevant learning opportunities. Achievement will be demonstrated by our students’ and graduates’ employability and entrepreneurship.

The applied and translational research conducted by our staff and students will enhance social and economic outcomes in our heartland communities of the West of Melbourne and beyond. Our graduates as employees and citizens will shape the industries in which they work and communities where they live. Healthier, smarter and more sustainable communities will result.
A MESSAGE FROM THE CHANCELLOR

As Chancellor of Victoria University, I always feel privileged to preside at Graduations and to witness the enormous pride that our graduates take in their achievements. It is a pride that is shared by family and friends and by all VU staff and Council members. Your success in completing your course of study gives us great satisfaction.

As your graduation day is a significant milestone, it is important to me and the entire University community that each ceremony highlights the rich and genuine diversity of our University. We work hard to ensure that our ceremonies are friendly, inviting and engaging and that we honour the celebratory nature of the occasion. It is the VU way of doing things and those outside the VU community who attend our ceremonies never fail to comment on what an uplifting experience it is.

During your time with us, we have equipped you with the knowledge and skills required to thrive in a 21st century community. You now have the capacity to learn, adapt, and be flexible. You have shown an ability to set goals and achieve them. Throughout your study we have strived to give you an education which includes an understanding of the real world of work and an appreciation of the society in which we live. We are now sending you in the world to make a difference.

As a University we seek not only to provide you with a first class education but it is important to us that we strengthen the communities from which you come, and in many cases, to which you will return. Through you, and through the impact of our research on real world issues, we are improving our community, both locally and globally.

To each of our graduates – I urge you to enjoy your graduation day. Reflect on all that you have accomplished so far and on the many experiences still to come. Take a moment to think about what your time at VU has meant to you.

Give some thought to staying connected through our extensive Alumni network. You are now a member of our community and, as with all our students you will always be a member of the VU family.

Congratulations and very best wishes for an exciting and successful future.

Mr George Pappas AO

Chancellor
A MESSAGE FROM THE VICE-CHANCELLOR AND PRESIDENT

Welcome, and my heartfelt congratulations to all graduands at this important ceremony. As the Vice-Chancellor and President of Victoria University, I am honoured to celebrate your achievements with you in 2017. I would also like to extend a warm welcome to your family and friends who are sharing this special day with you.

In graduating from VU you are now alumni of a modern university which is among the world’s best. While we remain the only tertiary institution based in the west of Melbourne we have a growing international reputation. In 2016 we were ranked in the top 2% of universities worldwide and earlier this year we were ranked number 56 in the Times Higher Education World University Rankings for universities less than 50 years old. More recently we debuted number 55 in the inaugural Asia-Pacific University Rankings.

This recognition for your university enhances the value of the qualification you have worked so hard to earn. It will assist you as you forge your career and enable you to say with pride that you are a graduate of Victoria University.

I join the Chancellor in encouraging you to remain connected to the University as part of our ever growing Alumni community and I look forward to hearing more from you as you embrace your chance to join them as valued ambassadors of our institution.

Your award is an opportunity for you to make a real impact in the world; locally, nationally and globally. I ask that you take the skills and knowledge you have gained here at VU and use them as the first vital step in your lifelong learning journey.

Congratulations on reaching this exciting milestone and I hope that you will be inspired to find success on your own terms.

Professor Peter Dawkins AO
Vice-Chancellor and President
100 YEARS OF OPPORTUNITY
AND SUCCESS

Congratulations! You have achieved an important milestone.
You have succeeded in your tertiary studies and we are delighted
to send you into the world – or welcome you back for further study.
You are now part of the VU family.

Today’s Victoria University is a direct descendant of Footscray Technical School, which first opened its doors to students in February 1916. The school, with the support of the local community, took up the challenge to offer educational opportunities to the diverse population of Melbourne’s West. We remain committed to that goal and we are now one of the longest-standing providers of education in Victoria.

The School adopted the image of the Door of Opportunity as a means of expressing to the entire community the school’s purpose and reason for existence. Victoria University remains committed to that spirit and tradition as we embark on our next 100 years.

As the University of Opportunity and Success, we play a role in helping students from diverse backgrounds to find success on their own terms, and in the process we strive to be a distinctive University of the 21st century.

For a quarter of century we have also been providing Opportunity and Success for international students. In Melbourne, nearly 20% of our total student population are international students from over 80 countries. Offshore, through high-quality partnerships, VU enrolls nearly 4,500 students per year in English, diploma, degree and master courses in China, Malaysia, Singapore, Vietnam and Sri Lanka. Consequently, VU holds official graduations in Malaysia and China and numerous graduation celebrations for our offshore students.

VU is especially proud of our international alumni as they provide marvellous contributions to their employers, families and communities all over the world.

We have grown into one of Australia’s biggest and best universities, with over 42,000 enrolled students and just under 2000 staff. In September 2016 Victoria University was ranked in the prestigious Times Higher Education World Rankings in the Top 400 universities in the world, placing us in the top 2% globally.

We have multiple campuses in Melbourne’s CBD, and spread across Melbourne’s western region, and a Sydney campus that offers courses to international students.

The University encompasses:

- seven teaching colleges
- six research institutes
- six major research centres
- Victoria Polytechnic, VU’s vocational training provider, and
- The Sir Zelman Cowen Centre within The College of Law and Justice.
AT VU, FAMILY IS EVERYTHING

We are a young university with a long rich history dating back to the founding of Footscray Technical School in 1916. We are proud of each and every one of our students who have studied with us over our 100 year history. Where do you fit on the VU family tree?

ACKNOWLEDGEMENT OF COUNTRY

Victoria University acknowledge the Ancestors, Elders and families of the Boonwurrung and Woiwurrung of the Kulin who are the traditional owners of University land. As we share our own knowledge practices within the University may we pay respect to the deep knowledge embedded within the Aboriginal community and their ownership of Country. We acknowledge that the land on which we meet is a place of age old ceremonies of celebration, initiation and renewal and that the Kulin people’s living culture has a unique role in the life of this region.

THE UNIVERSITY MACE – AN ESTABLISHED TRADITION

Our graduation ceremonies begin with the entrance of the University mace, signifying the authority of the Chancellor. Carried by the Mace Bearer, the mace symbolises learning, scholarship and our rich history. The mace connects us with those who have come before and those who will follow in the pursuit of learning. Made of sterling silver and 24-carat gold, the design includes the letter ‘V’, standing for Victoria – our University’s home and namesake.

UNIVERSITY MEDALS FOR EXCELLENCE

In recognition of those students who have excelled in their learning, achievements or leadership during their studies, Victoria University will award medals of excellence at graduation ceremonies from the following categories:

- Undergraduate Vocational Education
- Undergraduate Higher Education
- Postgraduate by Coursework
- Postgraduate Research
Wearing academic dress on ceremonial occasions is a celebrated university tradition, and generally consists of a gown (also known as a robe) with a separate hood (also known as a stole), and usually a cap – doctoral candidates wear a bonnet. Throughout the Commonwealth, universities usually follow the academic dress style of Oxford or Cambridge. Our academic dress is based on the Oxford style. Traditionally, the Chancellor’s gown is faced in gold and the Vice-Chancellor’s gown is faced in silver.

The colour of the hood (stole) identifies the discipline:

- **Ruby** – Arts
- **Ultramarine** – Business or Business Administration
- **Cherry** – Education
- **Silver Grey** – Engineering
- **Old Rose** – Health Science
- **Parchment** – Law
- **Pansy** – Music
- **Buff** – Psychology
- **Spectrum Green** – Science, Applied Science and Sport Science
- **Gold** – Social Studies
- **Gold** – Sport and Recreation
- **Adonis Blue** – Doctor of Business
- **Cherry** – Doctor of Education
- **Graphite** – Doctor of Engineering
- **Pearl White** – Doctor of Laws
- **Ruby** – Doctor of Letters
- **Sapphire** – Doctor of Philosophy
- **Old Gold** – Doctor of Psychology
- **Spectrum Green** – Doctor of Science
- **Sky Blue** – Doctor of the University
- **Tangerine** – TAFE Certificates

The gowns worn by graduating students help distinguish undergraduate and higher degrees:

- undergraduates and postgraduates wear a black gown – Vocational Education, Further Education and undergraduate gowns have a large slit in each sleeve
- the masters gown has a long narrow sleeve extension
- doctoral candidates wear a red gown.

**Academic dress for particular awards is as follows:**

- **Certificates** – a black cap and an undergraduate gown with a black stole with a facing of tangerine.
- **Diplomates and Graduate Certificates** – a black cap and an undergraduate gown with a black stole in the discipline colour.
- **Bachelors** – a black gown and black cap with a black hood half lined with the discipline colour. The hood for the honours degree has a white band on the edge of the hood.
- **Masters** – a black gown and black cap with a black hood fully lined with the discipline colour.
- **Doctors** – a black bonnet with a gold cord, a scarlet gown with a facing and a black hood fully lined with the discipline colour.
- **Indigenous Australians** – the gown of their award together with a calf-length black and red silk stole with gold tassels, a map of Victoria in gold silk, “Victoria University” embroidered in gold on the left end of the stole, the sun embroidered in gold silk and “Ngaga Jindi Waback” embroidered in gold on the right end of the stole.

In official abbreviations of our awards, Victoria University is abbreviated to VicMelb.
