COURSE CHAIR	Claire Simpson

The following course structure is designed to help students track their progress through the course.

Note: Students are required to enrol in semester 1 AND semester 2 for 2019 and are not permitted to enrol in more than 48 credit points (equivalent to 4 units) in each semester as a full-time load.

Core/Elective: Core units must be completed, Elective units indicate that you have some choice in which units you select.

Prerequisites: A number of units within the degree have "prerequisites". These prerequisites must be met before enrolment in the unit is permitted. Generally these prerequisites require the successful completion of a unit or units taken at an earlier stage in the course. Students should pay particular attention to these prerequisite requirements as failure to meet these can seriously hinder progression through the course.
