RESEARCH PROGRAM

What is the provisional title of your thesis? *

vu.edu.au/research/graduate-research-studies/apply-for-a-research-degree

All graduate research applicants are required to prepare a research proposal for submission. Your research proposal should be 1-2 pages (typed, A4). Details at vu.edu.au/research/graduate-research-studies/apply-for-a-research-degree.

You must also provide two written academic references who can confirm that you have the ability to undertake high-quality research – letters from previous lecturers or supervisors, including their titles, institutions and contact details.

Please attach your research proposal and two written academic references (preferably as PDF).

Drop files here or click to upload.

Victoria University ABN 83 776 954 731.

What is the provisional title of your thesis?

You **MUST** put in the title of the project you wish to apply for as stated online

All graduate research applicants are required to prepare a research proposal for submission:

In this section, you **MUST** identify yourself here by uploading a document with the following information:

- State that you are applying for the **Masters - Offshore Delivery Program**
- List the project you are applying for.
- Write a response to your understanding of the project you have chosen. You may consider the following:
 - industry needs related to the project topic
 - the main theoretical issues related to the project
 - practical challenges the project presents
