

**NHMRC Research Fellowship**

**Intent to apply**  
**NHMRC research fellowship**  
**Funding commencing in 2018**

---

Please complete this form and return to:

**David Garland**  
NHMRC Coordinator  
Office for Research  
Research Funding Team  
**Email:** [david.garland@vu.edu.au](mailto:david.garland@vu.edu.au)  
**Phone:** +61 3 9919 4955

**No later than Monday 19 September 2016.**

**Key objectives**

The key objectives of the Research Fellowship Program are to:

- foster an intellectual environment that supports and builds the capacity of Australian research for the future
- to create knowledge through investment in research, which improves health and thus contributes to Australia's prosperity.

**Requirements**

Prior to submitting the intent to apply form, you are required to:

- carefully read and understand the NHMRC Research Fellowship funding rules and advice and instructions for applicants
- meet with the College Research and Training Director to discuss the proposed research project.

**Project details**

Project title			
Duration		FoR code(s)	
Personnel	Name	College/Institute/Centre/Organisation	Role

Please nominate three (3) discipline peer reviewers; the Office of Research will select one (1) or more of the nominated discipline peer reviewers to participate on the assessment panels.

## NHMRC Research Fellowship

Discipline peer reviewer name	Title	Position	Contact details

The NHMRC peer review panel has been instructed by the NHMRC to assess all applications against the following selection criteria:

- vision – 25%
- research output and leadership – 60%
- contribution to research – 15%.

### Vision – 25%

Standards	
<ul style="list-style-type: none"> <li>• The research program proposed must be likely to be of international significance.</li> </ul>
