COURSE REQUIREMENTS	<p>The Honours course is a one year (full-time) or two year (part-time) commitment. Students enrol in RBM4002 for two semesters, receiving a single, final mark and grade at the completion of the course. A part-time option is available in which the same structure, content and assessment items are undertaken over four semesters through enrolment in RBM4011.</p> <p>Honours comprises completion of a research project, including oral presentations, a literature review and research thesis. Honours coursework comprises areas of study in advanced research design, and research conduct, ethics and training. In special cases undergraduate units of studies may be substituted for course work when a student requires further studies of a specialised nature. The lecture or reading programs that make up the course work units will be determined by student's preferences in consultation with the student's approved supervisor(s). Course work will be assessed by oral presentations, written assignments or a written examination.</p>
FURTHER INFORMATION	Unit and course information is available from the University course search site at http://vu.edu.au/course-search or go to https://askvu.vu.edu.au or Phone VUHQ on 03 9919 6100
COURSE CHAIR	Alan Hayes
COURSE ADVICE	CUA.COHB@vu.edu.au

Note: Students are required to enrol in all units for semester 1 and 2, and are not permitted to enrol in more than 48 credit points per semester as a full-time load.

Core/Elective Core (a unit that must be completed) & Elective (you have some choice in what you select).

Prerequisites A number of units within the degree have 'prerequisites'. These prerequisites must be met before enrolment in the unit is permitted. Generally these prerequisites require the successful completion of a unit or units taken at an earlier stage in the course. Students should pay particular attention to these prerequisite requirements as failure to meet these can seriously hinder progression through the course.
