UNIT OF STUDY AMENDMENT

IMPORTANT: YOU MUST READ ALL INFORMATION ON THIS FORM

CHANGING CAMPUS
If you are requesting a campus swap for unit(s) of study in which you are currently enrolled, simply complete the CAMPUS SWAP TABLE in Section C on page 3 of this form. Please note: Not all campuses will have places available for students to swap into once the formal enrolment period has ended and semester has begun, so you may not be able to change your campus location at this time. Determine whether you would like to remain enrolled in that unit of study at your current campus, or discontinue if no places are available at your preferred campus, and clearly indicate this decision in the final column of the campus swap table.

WILL YOUR STUDY LOAD CHANGE?
Your study load is your course workload, and whether you are considered to be a full time or part time student. This is determined by the number of credit points you are enrolled in each semester. Your study load is likely to change when you amend your enrolment, particularly if you add or discontinue a different number of units within the same semester. Fee implications exist for all students if your study load changes (see “Fee implications” below).

INTERNATIONAL STUDENTS
If your study load changes you must submit an A98 Reduced Study or Overload form together with this application. Your A98 form must first be authorised by Victoria University International (VUI) staff due to VISA restrictions and requirements.

FEE IMPLICATIONS

STUDENT SERVICES AND AMENITIES FEE (SSAF)
The SSAF is applied to each student on the basis of study load, specifically if you are considered to be a full time or part time student. You will be required to pay additional service fees if you change to full time study, or be entitled to a refund if you change your study load to part time.

FULL FEES/HECS/FEEE-HELP
Changing your Units of Study may result in additional Tuition fees and HECS/FEEX-HELP liability, or you may be entitled to a refund.

CENTRELINK ELIGIBILITY
Adding or discontinuing Units of Study may affect eligibility for Centrelink payments. If you are receiving benefits, you must notify Centrelink of any changes to your study load (total credit points, or Equivalent Full Time Study Load — EFTSL — for each semester).

FEEDX-HELP ENTITLEMENT
Students who have consumed all of their FEEDX-HELP entitlement can undertake additional units only on an upfront full fee paying basis.

LATE SUBMISSION - POST CENSUS DATE (FINANCIAL AND ACADEMIC PENALTIES)

LATE UNIT DISCONTINUATION
Student information is forwarded to the Australian Taxation Office (ATO) on Census date. Therefore your HECS/FEEX-HELP liability cannot be reduced or refunded when discontinuing units after Census date. Discontinuations submitted after Census date and prior to exams commencing will receive a WN (Withdrew Failed) grade. Unit of Study discontinuation is not permitted after the commencement of exams and an N2 (Fail) grade will be issued.

LATE UNIT ADDITION
Unit Additions submitted after Census date will incur full fees Under Commonwealth legislation. As a Commonwealth Supported student, if you are not enrolled in a unit of study prior to Census date, you will not be eligible for Commonwealth Support for that unit. You will be required to pay the full fee cost of the unit and you will sit the exam during the Special examinations period. Payment of fees must be made ON THE DAY of the enrolment amendment. The minimum full fee payment for a single unit of study can be found here: www.vu.edu.au/courses/fees-assistance/higher-education-fees. The amount will vary depending on the unit of study.

SPECIAL CIRCUMSTANCES
If you feel you have special circumstances that require consideration, see the A93 Remission of HECS form for further information regarding post-census date enrolment amendments and changes to fees.

CAMPUS SWAP INSTRUCTIONS

1. Check your units are running at your preferred campus and complete the table in Section C. Please note: If your requested campus swap cannot be processed as there are no places at your preferred campus, you need to indicate whether you wish remain enrolled in that unit of study at the current campus, or if you wish to discontinue it completely.

You do not have to complete any other steps, other than signing and submitting your form within the required enrolment amendment dates (See steps 15-20 below).

UNIT AMENDMENT INSTRUCTIONS

2. COURSE SEARCH: Go to www.vu.edu.au/courses and search for your course using the title or code to open the online course description. Scroll down to the Units and electives heading, and press: + Show units and electives to view your course structure, and all of the units that count towards completion of your course.

3. STUDY LOAD: Some units are weighted at a higher or lower amount of credit, so ensure you check each unit that you enrol in. A general rule is that a total of 36-48 credit points (See Section G) for all units combined is considered Full Time, while 12-24 credit points each semester is Part Time study. For more info: www.vu.edu.au/courses

4. AMENDMENT TYPE: Select the type of amendment you wish to make using this form:

- Discontinue & Add units
- Add only (Go to step 6)
- Discontinue only (Go to step 10)

5. IF UNAVAILABLE: If you wish to discontinue as well as add units, would you still want to discontinue from units if your desired units are not available? □ Yes □ No

6. TIMETABLE: Check your desired units are running in the semester and year you wish to add them to your enrolment. Not all units run every semester and every year.

7. CAMPUS: Check the campus(es) where your additional unit(s) of study are running. Identify and select your preferred campus to enrol in for each unit of study.

8. UNIT REQUIREMENTS: Ensure you fulfil all of the entry requirements to undertake each desired unit you wish to add to your enrolment. You must have completed unit pre-requisites, and be enrolled in any co-requisite units.

9. UNIT STUDY LEVEL: Check the study year level, which indicates the prescribed structure, or order, by which to undertake units. If you meet the entry requirements, you will usually be able to enrol in any study level, but check the course structure to ensure you are going to undertake your units in a manageable order.

10. CORE UNITS/ELECTIVES: Ensure that you are working towards completing all core units required within the course structure, as well as selecting the correct number of electives (if any) from those outlined in the online course description.

11. COURSE COORDINATOR: If you are uncertain about which units to enrol in, consult your course coordinator for specific advice about the content, learning objectives and relevant outcomes of all attached units, as well as specific course structure enquiries, and your course options overall.

12. CONTACT CENTRE: If you are unable to locate your course coordinator, phone the Student Contact Centre on (03) 9919 6100 for assistance. We can provide you with their contact details, as well as seek to find the answer on your behalf for any enquiries you may have. You can also submit your questions online using ASKVU.

13. CHECKLIST: Complete the Unit Amendment Checklist in Section D on page 3 of this form.

14. UNIT AMENDMENT TABLES: Complete the DISCONTINUE/ADD (Section E & Section F) unit amendment tables on page 4 of this form.

15. DECLARATION: After you have completed the checklist, sign the declaration statement in Section G on page 4 of this form.

16. TIMELY AMENDMENT DATE: Each semester has a Timely Amendment Date, by which all enrolment changes should be made. Amendments made after the timely amendment date will incur a late amendment administration fee. See the Student Guide for more info.

17. CENSUS DATE: You must submit this form before Census date, as your enrolment cannot be amended after this day (for the current semester). Amendments made after Census date in each teaching period will incur financial and academic penalties, as this is the date when your enrolment is deemed final. Further info below.

18. INTERNATIONAL STUDENTS: You must submit a VUI authorised A98 Reduced Study or Overload form with this application if your study load will change.

19. SUBMISSION: Once complete and signed, you can submit your form online using ASKVU (by attaching a scanned copy), or in person at a Student Service Centre.

20. OFFSHORE SUBMISSION: Offshore international students must submit this form to the partner institution of study at which you are enrolled.
