

The Development of VUSU Accommodation and Learning Spaces

Footscray Park, Building M, Level 1

Project aims:

- To provide students with a space to meet, relax and study
- Space to support vibrant student life on campus
- Accommodation for student representatives (VUSU)
- Informal hub for campus activities and events

This project will provide:

- A variety of fixed and loose furnishings that support individual and group interaction, reflection and idea exchange
- Power and wireless access for computers and mobile devices

Consultation:

This project is being developed for students and we would like you to tell us what you think. Please submit your feedback via email Info.vusu@gmail.com by 30 September 2011.
