As the new Vice-Chancellor and President, I am excited to welcome you to Victoria University. We are ranked in the top 2% of universities around the world, and for good reason.

We are proud to be a student-centred, innovative and supportive university. We are delivering The New Way To Do Uni through our revolutionary VU Block Model – a first in Australia. You can immerse yourself in one subject at a time, without the conflicting demands of multiple subjects, but also manage your work and life commitments.

This smarter way to take on tertiary study has resulted in soaring pass rates, an increase in grade averages, and recognition from the International Education Association of Australia Excellence Awards for innovation and excellence in education.

You get meaningful real-world experience while you study. You will develop the skills and capabilities that employers value, to position you strongly for the jobs of the future.

I can’t wait to welcome you to Victoria University.

Professor Adam Shoemaker
Vice-Chancellor and President
Victoria University

Acknowledgement of country

Victoria University acknowledges, recognises and respects the Ancestors, Elders and families of the Boonwurrung, Waddawurrung and Wurundjeri of the Kulin who are the traditional owners of University land in Victoria, and the Gadigal and Guring-gai of the Eora Nation who are the traditional owners of University land in Sydney.

THE NEW WAY TO DO UNI
A REVOLUTION IN LEARNING

At Victoria University (VU), our innovative award-winning learning models have revolutionised tertiary education in Australia.

With the VU Block Model, an Australian-first, you study one subject at a time, every four weeks, before moving on to the next. You’ll have greater focus and more one-to-one time with your teachers, so you receive more regular and timely feedback and can apply these learnings during each block. Since we introduced the VU Block Model, student results and success have soared, and we’re now ranked No. 1 in Victoria (No. 3 in Australia) for learner engagement.

And at Victoria University Polytechnic, VU’s TAFE division, our multi-award-winning Blended Learning Model combines engaging, user-friendly eLearning, with face-to-face training and support.

4000+ INDUSTRY CONNECTIONS

With more than 4000 partnerships with industry, across teaching and research, we are one of the most industry-connected universities in Australia. We design our courses in consultation with industry, where we facilitate and encourage meaningful, engaging and impactful internships and work placements. These opportunities, combined with our focus on hands-on problembased learning, mean you’ll build industry connections and gain practical experience while you study, and graduate job-ready. Employers agree, ranking our graduates No. 1 in Australia for employability skills, which include: leadership, management, flexibility and initiative.

STUDY YOUR WAY

There’s more than one way to succeed, and VU provides multiple ways for you to achieve a world-class education. VU is one of only six universities in Australia to offer courses in both TAFE and higher education. From certificates to diplomas, degrees and postgraduate courses, you can begin your studies at any point and pathway between courses to achieve your goals, regardless of your starting point.

A UNI WITH HEART

We are a university with a heart and soul. We’re immensely proud of our people and our community in the west of Melbourne and beyond, and we make sure our students feel that pride too.

We are also committed to planetary health - working across research, teaching, and within our campuses and community, to improve the health and wellbeing of the local and global communities we share.

You’ll feel supported and connected while you study, with our wide range of community initiatives, support services and welcoming approach. Our diverse and inclusive culture will reward you in so many different ways while you study, and beyond graduation day.

VU’S BLOCK MODEL: A REVOLUTION IN LEARNING

WHAT IS VU’S BLOCK MODEL?

In 2018, we introduced a new, highly effective way of learning to make your transition to university easier and give you the skills to succeed when you enter the workforce.

Rather than dealing with the stress of studying four subjects at once as you would at other universities, the Victoria University Block Model lets you focus on studying one subject at a time every four weeks.

We call these four-week study periods ‘blocks’. Each block focuses on one unit (subject) and includes all assessments. You’ll then get up to four days between blocks to relax and prepare for the next subject.

The VU Block Model is founded on the success of universities using similar models in Sweden, Canada and the US. Following the overwhelming success of the revolutionary VU Block Model with undergraduate students, our postgraduate courses are now also delivered via the Block Model.

VU BLOCK MODEL: HOW IT WORKS

Instead of juggling four subjects at once, your semester is broken into four blocks. Each subject typically has three, three-hour, face-to-face teaching sessions per week, scheduled over three days.

These sessions are available in combinations of days and times (morning, mid-morning, afternoon and evening), allowing you to choose what best suits you. This means you can focus on one subject at a time, three times a week, for four weeks.
FLEXIBLE START DATES

Multiple entry points and options to fast track your studies

With VU’s Block Model, you can choose to finish your studies faster with optional winter and summer blocks of study. Summer Block 1 is an early four-week study block for first-year students who want the option to start – and finish – their course earlier or substitute another block later in the year. You can also begin your course in Block 3 (around May) instead of waiting for mid-year, and catch up to your classmates by second year.

This table highlights our multiple optional entry points available to begin your course. We are reviewing our calendar to include more entry points, so check in later in the year for up-to-date information.

vu.edu.au/timetables

SUPPORT FOR YOUR FIRST YEAR AT UNI

VU is the only university in Australia to have a First Year College, made up of specialist educators and programs to guide and support you as you transition to uni.

In first year, alongside coursework, you’ll complete Study Essentials – a program designed to help you gain the skills required for success such as research and writing. In second, third and fourth year you’ll complete Course Essentials and Career Essentials, which offer customised support through practical learning activities, and assist you to find employment in your chosen field.

With this support and collaborative approach, it’s no wonder our First Year College won an Australian Award for University Teaching in 2020, and that students rank us #1 in Victoria (#3 in Australia) for learner engagement. For more information about learning support, visit vu.edu.au/learning-hubs

For more information about the First Year College, visit vu.edu.au/about-vu/our-teaching-colleges-schools/first-year-college

THE VU BLOCK MODEL

Watch at vu.edu.au/block-model
Focus on one subject at a time
Complete one subject every four weeks before moving on to the next. At other universities, you need to complete multiple subjects at once, while at VU you’ll be fully focused on each subject. With the VU Block Model, you will be more engaged with your learning, and more likely to achieve academic success. Since the start of Block Model in 2018, VU students are performing at higher levels and gaining better results than ever before.

More free time to do the things you love
The consistent and focused timetabling of three classes on campus per week means that you have more time for work, social life, caring responsibilities, sport, and everything else that’s important to you.

Feel connected
At VU, your teachers will know you by name. Because the Block class sizes are small and more collaborative, you spend time with your classmates and teacher every class, and become a working team. You get experience solving real-world problems with your classmates and if you are having difficulty with a concept or a task, the teacher is there to help.

You’ll build your confidence
As well as being able to clarify concepts and questions in class, the Block Model also provides you with timely feedback and results. You will typically finish your block on a Friday and receive your results on the following Monday. This takes away uncertainty and a long wait for results, and means that you can begin the next Block with confidence.

Improved academic success and future employment opportunities.
VU’s more collaborative and practical approach to learning within the Block Model is better preparing students for the workplace of today, providing them with critical problem-solving skills, and the ability to work effectively in teams. Employers are increasingly recognising the abilities of VU graduates, recently ranking them No. 1 in Australia for employability skills.

WHY IS VU’S BLOCK MODEL BETTER FOR ME?

Focus on one subject at a time
Complete one subject every four weeks before moving on to the next. At other universities, you need to complete multiple subjects at once, while at VU you’ll be fully focused on each subject. With the VU Block Model, you will be more engaged with your learning, and more likely to achieve academic success. 1 2020 QILT Employer Satisfaction Survey
2 2020 QILT Student Experience Survey
3 2020 QILT Employer Satisfaction Survey for commencing undergraduate students
"If it wasn’t for Block Model, I don’t think I could have completed the remaining units of my course — let alone kept working.

“I found the structure of the Block Model made it easier to focus and retain the information. Studying just one unit every four weeks, rather than juggling four units was the key to my success at the time.”

SERGIO  
Diploma of Accounting FNS50217, Bachelor of Business (Finance/Accounting Major)  

"The VU Block Model’s more manageable workload makes it easier to keep up.

“It also gives me more time to relax, play futsal, and work. My friends at other unis are studying different subjects in a single day — it’s confusing for them. They think VU’s Block Model is a great idea.”

ETHAN  
Bachelor of Science (Osteopathy), Master of Osteopathy  

"Study is less stressful with the VU Block Model because you focus on one subject at a time.

“The class sizes are small, so we can interact with teachers and receive feedback. I also have plenty of time to get involved in extracurricular activities, including being the women’s officer for the Student Union and the Vice President of the VU African Society. I’m enjoying university — I feel like I belong.”

TOOLSIFA  
Bachelor of Psychology/Bachelor of Criminal Justice  

"If it wasn’t for Block Model, I don’t think I could have completed the remaining units of my course — let alone kept working.

“I found the structure of the Block Model made it easier to focus and retain the information. Studying just one unit every four weeks, rather than juggling four units was the key to my success at the time.”

SERGIO’S STORY

SERGIO’S STORY
There are many ways you can start your education journey at VU.

We are one of only six universities in Australia to offer both TAFE qualifications and university degrees, with easy transition between courses at all levels.

PATHWAYS

We call the connections between courses at VU Polytechnic and VU, 'pathways'. Pathways mean you can move between TAFE and university courses to reach your work or study goal, regardless of your starting point.

For example, you can start your education at certificate level and proceed to a diploma, degree, a masters or even a PhD. You can also add to your existing qualification and upskill or reskill with a TAFE certificate or diploma.

To find out more about pathways, please see the pathways information included with each course table.

student.recruitment@vu.edu.au
Visit vu.edu.au/pathways

Victoria University Polytechnic

Victoria University Polytechnic is VU's vocational education (TAFE) provider. VU Polytechnic's vocational education courses, industry-relevant programs and apprenticeships build skills and competencies for career success.

VU Polytechnic offers a supportive environment and multi-award winning Blended Learning Model for industry-connected courses and jobs in the following fields:

- Business Services & Legal
- Communications, Art & Design
- Community Services & Youth Work
- Early Childhood & Education Support
- Hair, Make-up & Beauty
- Health, Nursing & Care Industries
- Hospitality, Tourism & Events
- Engineering & Trades
- Sport & Wellbeing
- Systems & Information Technologies
- English & Preparation Programs

vupolytechnic.edu.au

Free TAFE

The Free TAFE for Priority Courses program covers tuition fees for a wide range of VU Polytechnic courses, making education even more accessible.

vupolytechnic.edu.au/free-tafe

Blended Learning Model

VU Polytechnic's award-winning Blended Learning Model replaces paper-based theory with e-Learning you can do anywhere, any time. It means flexible access to course content and a self-directed pace so you can spend more quality time refining your skills through practical face-to-face workshops and on-the-job work placements.

Returning to study

If you're returning to tertiary study after time in the workforce, raising a family or taking a gap year or two, we can help you achieve your goals. While our range of support services ensures your academic success, we can also advise about scholarships, childcare, or how to include overseas study in your plans.

You may be eligible to get your skills, training and previous studies recognised through Advanced Standing, and reduce the time and cost of your degree.

vu.edu.au/returning-to-study

Higher Education Diplomas

Our range of Higher Education Diplomas can provide guaranteed entry into the second year of some VU bachelor degrees (or credits towards these degrees) when successfully completed. If you want to study a degree but don’t feel fully prepared or lack certain prerequisites, these are good options for you.

Even if you choose not to continue on to a VU degree after the first year, you’ll graduate with a diploma that has prepared you for the start of your career.

Foundations at VU (JYAC)

Foundations at VU (JYAC) is a 13-week preparation course that develops the numeracy, critical thinking, academic writing and research skills you may need to make your dream of tertiary study a reality. It is available to students who have attempted an Australian Year 12 (or equivalent) and have successfully completed Year 11 (or equivalent).

vu.edu.au/foundations

Certificate IV in Tertiary Preparation (22313VIC)

VU’s Certificate IV in Tertiary Preparation (22313VIC) is a six-month entry requirement course providing the skills and knowledge many students need for a successful transition into higher vocational education and training pathways and/or higher education.

I REALLY ENJOY BEING PART OF THE VU COMMUNITY. DURING MY STUDIES, I’VE HAD THE CHANCE TO MEET SO MANY INSPIRING PEOPLE.

“Studying marketing means I get to use both my creative and logical sides. My professional placement gave me great experience in a range of activities.”

JESSICA
Bachelor of Business (Marketing)
With our inclusive and supportive approach to learning, we can help you realise your dreams.

**A welcoming environment**

Our campuses are friendly, welcoming spaces. You will learn with a diverse group of students, from the west of Melbourne and far beyond, and feel connected to the broader VU community.

Our students come from 120 different countries, speak over 170 different languages and represent more than 90 different cultures.

We have a long history of helping migrants, refugees and Indigenous students achieve success in study, work and community integration.

**Scholarships**

Each year we award financial support scholarships to enable students in need to thrive at university. Find out more about scholarships on page 92.

[vu.edu.au/scholarships](https://vu.edu.au/scholarships)

**Elite Student Athlete Program**

Our elite athlete program helps you complete your studies while training and competing at an elite level.

We recognise the challenges of combining elite sport with an academic workload and provide the support you need to be successful, on and off the field. If you’re a Year 12 student participating in high-level sport (as a player, coach or official), you can receive an adjustment of five ATAR points towards your Selection Rank for courses that consider the ATAR as part of the selection process.

For more information or to find out if you are eligible: 03 9919 4433 or eliteathletes@vu.edu.au

**VU Guaranteed**

Our exclusive VU Guaranteed program offers Year 11 and 12 students from partnership schools a guaranteed place at VU. We lock in your place within a week of applying so you’ll have peace of mind going into your exams.

VU Guaranteed recognises applicants for their full range of skills and capabilities, not just their academic results, and offers a range of exclusive events and benefits.

As a VU Guaranteed applicant, you’ll receive an additional five ATAR points towards your Selection Rank for most courses that consider the ATAR as part of the selection process.

Find out more at vu.edu.au/vu-guaranteed

**Special Entry Access Scheme**

If you have encountered situations that may have affected your performance in Year 12, you may be eligible to apply for the Special Entry Access Scheme (SEAS).

This will ensure any difficulties you have experienced that may have affected your results will be considered along with your course applications.

**VU Kick Start Program**

VU Kick Start is a free program for first year students who are the first in their family to attend university. It helps familiarise you with uni life and studying, so that you feel more confident as a student, develop better study habits, and build a strong support network. Student success is evident, with 93% of Kick Start students passing all their first semester classes.

[vu.edu.au/kickstart](https://vu.edu.au/kickstart)

**Committed to Planetary Health**

In all that we do in our research and teaching, on our campuses and in our communities, we work to improve the health and wellbeing of our local and global communities, and the planet that we share. VU’s commitment to planetary health was formally recognised in 2020, when we joined the Planetary Health Alliance and received a ranking of #1 in Victoria for Peace, Justice and Strong Institutions. ([THE Impact Ranking Awards 2020](https://vu.edu.au/planetary-health))

[vu.edu.au/planetary-health](https://vu.edu.au/planetary-health)

**VU in the Community**

Discover VU in the Community and have a uni experience like no other. VU in the Community reaches into the heart of communities in Melbourne’s west and opens doors of opportunity beyond your campus.

Key initiatives include Footscray University Town, and exciting developments in and around Sunshine, St Albans, Werribee and Sunbury — all great places to study, live and work.

Explore your community through festivals and exhibitions, expand your knowledge outside the classroom, find unique food and cultural offers, and make friends through VU in the Community.

[vu.edu.au/community](https://vu.edu.au/community)

**Supporting you at every stage**

We offer a range of study, professional and personal support services to ensure you have the best chance of success during your studies and after you graduate. Discover our services on pages 16-17.
"As part of my studies, I organised a seminar at VU at MetroWest – on gender-based violence among women from culturally and linguistically diverse communities. I’ve connected with some incredible people."

ACHOL
Bachelor of Arts

"VU IS MY COMMUNITY. LECTURERS HAVE OPENED MY EYES AND INSPIRED ME TO EXPLORE CAUSES I FEEL STRONGLY ABOUT."
Enrich your learning experiences with social events and activities on and off campus.

vu.edu.au/life-at-vu

Events at VU
Have fun at student social events held regularly throughout the year. The fun kicks off with orientation ‘O-Fest’ in February, as we welcome commencing students with a festival for each campus. It’s a fun way to explore the uni, meet teachers and classmates, and check out clubs and societies.

Join our social community
Join the VU community via our social media platforms, and keep in the know with the latest news, student and graduate stories and all the fun around campus. Find us on Facebook, Instagram, LinkedIn, SnapChat, TikTok and YouTube.

Get active
You can join a variety of student sport clubs including cheerleading, martial arts, University Games, swim club and much more. Our sports facilities on campus include fitness centres, a swimming pool, athletics tracks and tennis courts.

Find your tribe
Build friendships and support networks with student social and cultural clubs and societies. There is a group to cover almost any interest – from fashion and films, to philosophy, sport, gaming, politics and religion.

vu.edu.au/clubs

We celebrate and embrace the LGBTQIA+ community with festivals and activities on campus throughout the year. Contact the student union’s queer officer to get involved or become an ally.

queer@vustudentunion.com

Develop leadership skills
Gain confidence and participate in the VU community. We can assist with your professional development in preparation for the workplace. Our award-winning student events, workshops and conferences connect you with the influencers of today and inspire you to be a leader tomorrow.

Become a student ambassador
The VU Student Ambassador program provides opportunities to develop communication and networking skills through paid activities. If selected for the program, you will meet people from across the University and the community, and speak on behalf of VU and its student body at key events.

Discover student mentoring
Student mentors are second-year and above students available for drop-ins at our Learning Hubs. They can help you with study tips, and to gain confidence with exams, assignments and research.

Celebrate cultural diversity
Gain an appreciation of the diverse range of cultures among our student population. With over 90 cultures represented, your classmates will enrich your learning experience, and you’ll have the opportunity to attend fun cultural festivals on campus.

Download the VU App
The award-winning VU App offers everything you need to navigate your student life, including:

- unit content, assessments, results, exams, timetable and teacher communication
- fees and enrolments
- your Learning Hub account with skill development and career-readiness programs
- interactive campus maps
- your digital ID student card
- IT services and Student Life activities.

vu.edu.au/vu-app
GLOBAL LEARNING

As a VU student you can study and gain life-changing experiences across Asia, Europe and the Americas. Even if you cannot travel overseas at this time, you can start planning for once you can.

We have more than 50 exchange partners across 50 countries where you can immerse yourself in a different culture and complete part of your studies for a full semester or year. You can also undertake a study tour or short program for 2-4 weeks. Overseas study can be counted towards your studies.

Travel grants are available to help support student international learning experiences. There is also funding available from the Australian Government, as well as from some of our exchange partners, to help support your overseas study.

For information about undertaking an overseas study experience, contact the Victoria Abroad team.

vu.edu.au/study-overseas
educationabroad@vu.edu.au
VU takes student support seriously – we want you to achieve your best during your time with us. Whether you need support with your studies, career advice, or health referrals, we’re here to help.

Here are just some of the services we offer.

**Learning Hubs**
Learning Hubs are welcoming, open and accessible library and virtual spaces where you can get advice and support on your university work and professional skills — in person, online and through our 24/7 online service, Learning Hub Tutoring.

We offer daily drop-in sessions and practical workshops dedicated to writing, numeracy, business, presenting, research skills and much more.

Student Mentors also provide valuable help with drop-ins and Study Spaces.

On-campus Learning Hubs are located at the following campuses:
- Footscray Park
- St Albans
- City Flinders
- City Queen
- Footscray Nicholson.

We also offer support at Sunshine and Werribee. Can’t make it to campus? Head to the Learning Hub VU Collaborate Space to access our Zoom Classroom and a range of online modules.

**Career success**
VU offers a range of face-to-face and online employment services for both current students, and graduates who completed their studies within the past two years.

VU Employ offers career and job-search advice, résumé and interview help, industry mentoring, workshops and more – to ensure you have the skills and experience to be job-fit and career-ready.

[vu.edu.au/vu-employ](http://vu.edu.au/vu-employ)

**Literacy and Numeracy Support**
Literacy and Numeracy Support (LNSupport) is designed for learners in developing their literacy and numeracy skills in order to successfully complete their chosen vocational education course. This program is customised to assist each individual to develop their foundation skills.

[learning.support@vu.edu.au](mailto:learning.support@vu.edu.au)

**Accessibility services**
If you have a disability or medical condition that impacts your studies, Accessibility Services can support you. By working with one of our Accessibility Liaison Officers, you can access support services and resources, and resources and adjustments for study and assessments.

The condition may be permanent, ongoing, or temporary. All services are designed to minimise the impact on your learning and help you to succeed.

For more information and to access the Accessibility Services Registration Kit visit [vu.edu.au/disability](http://vu.edu.au/disability)

To make an appointment, email [accessibility@vu.edu.au](mailto:accessibility@vu.edu.au) or call 03 9919 5400.

**Welfare**
Free and confidential support is available to help you develop practical skills to better manage your time, money and personal matters. If required, we can also link you to community organisations for assistance with cultural issues, drug and alcohol use, consumer rights, legal issues and women’s support services.

[vu.edu.au/welfare](http://vu.edu.au/welfare)

[student.support@vu.edu.au](mailto:student.support@vu.edu.au)

03 9919 6100

**VU Safe app**
The VU Safe app is our free, mobile safety app packed full of safety information, tools and features to keep you safe on campus. Features include:
- mobile BlueLight emergency alarm
- live tracking via ‘Friend Walk’
- safety notifications
- immediate contact with emergency services
- access to security escort and first aid
- COVID screening check

THE SUPPORT FROM MOONDANI BALLUK INDIGENOUS ACADEMIC UNIT HAS BEEN AMAZING.

“At first it was an achievement adjusting to things like managing finances and big city living – back home everyone knows everyone!

The team at Moondani Balluk are there for anything from academic support to just having a yarn.”

JAYDAH
Bachelor of Youth Work

ABORIGINAL AND TORRES STRAIT ISLANDER STUDENTS

VU recognises and respects the Ancestors and Elders of the Kulin peoples as Traditional Owners of University land in Victoria, and the Eora Nations at the VU Sydney Campus. The Moondani Balluk Indigenous Academic Unit can assist with any queries from Aboriginal and Torres Strait Islander students. This includes access to a laptop, accommodation, enrolment, admissions and financial assistance, Aboriginal community events, referrals to service delivery organisations, study skill support, and transport.

Moondani Balluk provides a culturally safe space for all Aboriginal and Torres Strait Islander students. Please feel free to drop in and meet other students and staff. We have offices at Footscray Park, Werribee and St Albans Campuses.

Moondani Balluk has two Aboriginal Student Support Officers, Marcus Brooke and Rowena Price. Please contact them at: marcus.brooke@vu.edu.au or rowena.price@vu.edu.au. You can also contact us at moondani.balluk@vu.edu.au, or phone 03 9919 4914 or 03 9919 2078.

OVERVIEW

BACHELOR OF BUSINESS [BBNS]

vu.edu.au/courses/BBNS

VU’s Bachelor of Business allows you to tailor your learning to your career goals. You will study a common first year, then choose from the majors below – either a single or double major. You will gain solid business and operational skills, and real-life working experience through work-integrated learning and Co-operative Education work placement units and practical projects, all designed to make you work ready.

Find out more about careers and coursework for your Business major at vu.edu.au/courses/BBNS

BUSINESS MAJORS

Accounting

Become a financial expert and inform better business decisions for global and Australian companies. Careers include accountant, business analyst, auditor and financial adviser. This major is accredited by CPA Australia and Chartered Accountants CA ANZ.

Banking & Finance

Understand the complexities of corporate finance and the intricate workings of financial markets and investment management. Careers include banking, funds management, financial planning, stockbroking, superannuation, insurance, investment and risk management.

Event Management

Gain the skills to create, manage and market impactful events with this nationally-recognised and industry-endorsed major. Launch your career in events and conference coordination, fundraising and sponsorship, exhibitions, marketing and PR, account management and sustainable operations.

Financial Risk Management

Gain the specialist knowledge and business skills to solve the complex challenges faced by businesses in the financial sector. Launch your career in the fast-paced field of financial planning, banking, stockbroking, superannuation, insurance, investment, risk or funds management.

Human Resource Management

Learn strategies to successfully manage human resources, professional development, and employee law. Our industry-accredited course will prepare you to meet worldwide standards of excellence, with the practical skills relevant to the work environment.

Information Systems Management

Pursue a global career in business analysis, project management or e-business while becoming an expert in information systems and modelling digital commerce and management. Careers include systems or business analyst, programmer, applications developer and network administrator.

International Trade

Gain the expertise to inform international trade, through an understanding of core economic principles and a focus on strategies to improve trade and investment. Careers include import/export administrator, trade negotiator and international operations manager or marketer.

Management & Innovation

Whether you’re an entrepreneur or pursuing a career within organisations, you’ll build your management skills and creativity. Your theoretical and practical skills will build innovative, ethical organisations through the management of creative mobile workforces.

Marketing

Become a switched-on marketer, connecting brands, products and services with their target markets. Gain expertise in marketing research, consumer behaviour and international marketing and strategy. This major is accredited by the Australian Marketing Institute.

Supply Chain & Logistics Management

Begin your exciting global career in logistics and supply chain management, export/import operations. Specialise in importing, procurement, customs, inventory flow and control, shipping, distribution and supply chain analytics.

Tourism & Hospitality Management

Combine your love of travel, fine dining and events with a career you’re passionate about. Gain the skills and knowledge to develop, manage and market sustainable tourism products, experiences, businesses and destinations.

*vu.edu.au/courses/BSB50415* 

Develop a broad range of payroll skills, establishing and maintaining budgets, forecasts, and taxation systems for payroll.

**Admission**

- Applicants must complete a pre-training review (PTR) and undertake a literacy and numeracy (LN) assessment to determine suitability for admission.

## Diploma of Accounting  
**FNS50217**

*vu.edu.au/courses/FNS50217* 

This course will provide you with the training and knowledge necessary for a range of accounting career pathways. You’ll become proficient in the use of accounting software.

Learning from our expert staff, you’ll gain the skills and confidence to perform a range of accounting duties including: providing financial and business performance information, preparing income tax, and managing budgets and forecasts.

**Accreditation**

- Applicants are required to demonstrate successful completion of one (1) of the following:
  - FNS500014 Accounting Principles Skill Set (refer to course page for full unit listing); OR
  - FNS40217 Certificate IV in Accounting and Bookkeeping; OR
  - FNS40615 Certificate IV in Accounting; OR
  - FNS40215 Certificate IV in Bookkeeping

- Applicants must complete a Pre-training Review (PTR) and undertake a literacy and numeracy (LN) assessment to determine suitability for admission.

## Diploma of Business (Enterprise)  
**VDBE**

*vu.edu.au/courses/VDBE* 

This course will give you a broad introduction to business, and prepare you with foundation skills in accounting, management, marketing, economics, communications, and IT.

**Accreditation**

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent).*

---

*The information above is valid for applicants with recent secondary education only. If you have previous VET/TAFE study, higher education study or work and life experience, please see course webpage listed.

The course information above was accurate at the time of printing (March 2021). Some course names and codes will change for 2022 as these courses are updated on the national register. For the latest information visit *vu.edu.au/courses*.
OVERVIEW

DIPLOMA OF LOGISTICS [TLI50219]
vu.edu.au/courses/TLI50219

This course will prepare you for entry-level management career opportunities in supply chain management and logistics, ranging from importing and exporting functions, operations management and supervision – through to distribution operations.

You will gain the management skills and knowledge required to successfully manage increasingly sophisticated and complex logistics, distribution and supply chain management functions.

ADMISSION

- There are no formal entry requirements for this course. However, it is expected participants are already employed in a transport and logistics industry role and have a minimum of three years relevant experience. A written application is required.

DIPLOMA OF LEADERSHIP & MANAGEMENT [BSB51918]
vu.edu.au/courses/BSB51918

Build your leadership skills for management and supervisory roles and learn innovative approaches to managing people, projects, and teams in a wide range of industries and organisations. This course is designed for individuals who have considerable experience in an industry or vocational area. You may already be managing staff, or working towards a career as a manager.

ACCREDITATION:

- Applicants must complete a pre-training review (PTR) and undertake a literacy and numeracy (LN) assessment to determine suitability for admission.

ADVANCED DIPLOMA OF HOSPITALITY MANAGEMENT [SIT60316]
vu.edu.au/courses/SIT60316

Turn your passion for hospitality into a rewarding career and get qualified for senior management positions in the industry. You will develop advanced skills in hospitality operations and leadership, including HR management, financial management, marketing strategies, and business planning.

ACCREDITATION:

- Applicants must complete a pre-training review (PTR) and undertake a literacy and numeracy (LN) assessment to determine suitability for admission.

ASSOCIATE DEGREE IN HOSPITALITY AND HOTEL MANAGEMENT [VAHH]
vu.edu.au/courses/VAHH

Develop your business management potential and enhance your prospects of securing a senior position in the industry. You’ll get hands-on experience in our hospitality training centre and gain a thorough understanding of the industry’s trends and issues. This course offers the opportunity to engage in work integrated learning through member networks and a range of partnerships.

ACCREDITATION:

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or 20 in any other English.

- The minimum criteria for admission varies depending on your education background. For more information for admission requirements for non-school leavers, please visit vu.edu.au/courses/VAHH.
The table below demonstrates our guaranteed pathways. This is just a small sample of what can be achieved with VU’s many pathway options. Choose the course on the left based on your own education needs, and pathway into the higher degree on the right.

You can enter and exit at many levels and courses, and transfer between study areas if your interests change while you’re studying. It all depends on your own needs and experience.

**What are course credits?**

Many of our TAFE courses give you credits towards a higher diploma or degree, so you can complete your studies faster. Most units or ‘subjects’ equal 12 credit points, so 96 course credits would reduce your degree by eight units (or one year full time).
Our broad range of creative arts and humanities courses combine a strong theoretical foundation with practical projects and placements with partner organisations.

This industry-connected approach means you’ll be prepared with skills, connections and the confidence you need to launch an exciting career.

**STUDY AREAS**

- Creative Arts
- Music
- Humanities
- Screen Media

**Learn in the Workplace**

Our students have undertaken placements and internships at 150+ organisations including Overland, Film Victoria, Channel 31, Foxtel, SBS TV and more.

**Contribute to local culture**

Enrich Melbourne’s west through partnerships with Footscray Community Arts Centre, Williamstown Literary Festival, Setting Sun Film Festival and more.

**Collaborate**

Music teaching space Kindred Studios is ranked in the top 10 co-working spaces in the world. *(Lonely Planet, 2016)*

For more information visit [vu.edu.au/arts](http://vu.edu.au/arts)
EVERYTHING FELL INTO PLACE WHEN I SWITCHED TO ARTS AT VU.

“Most of my prior learning was recognised and I was able to focus on subjects that I really loved – performing arts, writing and radio production.

VU opened doors to great networking opportunities. I was lectured by and worked closely with industry professionals including performers, published authors and radio producers.”

NATHALIE MCLEAN
Bachelor of Arts

NATHALIE’S STORY
CREATIVE ARTS & HUMANITIES
CAREER CONNECTIONS

Study Creative Arts at VU and you’ll have opportunities to collaborate with key organisations, events, and venues in Melbourne’s west and beyond.

From Williamstown Literary Festival to Footscray Community Arts Centre, Maribyrnong City Council and Setting Sun Film Festival – there’s an opportunity in every field.

Through practical learning with our arts partners, you’ll gain the latest skills and experience to be work-ready and career-focused when you graduate.

PARTNER PROFILE:
FOOTSCRAY COMMUNITY ARTS CENTRE

We have partnered with Footscray Community Arts Centre for over 40 years to support a shared vision that celebrates and supports community empowerment.

Accreditation applies to individual courses. Please see course details on pages 32-33 to see where this accreditation applies.
SOMETHING THAT REALLY SETS VU STUDENTS APART IS THE SUPPORT AND RESOURCES THE UNIVERSITY PROVIDES TO HELP THEM SUCCEED ON PLACEMENT AND BEYOND.

“VU students come to the Footscray Community Arts Centre (FCAC) to work with us on arts initiatives, assisting with community engagement in visual art, performance, music, sound, digital media and music. VU staff are incredibly involved and dedicated to ensuring students achieve their goals and are prepared for the work environment.”

AMY MCMURTRIE
Creative Producer,
FCAC YOUTH & COMMUNITY

AMY’S STORY
CREATIVE ARTS & HUMANITIES

ARTS AND HUMANITIES

Career opportunities: Communications Manager, Freelance Writer, Journalist, Social Media Coordinator, Copywriter, Communications Coordinator, Community Services Manager, Case Manager, Health and Community Services, Child Protection Case Manager, Library Technician, Welfare and Support Agent

OVERVIEW

BACHELOR OF ARTS  
vu.edu.au/courses/ABAB  
Develop specific skills for your chosen career, along with research, writing and communication expertise, which are essential in a broad range of work environments. This course offers maximum flexibility and you can complete one or two majors, which will be listed on your qualification. You can major in digital media, visual art, or writing (or one of five other majors).

ADMISSION

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.*

BACHELOR OF CRIMINAL JUSTICE  
vu.edu.au/courses/ABCJ  
Gain a developed understanding of the philosophies and objectives of modern criminal justice and the role of various agencies within it and the systemic interactions between social welfare organisations, law and judicial administration, penal and correctional institutions, family and community, and policing.

ADMISSION

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.*

BACHELOR OF CRIMINAL JUSTICE AND PSYCHOLOGICAL STUDIES  
vu.edu.au/courses/ABCY  
This course combines studies in criminal justice with an accredited psychology major. You will gain a strong theoretical, research, and applied understanding of human behaviour and the interplay between psychological and social contributors to crime; as well as an understanding of the legal, political and community responses to social dislocation, human behaviour and development.

ADMISSION

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.*

MUSIC

Career opportunities: Composer, Musician, Promoter, Theatre Manager, Music Teacher, Musical Director, Songwriter, Live Sound Engineer

OVERVIEW

ADVANCED DIPLOMA OF MUSIC INDUSTRY  
vu.edu.au/courses/CUA60515  
Build the technical, compositional and performance skills you need to be a professional musician. This course will provide you with access to well-equipped rehearsal facilities, a 21-machine computer music lab, and multimedia software for production, arranging and composition. You will study music analysis, music craft, improvisation, technology, and touring and self-promotion. This qualification is offered with the specialist streams of performance and composition.

INTAKES: FEB/JUL

ACREDITATION:

BACHELOR OF MUSIC  
vu.edu.au/courses/ABMC  
Expand your artistic knowledge, musicianship, technical fluency, creativity and critical listening skills to prepare for a career in the music, creative arts or education industries, using our industry-based facilities at Kindred Studios. You’ll focus on popular and contemporary music through practice, theory and cultural analysis.

ADMISSION

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.

- In addition to achieving the above prerequisites, applicants will be required to attend an audition and interview.*
### DIGITAL MEDIA

**Career opportunities:** App Designer, Cinematographer, Art Director, Film and TV Producer, Photographer, Visual Effects Designer, Animator

### OVERVIEW

Forge a career as a make-up artist or technician for film, TV or photography with a Diploma of Screen and Media in Specialist Make-Up Services. Extend your knowledge as a make-up artist by learning skills in presenting photographic portfolios in print and digital format, body art, and airbrushing. You’ll also learn to create and style wigs and hairpieces.

We will ensure you have all the skills to succeed as a make-up/hair stylist or designer in the creative industries. In this course, you’ll gain an understanding of business plans, marketing and client interactions in the industry.

### ADMISSION

- Applicants must complete a pre-training review (PTR) and undertake a literacy and numeracy (LN) assessment to determine suitability for admission.

### DIPLOMA OF SCREEN AND MEDIA

**vu.edu.au/courses/CUA51015**

Forge a career as a make-up artist or technician for film, TV or photography with a Diploma of Screen and Media in Specialist Make-Up Services. Extend your knowledge as a make-up artist by learning skills in presenting photographic portfolios in print and digital format, body art, and airbrushing. “I chose VU because of its involvement with the community and how it caters to individual students’ needs.

“VU’s Arts degree provides the political science and sociology units I’m interested in so I can pursue a career in politics and society both here and overseas.

At uni I’ve made bonds and connections with such incredible people. You make friends that become like a family sharing so many of the same units.”

PIATH MATHIANG
Bachelor of Arts
Make a difference in the lives of young people and help shape the future by launching your career in education.

With an education degree from VU, you can specialise in early childhood, physical education, humanities, social sciences, mathematics, outdoor education, science and more.

An initial teacher education qualification will allow you to register with the Victorian Institute of Teaching and work in a variety of educational settings.

WHY STUDY EDUCATION AT VU?

LEARN MORE

Learn in the Workplace
Over 1800 local, national and international placement partners in education and youth work.

Collaborate
Pick from 15 exciting majors in our Bachelor of Education (P-12) and teach your passion at any school level.

Exceed expectations
Complete up to 735 placement hours in the classroom during your degree – well above the hours required for registration as a teacher.

For more information visit vu.edu.au/education
I CHOSE VU BECAUSE I LIKED THE IDEA OF BEING PLACED AT DIFFERENT SCHOOLS TO GAIN EXPERIENCE.

“The placements are where the real learning happens. The P-12 qualification also gives me the advantage of teaching at both primary and secondary levels. I remember in my final year how well supported we all were at VU.”

JOSHUA
Bachelor of Education (P-12)
We place great emphasis on the importance of workplace learning. This means more hours of experience in school, childcare and community settings during your degree. On placement, you will put theory into practice and be well prepared for your career. We have over 1800 local, national and international connections in the education profession that contribute to our curriculum and offer placements. These include childcare centres, primary and secondary schools, museums, libraries, employment agencies, zoos and community centres.

The Bulldogs Friendly Schools program, Scouts Victoria and Tennis Australia are just a few of the organisations that provide exciting opportunities to support your learning.

Find out more about work placements at vu.edu.au/education-placements

Accreditations apply to individual courses. Please see course details on pages 40-41 to see which accreditations apply.
“I chose to study my teaching degree at VU because the Bachelor of Education (P-12) offered extensive practical placement days in schools. I knew that the more practice I got in schools, the better teacher I would be. I moved into my current leadership role 18 months ago.”

KIMBERLEY NICHOLLS
Assistant Principal,
Romsey Primary School

WE ENJOY HAVING STUDENT TEACHERS FROM VU. THEY ARE WELL PREPARED AND SUPPORTED BY THEIR LECTURERS.
EDUCATION

Career opportunities: Children’s Services Coordinator, Teachers Aide, Integration Aide, Education Support Worker

OVERVIEW

CERTIFICATE IV IN EDUCATION SUPPORT  CHC40213
vu.edu.au/courses/CHC40213

Gain the skills and confidence required to work in a large range of education settings, including public schools, independent schools and community education as support. Through classroom and online learning as well as practical work placement, you will lay the groundwork for a rewarding career in education. Upon graduation, you will have the confidence, practical skills and knowledge to support teachers in public schools, independent schools and community education.

ACCREDITATION:

DIPLOMA OF EDUCATION STUDIES  EDES
vu.edu.au/courses/EDES

If you do not meet the entry requirements for the Bachelor of Education (P-12) through the formal selection process, this course is for you. You’ll receive additional support over a longer 16-week semester, to build the literacy and numeracy skills needed for a career in education, and prepare for the transition into university study. If you successfully complete the Diploma of Education Studies you may be eligible for a guaranteed place in the second year of the Bachelor of Education (P-12), where you can choose a specialist teaching area.

ACCREDITATION:

DIPLOMA OF TEACHER EDUCATION PREPARATION  22451VIC
vu.edu.au/courses/22451VIC

Start your journey towards a rewarding career in education. This course provides you with the essential teaching and learning skills required to pathway into an undergraduate teacher education program.

ACCREDITATION:

BACHELOR OF EDUCATION STUDIES  EBST
vu.edu.au/courses/EBST

Prepare for a rewarding career helping people to learn. This course provides preparation towards applying to transfer into VU’s teaching degrees, and prepares you to work in educational programs that suit your interests and passions. You’ll acquire educational skills and knowledge to work in a number of settings outside traditional schools, including community programs, public and welfare services, mentoring and tutoring programs and outside-of-school care. The Bachelor of Education Studies does not provide registration to teach in Australia, however completion of the first year of the course offers a pathway into the Bachelor of Education (P-12) degree.

ACCREDITATION:

EARLY CHILDHOOD EDUCATION

Career opportunities: Children’s Services Coordinator, Early Childhood Educator, Kinder Program Educator, Nanny

OVERVIEW

DIPLOMA OF EARLY CHILDHOOD EDUCATION AND CARE  CHC50113
vu.edu.au/courses/CHC50113

Gain the skills and qualification required to work at a high level in children’s services industry. You will develop skills in providing care and education to children, with an emphasis on play-based learning. You will learn to facilitate learning and play in order to enable children to achieve developmental outcomes.

This practical course will prepare you to enter work in a rewarding industry where you will provide education and care to children during their most formative years. You’ll complete five work placements and a first aid course.

ACCREDITATION:

ADMISSION

• Applicants must complete a pre-training review (PTR) and undertake a literacy and numeracy (LN) assessment to determine suitability for admission.
• Working With Children and Police Record Checks are required to participate in placements.

DIPLOMA OF EARLY CHILDHOOD EDUCATION AND CARE

• Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.*

BACHELOR OF EDUCATION STUDIES

• Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.*

• Applicants are best placed to successfully undertake this qualification if they have language, literacy and numeracy skills that align to Level 3 of the Australian Core Skills Framework (ACSF).
• For practical placement purposes, a current and satisfactory Working with Children Check will be required.*

• Applicants must complete a pre-training review (PTR) and undertake a literacy and numeracy (LN) assessment to determine suitability for admission.
• Students will be required to demonstrate they have the capacity to work with children and families in the highly demanding field of early childhood as set out by the Australian Children’s Education and Care Quality Authority (ACECQA) and the Education and Care Services National Regulations by participating in an interview. This may be conducted individually or as a group, at the discretion of VU Polytechnic.
• Working With Children and Police Record Checks are required to participate in practical placements.
• For traineeship delivery, you must be employed as a trainee.
• Preferred campus delivery depends on student numbers.

* Non-Traineeship
* Traineeship
OVERVIEW

BACHELOR OF EARLY CHILDHOOD EDUCATION

vu.edu.au/courses/EBEC

This course will prepare you to teach children from 0-5 years and understand the transition to school. Through curriculum, theory, cultural studies and a significant practical component, you will become a connective, confident and fully engaged educator. The course meets the requirements of the Australian Children’s Education and Care Quality Authority. Graduates can register with the Victorian Institute for Teaching (VIT) as an early childhood teacher.

ACCREDITATION: AUSTRALIAN CHILDREN’S EDUCATION AND CARE QUALITY AUTHORITY

PREP TO YEAR 12 TEACHING

Career opportunities: Primary School Teacher, Secondary School Teacher, Teachers Aide, Integration Aide, Enterprise Trainer

OVERVIEW

BACHELOR OF EDUCATION (P-12)

vu.edu.au/courses/EBED

In this four-year course you can choose to major in:

- art
- biology
- digital media
- disability studies in education
- English (literary studies)
- environmental studies
- health
- humanities
- mathematics
- media studies
- music
- outdoor education
- physical education (secondary)
- psychology
- student welfare.

You will be qualified to be accredited by the Victorian Institute of Teaching to teach in primary and secondary school settings. Completion of the major in Disability Studies provides a qualification to teach in special education settings.

ACCREDITATION: AUSTRALIAN CHILDREN’S EDUCATION AND CARE QUALITY AUTHORITY

DOUBLE QUALIFICATION

Career opportunities: Chemistry Teacher, Biotechnology Teacher, Ecology Teacher

OVERVIEW

BACHELOR OF SCIENCE/MASTER OF TEACHING (SECONDARY EDUCATION)

vu.edu.au/courses/ECST

Undertake an initial program in science and then complete an accredited Masters program in secondary teaching with this double qualification. This combination provides you with a science degree combining intensive hands-on laboratory and fieldwork experience in the core major studies of biotechnology, ecology and environmental management with a postgraduate qualification in secondary teaching in your chosen area.

In order to become eligible for registration with the Victorian Institute of Teaching, you will be required to pass the national Literacy and Numeracy Test for Initial Teacher Education (LANTITE).

* The information above is valid for applicants with recent secondary education only. If you have previous VET/TAFE study, higher education study or work and life experience, please see course webpage listed.

The course information above was accurate at the time of printing (March 2021). Some course names and codes will change for 2022 as these courses are updated on the national register. For the latest information visit vu.edu.au/courses

KEY: DURATION | LOCATION

Undergraduate Course Guide — CRICOS Provider No. 00124K (Melbourne) | CRICOS Provider No. 024750 (Sydney) | RTO Code: 3113
**EDUCATION PATHWAYS**

The tables below demonstrate our guaranteed pathways. This is just a small sample of what can be achieved with VU’s many pathway options. Choose the course on the left based on your own education needs, and pathway into the higher degree on the right.

You can enter and exit at many levels and courses, and transfer between study areas if your interests change while you’re studying. It all depends on your own needs and experience.

### What are course credits?
Many of our TAFE courses give you credits towards a higher diploma or degree, so you can complete your studies faster.

Most units or ‘subjects’ equal 12 credit points, so 96 course credits would reduce your degree by eight units (or one year full time).

### Pathways to a teaching career with the Master of Teaching
If you have an existing bachelor degree from any discipline, you may be eligible to enter the Master of Teaching (Primary or Secondary Education) or the Graduate Diploma in Early Childhood Education.

VU’s Bachelor of Education Studies provides a pathway into the Master of Teaching (Primary or Secondary Education), and the Bachelor of Early Childhood Education is a pathway into the Master of Teaching (Primary Education).

*Students must achieve a minimum distinction average and meet all other selection requirements, including successful completion of the Literacy and Numeracy (LANTITE) and CASPer tests prior to enrolment in EBED Bachelor of Education (P-12).

**Additional admission requirements apply.*
“When my Year 12 results didn’t pan out, I discovered VU’s Diploma of Education Studies with a pathway that put me straight into second year of a bachelor degree.

My final placement school is where I was offered my current role – as a teacher, Year 9 coordinator and adviser.”

TROY
Diploma of Education Studies (EDES)
Bachelor of Education (P-12)

“DOING WORK PLACEMENTS IN FIVE DIFFERENT SCHOOLS DURING MY STUDIES HELPED ME SHAPE MY PRACTICE AS A TEACHER.”

TROY’S STORY
ENGINEERING, SCIENCE, IT & BUILT ENVIRONMENT

If your dream is to innovate, build or design the future, a VU degree in engineering, science, information technology (IT) or built environment is the perfect place to launch your career.

Our industry connections have led us to develop work-focused engineering and built environment degrees, while our science courses provide a unique preparation for professional scientific careers, with an emphasis on analytical techniques and extensive field-based study experience.

Solve today’s problems
Learn through Problem-Based Learning (PBL) by addressing real-world challenges brought from industry to the classroom. Our courses are highly regarded: we’re ranked equal third in Victoria for Computer Science and equal fourth in Victoria for Engineering (2021 Times Higher Education World University Rankings).

Challenge the STEM gender gap
Our Women in Science & Engineering (WiSE) program supports female students and inspires future generations of women to choose science, technology, engineering and mathematics (STEM) careers.

Take your study on tour
Complete course units and practical placements with our international engineering and science partners.

LEARN MORE
THE INTERNSHIP EXPERIENCE I GOT DURING MY DEGREE WAS FANTASTIC. IT LED TO A PERMANENT POSITION AT MARIBYRNONG CITY COUNCIL.

"Your degree is only one aspect of your application – many organisations look at workplace experience, communication skills and referees. The best part of my internship was being immersed in that work environment, networking and developing my skills."

DENI
Bachelor of Engineering (Honours)
Civil Engineering

DENI’S STORY
We have thousands of connections to industry across engineering, science, IT and built environment that inform our teaching. These include Australian and international organisations such as Engineers Australia, City West Water, Transurban-West Gate Tunnel Project, Australian Defence Force, Intrax, and more.

They offer our students practical learning opportunities to ensure you graduate well-prepared for the demands of your workplace.

Find out more at [vu.edu.au/partnerships](http://vu.edu.au/partnerships)

**School for Transport Systems and Civic Infrastructure**

VU's School for Transport Systems and Civic Infrastructure is a cross-university school, delivering teaching, research and innovation.

We build on and sustain Australia’s capabilities in transport systems and civic infrastructure and meet the ever-increasing demands of this growth industry.

Our goal is to help the workforce to innovate in the transport space. Working with transport organisations and their communities, we find ways to respond to social, technical and environmental changes.

**Problem-based learning**

We prepare you to create practical solutions to meet the world’s challenges through industry-sponsored projects and our unique Problem-Based Learning (PBL) program through which you can gain experience solving real-world problems provided by industry partners like City West Water, Intrax Consulting Engineers, CISCO and Hendry Group. Problem-Based Learning is embedded across our courses, allowing you to solve problems in a realistic context and develop your critical thinking skills, making you an ideal choice for employers.

Accreditations apply to individual courses. Please see course details on pages 48-50 to see which accreditations apply.
“We’ve taken on many graduates who completed degrees in building surveying with VU, and several more as interns and junior surveyors. We find them to be highly skilled, with a strong working knowledge of the profession.”

EMMA HENDRY
CEO Hendry Group

PAIRING ACADEMIC LEARNING WITH PRACTICAL EXERCISES, AS VU DOES, IS THE MOST EFFECTIVE WAY TO DEVELOP AND PREPARE STUDENTS TO WORK IN THE BUILT-FORM.

EMMA’S STORY
**BUILT ENVIRONMENT**

**Career opportunities:** Building Surveyor, Construction Manager, Quantity Surveyor, Project Manager, Builder

**OVERVIEW**

**DIPLOMA OF BUILDING AND CONSTRUCTION (BUILDING)**

vu.edu.au/courses/CPC50210

Add to your hands-on industry experience with a Certificate IV in Building and Construction (Building) and take the first steps to becoming a registered builder. This course is designed for those wishing to obtain formal registration under Victorian building legislation. You will learn to take responsibility for the complete construction of a building.

**ADMISSION**

- Applicants must complete a pre-training review (PTR) and undertake a literacy and numeracy (LN) assessment to determine suitability for admission.

**ADVANCED DIPLOMA OF BUILDING DESIGN (ARCHITECTURAL)**

vu.edu.au/courses/22477VIC

Open the door to entry-level design positions in the building industry by learning skills in construction technology for residential and commercial buildings, designing safe and sustainable buildings, managing complex projects and more. Gain hands-on practice with industry projects, site visits and industry simulation activities.

**ADMISSION**

- Applicants must complete a pre-training review (PTR) and undertake a literacy and numeracy (LN) assessment to determine suitability for admission.

**ADVANCED DIPLOMA OF BUILDING SURVEYING**

vu.edu.au/courses/CPC60115

Get training in building theory and building surveying related to residential, industrial and commercial buildings. This course includes specialist skills in plan preparation, construction technology, site supervision, business management, building surveying procedures and practices and more.

**ADMISSION**

- Applicants must complete a pre-training review (PTR) and undertake a literacy and numeracy (LN) assessment to determine suitability for admission.

**BACHELOR OF BUILDING DESIGN**

vu.edu.au/courses/NBBD

This course combines the creative practices of an architectural design studio with the cultural, social, technical and sustainability issues that are associated with the built environment. You’ll use innovative processes to solve problems creatively and determine solutions for a better future. Modern computer labs, design studios, site visits and interaction with industry practitioners will take you into ‘real life’ situations with industry briefs.

**ADMISSION**

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.*

**BACHELOR OF CONSTRUCTION MANAGEMENT (HONOURS)**

vu.edu.au/courses/NHCM

This course provides you with the skills to manage all aspects of the construction process. Building and construction managers are responsible for the design, development, construction and operation of civil engineering and large-scale residential and commercial building projects.

**ADMISSION**

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.*

**BACHELOR OF BUILDING SURVEYING**

vu.edu.au/courses/NBBS

Become a specialist in building and construction laws, codes and regulations, industry standards in professional practice, building safety and design with a degree in building surveying. In this course, the only one of its kind in Victoria, you will study and develop skills in building legislation and auditing, building codes, sustainable construction techniques and materials, fire safety design, inspection procedures, building services and professional practice.

**ADMISSION**

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.*
ENGINEERING

Career opportunities: Design Engineer, Building Services Engineer, Hydraulic Engineer, Estimator, Structural Engineer, Civil Engineer, Water Engineer, Environmental Engineer, Telecommunications Engineer

OVERVIEW

ADVANCED DIPLOMA OF ENGINEERING TECHNOLOGY (ELECTRICAL) [UEE62111]

vu.edu.au/courses/UEE62111

Learn the skills to design, validate and evaluate electrical equipment and systems, and provide technical or sales advice. Prepare to work in specific industry areas such as motor control, Programmable Logic Controller (PLC), programming, electronic design, Supervisory Control and Data Acquisition (SCADA), low voltage installations, HVAC and BMS control systems, and solar grid design systems and sustainable practices.

ADMISSION

• There are no prerequisites for this course.*

BACHELOR OF ENGINEERING (HONOURS) (CIVIL ENGINEERING) [NHEC]

vu.edu.au/courses/NHEC

Be part of a growing demand for civil engineers producing well-engineered, effective and sustainable facilities. This course covers the planning, design, construction and management of essential community infrastructure, including bridges, roads and transport systems; commercial and industrial buildings; irrigation, drainage and flood protection systems; and water supply and wastewater systems.

ACCREDITATION:

• Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL; and a study score of at least 20 in any Mathematics.*

BACHELOR OF ENGINEERING (HONOURS) (ARCHITECTURAL ENGINEERING) [NHEA]

vu.edu.au/courses/NHEA

Architectural engineering is the design of modern building systems - the systems that support the architecture of a building. Our course allows you to focus on the environmental building services systems or structural systems that a building needs. The course encompasses elements of other engineering disciplines, including structural, mechanical, electrical, and others. You will cover the process of making safe buildings, with a focus on innovative and sustainable design concepts.

ACCREDITATION:

• Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or 20 in any other English. PLUS: Units 3 and 4 with a study score of 20 in Mathematics (any).*

BACHELOR OF ENGINEERING (HONOURS) (ELECTRICAL AND ELECTRONIC ENGINEERING) [NHEE]

vu.edu.au/courses/NHEE

Interested in the latest technologies such as the Internet of Things, virtual reality, autonomous cars, robots, artificial intelligence or solar power generation? If so, electrical and electronic engineering is the degree for you. Embark on a journey of discovery into the world of electronics, telecommunications, control and power systems. Gain practical problem-solving and design skills working on exciting projects. Contribute to the next generation of innovative thinkers.

ACCREDITATION:

• Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or 20 in any other English. PLUS: Units 3 and 4 with a study score of 20 in Mathematics (any).*

BACHELOR OF ENGINEERING (HONOURS) (MECHANICAL ENGINEERING) [NHEM]

vu.edu.au/courses/NHEM

Get set for an exciting career inventing devices and generating clever solutions to engineering challenges. Mechanical engineers use their in-depth knowledge of the physical sciences and maths to improve quality of life on Earth. Recent engineering breakthroughs include 3D printing machines, unmanned vehicles and high-performance prostheses. This degree focuses on modelling and simulation of components, machines, processes and systems. During your studies you will be challenged with real-life problems to ensure that you are career-ready when you graduate.

ACCREDITATION:

• Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or 20 in any other English. PLUS: Units 3 and 4 with a study score of 20 in Mathematics (any).*

* The information above is valid for applicants with recent secondary education only. If you have previous VET/TAFE study, higher education study or work and life experience, please see course webpage listed.

The course information above was accurate at the time of printing (March 2021). Some course names and codes will change for 2022 as these courses are updated on the national register. For the latest information visit vu.edu.au/courses

ENGINEERING, SCIENCE, IT & BUILT ENVIRONMENT
INFORMATION TECHNOLOGY

Career opportunities: Software Analyst, Web Developer, Cloud Engineer, Data Analyst, Project Manager, System Security Consultant, App Developer

OVERVIEW

DIPLOMA OF INFORMATION TECHNOLOGY

If you do not meet the entry requirements for the Bachelor of Information Technology through the formal selection process, this course is for you. You will receive additional support over a longer 15-week semester, to build the literacy and numeracy skills needed for a career in IT, and prepare for the transition into university study. If you successfully complete this diploma you will be eligible for a guaranteed place in the second year of the Bachelor of Information Technology.

BACHELOR OF INFORMATION TECHNOLOGY

Become a specialist in your field in this vast industry, and choose your own job pathway that meets your passion and strengths. Our three-year course offers a personalised learning experience. We focus on areas of high job demand such as web/mobile app development, big data, cyber security, data analytics and ICT management.

ACCREDITATION:

BACHELOR OF INFORMATION TECHNOLOGY (PROFESSIONAL)

Our IT (Professional) degree gives you a solid foundation in the latest web and mobile app development, and network and systems design. You’ll also have the exciting opportunity to solve real-world problems with a 12-month paid internship in the IT industry as part of your degree.

ACCREDITATION:

BACHELOR OF CYBER SECURITY

Our cyber-security degree opens many career possibilities. You will study information technology, preparing you for a career in software development or the networking industry. Then you will focus on specialised units in cyber security - developing skills in cyber-threat detection and risk management - gaining the expertise needed for specialised roles. You will graduate with an internationally recognised degree, giving you the opportunity to launch your career within or outside Australia.

ACCREDITATION:

SCIENCE

Career opportunities: Biotechnologist, Laboratory Scientist, Environmental Scientist, Science Educator, Ecologist, Environmental Consultant, Forensic Scientist

OVERVIEW

BACHELOR OF SCIENCE

Study an industry-focused science degree that offers intensive hands-on laboratory and fieldwork experience. This three-year course has common first year units and a choice of specialist majors and/or minors in the final two years. The two major study areas of this course are:

- Biotechnology
- Ecology and Environmental Management.

Do you aspire to a rewarding career in the health sector? Our range of health and biomedicine courses will ignite your passion and can lead to a successful future. From nursing and psychology to paramedicine, biomedicine, social work and nutrition, our health and allied health-related programs are held in high regard around Australia and the world.

Why study at VU?

- Discover the latest technology
  New multi-million dollar paramedic, nursing and midwifery simulation laboratories offer advanced, interactive mannequins and realistic settings.

- Learn in the workplace
  50+ industry partners offer student placements and contribute to our course content.

- Get hands-on from year one
  Paramedicine students receive more than 360 hours of clinical placement with Ambulance Victoria starting in first year.

For more information visit vu.edu.au/health-biomedicine
ALL OF THE THEORETICAL LEARNING AT VU IS FOLLOWED BY CLINICAL PLACEMENTS TO EXPOSE STUDENTS TO POTENTIAL FUTURE WORKPLACES.

“This meant I could consolidate my learning and develop the necessary practical skills – a very important step in the learning process. On placement, the employers get to know you and watch your development. You’re already a familiar face to them by the time you’re applying for positions.”

ANDY
Bachelor of Midwifery
Bachelor of Nursing

ANDY’S STORY
We have many diverse connections with local, national and international health organisations.

These include The Royal Children’s Hospital, Peter MacCallum Institute, British School of Osteopathy and London Ambulance. These relationships inform our curriculum and help students gain the latest knowledge, skills and experience necessary to be work-ready before they graduate.

VU has longstanding partnerships with Western Health, Werribee Mercy Hospital and Ambulance Victoria, that provide well-supported clinical learning environments for our nursing, midwifery, physiotherapy and allied health students.

Accreditations apply to individual courses. Please see course details on pages 58-63 to see which accreditations apply.
“They focus on the care of our diverse community. I feel very proud to see a VU student come through their training, and actually work a full time job here at Western Health where they’ve trained.”

MYRA ROBLES
Nurse Unit Manager,
Western Health

OUR MAIN AIM IS RECRUITING VU STUDENTS, BECAUSE WE FIND THAT THEIR CURRICULUM IS ROBUST.

NURSING AND MIDWIFERY

Career opportunities: Division 2 Nurse, Nurse, Nurse/Midwife

OVERVIEW

DIPLOMA OF NURSING

Embark on a rewarding career as an enrolled nurse with the opportunity to work anywhere in Australia with the Diploma of Nursing. This course provides the foundational skills and knowledge to work as a nurse in the dynamic healthcare industry. You’ll learn to provide acute, preventative, curative and rehabilitative care under the direction of a registered nurse. The course will enable you to become knowledgeable in medication administration, anatomy and physiology, infection control, intravenous injections and general nursing. You will gain hands-on learning experience in our ward simulation labs as well as clinical experience through 400 hours of practical placements.

ACCREDITATION:

ADMISSION

As part of the application process, all applicants must:

- be at least 18 years of age or over by the time of commencement date of the program
- complete a Pre-training Review (PTR) and undertake a literacy and numeracy (LN) assessment to determine suitability for admission
- attend an interview
- provide one (1) type of proof of the English language competency achieved to meet the Nursing and Midwifery Board of Australia’s (NMBA) requirements of the English language skills registration standard. Refer to website nursingmidwiferyboard.gov.au

Placement requirements: In addition to the above requirements, all students must provide the following documentation prior to placement:

- a current Working with Children Check (WWCC)
- a satisfactory Police Record check
- a Health Status check (immunisations status) are required for clinical placement purposes.

For full information for this course, see vu.edu.au/courses/HLT54115

BACHELOR OF NURSING

This three-year course is designed to meet the needs of contemporary health care, where you will develop the knowledge and skills for practice at a beginning level as a general or mental health nurse. Graduates will be able to work collaboratively across a range of health care settings and contribute to the development of new nursing knowledge.

In this course you will begin learning the concepts of nursing across the lifespan: indigenous and cultural safety, anatomy and physiology, fundamental nursing knowledge and skills, and primary health care. In second year, you will develop your knowledge through contemporary nursing and mental health units and evidence-based practice. In your final year you will develop specialty nursing skills and transition into practice as a graduate nurse. Throughout the course you will have 800 professional practice hours.

ACCREDITATION:

BACHELOR OF MIDWIFERY/ BACHELOR OF NURSING

This innovative four-year undergraduate double degree is a varied extensive program which will give you the competency and confidence to work as a midwife and nurse.

Midwives provide comprehensive, professional care focused on a woman’s individual needs and expectations. In the Bachelor of Nursing there is a balanced wellness and illness-based approach to person-centred care across the lifespan.

ACCREDITATION:

NUTRITION, FOOD AND HEALTH SCIENCES

Career opportunities: Nutritionist, Dietitian, Community Nutrition and Public Health Project Officer, Health Services and Health Research, Research Assistant

OVERVIEW

DIPLOMA OF HEALTH COACHING

Develop the skills and knowledge to work confidently in the health and wellbeing sector as a health coach, providing healthy eating, exercise and lifestyle management support to individuals and groups. This course provides you with the capabilities to deliver health coaching advice and practice, nutrition and fitness, and develop your research and professional development skills. If you already work in health or fitness, this course offers you the coaching skill set to expand your service offering.

ACCREDITATION:

ADMISSION

Applicants must:

- be over 18 years of age, and;
- complete a Pre-training Review (PTR) and undertake a literacy and numeracy (LN) assessment to determine suitability for admission.

health & biomedicine
OVERVIEW

BACHELOR OF HEALTH SCIENCE
vu.edu.au/courses/HBHL

Our Bachelor of Health Science is designed to provide you with the foundation, flexibility and a pathway for a career in the health sciences field. Study this course to learn about health promotion, injury prevention, health research, gender health, nutrition, project design, health and disease patterns including disease prevention and management.

BACHELOR OF HUMAN NUTRITION
vu.edu.au/courses/HBNT

Start with a broad discipline base in nutrition, food and related sciences, and move on to year two subjects that specialise in Human Nutrition and Food Science. In final year you will acquire further specialist knowledge and skills in Human Nutrition, and have the option of studying a minor in Biomedical Nutrition, Public Health Nutrition or Exercise and Nutrition. This allows you to broaden and enrich your learning and diversify employment opportunities enabling you to successfully compete in professional settings within the community nutrition, food service and the public health sector and/or pursue postgraduate study.

BACHELOR OF NUTRITIONAL SCIENCE/MASTER OF DIETETICS
vu.edu.au/courses/HCND

Our 4.5-year dual degree will give you the food-related knowledge and clinical skills needed to work in private practice, care settings and public programs. Through coursework and hands-on experience in professional settings, you will become adept at delivering strategies that help people and populations make better food choices to prevent and manage disease and illness.

Your health-science knowledge will be underpinned by well-honed interpersonal skills that allow you to translate the scientific research on nutrition, health and disease into practical advice for clients and colleagues.

ACCREDITATION:
The University has received Program Qualification from the Dietitians Australia (DA) and has sought advice regarding the processes for the accreditation of the dietetics program. The University is planning to submit an accreditation application within the required timelines, and aiming to achieve accreditation prior to graduation of the first cohort of students.

OVERVIEW

PHYSIOTHERAPY

Career opportunities: Physiotherapist

BACHELOR OF APPLIED MOVEMENT SCIENCES/MASTER OF PHYSIOTHERAPY
vu.edu.au/courses/HCPT

This dual-degree will prepare you for real-world, contemporary physiotherapy practice. You will learn how to restore, maintain and enhance people’s mobility, function and health—regardless of their age or physical ability.

The Master of Physiotherapy is accredited by the Australian Physiotherapy Board of Australia enabling them to practise in Australia.

ACCREDITATION: AUSTRALIAN PHYSIOTHERAPY COUNCIL

PARAMEDICINE

Career opportunities: Emergency Paramedic, Patient Transport Officer

DIPLOMA OF PARAMEDICAL SCIENCE
vu.edu.au/courses/HLTS1015

You will gain clinical skills and theoretical knowledge to treat and transport patients. This course will prepare you to work in pre-hospital and out-of-hospital care in the health care industry. You will be qualified to work in the private and non-emergency patient transport sector as an Ambulance Transport Attendant (ATA) in Victoria. You will complete practical clinical placement and be introduced, under supervision, to the responsibilities of an ATA to ensure you graduate job-ready. This diploma provides the skills required by some state ambulance authorities and non-emergency patient transport companies to deliver patient care and transport services.

ACCREDITATION:

Find out everything about your course via its URL above, or browse for courses vu.edu.au/courses

OVERVIEW

BACHELOR OF PARAMEDICINE
vu.edu.au/courses/HBPD

Undergraduate Course Guide — CRICOS Provider No. 00124K (Melbourne) | CRICOS Provider No. 024750 (Sydney) | RTO Code: 3113

Begin a rewarding career in the private and non-emergency transport sector. You will gain the skills necessary to treat and transport patients who are injured or suffering a non-threatening illness. You will complete practical clinical placement and be introduced, under supervision, to the responsibilities of the ambulance paramedic to ensure you graduate job-ready.

ADMISSION

• Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.
• ATAR is a selection consideration for this course – for the ATAR profile of this course, please see vu.edu.au/atar-profile
• Completion of at least two semesters of Bachelor of Paramedicine (HBPD) at Victoria University will provide an opportunity to apply for second-year entry to the Bachelor of Speech and Language Sciences/Master of Speech Pathology.

OSTEOPATHY

Career opportunities: Osteopath

OVERVIEW

BACHELOR OF SCIENCE (OSTEOPATHY)
vu.edu.au/courses/HBSO

Build a career in osteopathy with this popular and well regarded dual degree. Upon successful completion of this three-year course, you will complete the Master of Osteopathy to become a qualified osteopath. Core studies include anatomy, biomedial sciences, evidence-based practice, osteopathic clinical sciences.

ACCREDITATION:

BACHELOR OF SCIENCE/MASTER OF HEALTH SCIENCE (OSTEOPATHY)
vu.edu.au/courses/HCOP

VU offers one of only three of these accredited double degree programs in Australia. Core studies include anatomy, osteopathic science, physiology and biochemistry. You will undertake fieldwork and clinical practice to prepare you for your osteopathy career.

ADMISSION

• Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL and a study score of at least 20 in one of Biology, Chemistry, any Maths or Physics.
• ATAR is a selection consideration for this course – for the ATAR profile of this course, please see vu.edu.au/atar-profile

SOCIAL WORK

Career opportunities: Social Worker, Support Worker

OVERVIEW

BACHELOR OF SOCIAL WORK
vu.edu.au/courses/ABSW

This course prepares you for real-world contemporary social work practice. You will gain the knowledge and skills needed to be critically reflective agents of change both with, and within, complex and diverse settings. The course is designed to enhance your ability to work with individuals, families, groups and communities in the context of their physical, social and cultural environments. In the final two years of your program you will undertake supervised professional practice in a range of settings. At the end of your course you will be eligible for membership of the Australian Association of Social Workers (AASW).

ACCREDITATION:

ADMISSION

• Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.
• The Diploma of Community Development and Diploma of Community services (see pg 86) are guaranteed pathways into this degree with a year of course credit.

PSYCHOLOGY

Career opportunities: Welfare worker, Psychologist, Market Researcher, Human Resources Officer, Community Services Worker

OVERVIEW

CERTIFICATE IV IN MENTAL HEALTH
vu.edu.au/courses/CHC43315

Develop the skills for a rewarding career in the fast-growing health industry, working with people experiencing mental health issues. This course will give you the foundation knowledge and skills to provide a wide range of services, including establishing self-directed recovery relationships and providing recovery-oriented mental health services. Participating in 80 hours of work placement will give you practical industry experience as well as on-the-job confidence.

ADMISSION

• Applicants must complete a pre-training review (PTR) and undertake a literacy and numeracy (LN) assessment to determine suitability for admission. For employment and practical placement purposes, this vocational sector typically requires a current and satisfactory Police Record Check and Working with Children Check.

* Meeting the minimum requirement for entry to second year does not guarantee entry. Places are limited and applicants will be competitively ranked based on their course Weighted Average Mark in their first two semesters of study.

* The information above is valid for applicants with recent secondary education only. If you have previous VET/TAFE study, higher education study or work and life experience, please see course webpage listed.

The course information above was accurate at the time of printing (March 2021). Some course names and codes will change for 2022 as these courses are updated on the national register. For the latest information visit vu.edu.au/courses
SPEECH PATHOLOGY

Career opportunities: Speech Pathologist

OVERVIEW

BACHELOR OF SPEECH AND LANGUAGE SCIENCES/ MASTER OF SPEECH PATHOLOGY

vu.edu.au/courses/HCSP

Turn your passion for social equity and health science into an exciting career in speech pathology, sometimes referred to as speech therapy. This dual degree will prepare you to support those with communication and/or speech and swallowing challenges, as well as their families and the broader community.

With practical learning opportunities, you'll be prepared for work in this contemporary profession across complex and diverse settings. The course has been designed to meet the accreditation standards of Speech Pathology Australia (SPA) and is currently in the qualifying phase of accreditation.

ACCREDITATION:

ADMISSION

• Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in any other English.

PLUS

• A study score of at least 20 in two of Biology, Chemistry, Physics, Mathematics (any), Psychology, Sociology, Texts and Traditions, Health and Human Development, or LOTE (any).

• ATAR is a selection consideration for this course - for the ATAR profile of this course, please see vu.edu.au/atar-profile

Completion of at least two Higher Education semesters in one of the following courses at Victoria University:

- Bachelor of Health Science (HBHL)
- Bachelor of Dermal Sciences (HBDS)
- Bachelor of Applied Movement Sciences/ Master of Physiotherapy (HCPT)
- Bachelor of Nursing (HBNN)
- Bachelor of Nursing and Midwifery (HBMA)
- Bachelor of Human Nutrition (HBNT)
- Bachelor of Paramedicine (HPBD)
HEALTH & BIOMEDICINE PATHWAYS

The tables below demonstrate our guaranteed pathways. This is just a small sample of what can be achieved with VU’s many pathway options. Choose the course on the left based on your own education needs, and pathway into the higher degree on the right.

You can enter and exit at many levels and courses, and transfer between study areas if your interests change while you’re studying. It all depends on your own needs and experience.

*Subject to competitive entry process.
Potential applications are encouraged to consider the Certificate III in Non-Emergency Patient Transport

What are course credits?
Many of our TAFE courses give you credits towards a higher diploma or degree, so you can complete your studies faster. Most units or ‘subjects’ equal 12 credit points, so 96 course credits would reduce your degree by eight units (or one year full time).

vu.edu.au/pathways

`KEY:` DURATION LOCATION

Undergraduate Course Guide — CRICOS Provider No. 00124K (Melbourne) | CRICOS Provider No. 024750 (Sydney) | RTO Code: 3113
Pursue a dynamic and fulfilling role in the legal profession with our courses in legal practice, legal services and criminology.

In the heart of Melbourne’s CBD and the legal district, Victoria Law School provides you with the skills to address the challenges of contemporary legal practice.

**WHY STUDY AT VU?**

- **AWARD-WINNING MOOT PROGRAM**
- **CLINICAL LEGAL INTERNSHIP PROGRAM**
- **STUDY EXCHANGE**

**STUDY AREAS**

- Law
- Legal Services
- Criminology
- Law Double Degrees

**Prepare your case**
Get practical experience preparing for court and representing clients with our on-campus moot (simulation) courts and award-winning mooting program.

**Learn in the workplace**
Internship opportunities are available at the County, Magistrates’ and Supreme Courts, with some of Australia’s leading lawyers, judges and barristers.

**Take your course on tour**
Study exchange at University of Cambridge (UK), Los Angeles Law School (USA) or the International Islamic University of Malaysia.

“DURING MY STUDIES I HAD THE PRIVILEGE OF UNDERTAKING A ONE-MONTH PLACEMENT AT THE COUNTY COURT WHERE I GAINED A FASCINATING INSIGHT INTO THE INNER WORKINGS OF THE COURT.”

“My biggest achievements at VU came from the extra-curricular activities where I developed my advocacy skills and gained courtroom experience in several successful mooting competitions.”

BOL
Bachelor of Laws/Bachelor of Arts

BOL’S STORY
LAW & JUSTICE

CAREER CONNECTIONS

We have industry links with a broad range of legal organisations that inform our teaching and offer practical placements, ensuring you are ready to take on the challenges of a career in law.

Victoria Legal Aid Family Law internships
Undertake a six-month work placement, helping resolve family disputes and achieve safe care arrangements for children.

Supreme Court & County Court internship programs
Gain a practical and detailed understanding of court proceedings, working alongside respected judges.

Prosecutions Division, Victoria Police
Participate in a two-week placement with the Prosecutions Division, in a police prosecution specialist area.

Westjustice Sunshine Youth Office
Gain experience with Westjustice, providing young people with advice and referrals.

Magistrates’ Courts Programs
Gain experience at the Melbourne, Sunshine and Werribee Magistrates’ Courts.

Mooting
Participate in the award-winning VU moot (simulated court) program and moot competitions including the Kirby Moot, Vienna Moot, and Jessup Moot.

Find out more at vu.edu.au/wil

LEARN FROM THE BEST

We are proud to have some of the country’s biggest names in law supporting our courses, including prestigious Adjunct Professors who inform our teaching and offer guest lectures.

The Honourable Dr Craig Emerson
Former Federal Government minister and high-profile economist

The Honourable Michael Kirby AC
Former Justice of the High Court of Australia and active human rights advocate

Robert Stary
Criminal law specialist and Principal of Stary Norton Halphen Criminal Lawyers
“These skills can’t be learnt in theory – you need the real industry experience found in Law programs like those offered at VU.”

NEIL ANDREWS  
Principal Lawyer, Slater & Gordon

Accreditations apply to individual courses. Please see course details on pages 68-70 to see which accreditations apply.
CRIMINOLOGY

Career opportunities: Forensics, Paralegal and Legal Aid, Correctional and Community Service Officer, Security and Intelligence, Victim Support Officer, Youth Justice Officer, Investigator, Crime Analyst, Police and Border Security work, Policy work.

OVERVIEW

BACHELOR OF CRIMINOLOGY
vu.edu.au/courses/LBCR

Gain the knowledge and skills needed to help police, legal and social-welfare organisations address the causes and results of criminal behaviour. You'll study policing and offending, law, crime and forensic investigations among other fascinating areas through coursework and a practical research project.

ADMISSION

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.*

BACHELOR OF CRIMINOLOGY / BACHELOR OF PSYCHOLOGICAL STUDIES
vu.edu.au/courses/LBCP

Study the motivations that underpin criminal acts, and gain the knowledge needed to make a difference in the community, with this four-year double degree, which combines the core units of the Bachelor of Criminology and the Bachelor of Psychology. As part of this course, you'll get practical experience in a fieldwork placement unit, where you will consolidate and apply the knowledge and skills gained in your studies.

ADMISSION

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or 20 in any other English.*

LAW

Career opportunities: Human Rights Advocate, Lawyer, Legal Advisor, Policy Worker, Professional Writer, Politican, Solicitor, Barrister

OVERVIEW

BACHELOR OF LAWS
vu.edu.au/courses/BLAW

In this course, you'll study the compulsory academic requirements to practise law, as well as areas of the law which interest you. Through our partnerships with the courts and community legal services, you'll also gain practical, real-world experience of the justice system. This course will provide you with a range of legal professional skills, such as advocacy, ethical judgement, communication, legal research and writing, interviewing and negotiation, and relevant legal professional computing skills.

ADMISSION

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 30 in English (EAL) or 25 in any other English.
- PLUS: Units 3 and 4: a study score of at least 20 in one of Economics, any History, Legal Studies, Australian Politics, Global Politics or Psychology.
- ATAR is a selection consideration for this course – for the ATAR profile of this course, please see vu.edu.au/atar-profile

BACHELOR OF LAWS (HONOURS)
vu.edu.au/courses/LHLW

This broad ranging course combines foundation subjects, the compulsory “Priestley Eleven” areas of legal knowledge required for admission to legal practice in Australia, practical subjects to hone your legal skills, and a range of electives to enable you to explore the areas of law which interest you.

ADMISSION

- Students in any Bachelor of Laws may apply to transfer into any Bachelor of Laws (Honours) once they have completed a minimum 192 credit points (equivalent to 16 units) and have attained an average mark of distinction or above.*

BACHELOR OF LAWS (GRADUATE ENTRY)
vu.edu.au/courses/BLGE

Build on your existing experience to obtain a qualification in the field of law. This three-year degree is available to bachelor degree graduates from any discipline.

ADMISSION

- Satisfactory completion of an Australian bachelor degree or equivalent.

BACHELOR OF LAWS (HONOURS) (GRADUATE ENTRY)
vu.edu.au/courses/LHGE

Have you graduated with a bachelor degree? Increase your career options by studying law. This course covers criminal, commercial, property and corporations law, as well as equity and trusts.

ADMISSION

- Students in any Bachelor of Laws may apply to transfer into any Bachelor of Laws (Honours) once they have completed a minimum 192 credit points (equivalent to 16 units) and have attained an average mark of distinction or above.*
OVERVIEW

BACHELOR OF LAWS/BACHELOR OF ARTS
vu.edu.au/courses/LBWA

This double degree includes the compulsory academic requirements to practise law and will prepare you for a career not only for a career in law, but also in the corporate and community sectors, government and non-government organisations. Through our partnerships with the courts and community legal services, you’ll also gain practical, real-world experience of the justice system.

BACHELOR OF LAWS (HONOURS)/ BACHELOR OF ARTS
vu.edu.au/courses/LHWA

Gain knowledge and skills across two disciplines, allowing you to determine your own individual career path. You will study the compulsory academic requirements to practise law, as well as areas of the law which interest you. We make sure you’re work-ready through authentic experiences with public sector authorities such as the Magistrates’ Courts and private law firms.

BACHELOR OF LAWS/BACHELOR OF BUSINESS
vu.edu.au/courses/LBWB

Gain the academic and professional requirements to be admitted to legal practice in Victoria and develop skills, knowledge and professional acumen across a range of business specialisations, preparing you for careers in the legal community, business or government. For business specialisations, see page 26.

BACHELOR OF LAWS (HONOURS)/ BACHELOR OF BUSINESS
vu.edu.au/courses/LHWB

This double degree will provide you with a global and social justice perspective, and an understanding of human behaviour, motivation, relationships, communication and cognitive processes.

BACHELOR OF LAWS/BACHELOR OF CRIMINOLOGY
vu.edu.au/courses/LBLC

Gain expertise in criminal investigation, sentencing and security, at national and international levels as well as practical skills in investigating and providing strategic advice in relation to crime and crime management. The Bachelor of Laws satisfies the academic requirements to become an Australian lawyer, as required by the Victorian Legal Admissions Board (VLAB).

BACHELOR OF LAWS/ BACHELOR OF PSYCHOLOGICAL STUDIES
vu.edu.au/courses/LBWP

This combined five-year degree prepares you for occupations where there is an interaction between the law, psychology and mental health. You’ll gain a global and social justice perspective and an understanding of human behaviour, motivation and cognitive processes.

BACHELOR OF LAWS (HONOURS)/ BACHELOR OF PSYCHOLOGY (HONOURS)
vu.edu.au/courses/LHWP

This double degree will provide you with a global and social justice perspective, and an understanding of human behaviour, motivation, relationships, communication and cognitive processes.

ADMISSION

• Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 30 in English (EAL) or 25 in any other English. Careers in sport begin at VU. Kick off your career in exercise science, outdoor education, sport management and more.

At VU, you can achieve your goals through industry-embedded learning in some of Australia’s and the world’s most elite sporting bodies.

You’ll benefit from our comprehensive partnerships with community and industry organisations and be empowered by teaching staff who are also highly regarded coaches, advisers and sports professionals.

**STUDY AREAS**

- Exercise Science
- Physical Education
- Sport Science
- Fitness
- Sport Management
- Outdoor Recreation, Outdoor Education & Adventure Sports

**WHY STUDY AT VU?**

- **+$200 MILLION**
  - Learn in the workplace
  - 200+ sport industry employers offer our students practical placement opportunities.

- **+$300 MILLION**
  - Network with industry
  - More than 300 partnerships and affiliations with elite and community sports organisations.

- **+$68 MILLION**
  - Take your course on tour
  - $68 million sport and exercise science facilities at Footscray Park Campus and $8 million sport and recreation learning centre at VU Whitten Oval.

For more information visit [vu.edu.au/sport-exercise-science](http://vu.edu.au/sport-exercise-science)
I chose VU for its state-of-the-art sporting facilities and strong connections to the industry, from elite to community organisations.

“Teachers at VU are highly specialised and at the top of their fields, from leading nutritionists to operators at the forefront of next-generation technologies.

Studying with the VU Block Model has many benefits, including fewer hours on campus so I can find balance with work, life and study. Almost all of our classes involve a hands-on component, which is such a great way to learn.”

BRADY
Bachelor of Sport Science

BRADY’S STORY
Our extensive partnerships range from community sport to outdoor education and adventure sports through to elite national and international organisations including the Western Bulldogs, International Federation of Association Football (FIFA), Sport Australia, Australian Institute of Sport (AIS), Melbourne Victory FC, Real Madrid Graduate School Universidad Europea, Western United FC and The Outdoor Education Group. These relationships inform our curriculum and provide students with access to industry networks.

**Practical Learning**

We have a strong emphasis on hands-on learning in clinical and real-world settings so you can take what you learn in the classroom and apply it to real industry projects and challenges.

The College of Sport & Exercise Science’s Career Development and Employability Program has been recognised by the Australian Learning and Teaching Council as a leader in the university sector with more than 200 participating organisations.

Career Development and Employability units are designed to:

- improve your clarity regarding career direction and opportunities
- include substantial course-related industry experience, and
- develop your skills, professionalism, and capacity to effectively self-market when job seeking beyond graduation.

Career development units are delivered in the second and/or final year of degrees as part of core course requirements. This focus on your graduate employment outcomes is a unique feature of our courses.

Find out more at vu.edu.au/ses-placements
PARTNER PROFILE: WESTERN BULLDOGS

Our partnership with the Western Bulldogs Football Club (AFL, AFLW, VFL and VFLW) is based on a shared commitment to sport, recreation, and the economic and social wellbeing of residents in Melbourne’s west.

It provides students with the opportunity to take up placements in areas such as biomechanics, exercise physiology, remedial massage and exercise rehabilitation. In addition, students in business, administration, event management, marketing, tourism, hospitality, psychology and community development also undertake work placements through the wider Western Bulldogs organisation including its Community Foundation.

PARTNER PROFILE: MELBOURNE VICTORY FOOTBALL CLUB

In 2017, we commenced a five-year partnership with Melbourne Victory Football Club. It includes placement opportunities for undergraduate students across the club from sport science to memberships. Currently, there are 15 VU alumni employed at Melbourne Victory.

“Placements enable you to understand more than just work practices; you can see workplace culture, management support structures and department integration.”

TRENT JACOBS
CEO, Melbourne Victory Football Club

VU’S FOCUS ON INDUSTRY EXPERIENCE THROUGH WORK PLACEMENTS IS A VITAL FEATURE OF THEIR APPROACH TO EDUCATION.
SPORT & EXERCISE SCIENCE

EXERCISE SCIENCE

Career opportunities: Strength and Conditioning Coach, Exercise Science Researcher, Health Promoter, Rehabilitation Technician, Sport Performance Analyst, Sport Scientist, Aged Care Worker

OVERVIEW

BACHELOR OF EXERCISE SCIENCE (SPORT PRACTICE)  
vu.edu.au/courses/ABHD

Gain the foundation knowledge and skills for entry into professional careers in exercise and sport science, community fitness and health, as well as high performance sport.

This course delivers a range of subjects across the biological and social sciences, with a particular focus on sports physiology and sports biomechanics. You will have the opportunity for entry-level professional work by completing a course that meets industry demands in Australia.

ACCREDITATION:

BACHELOR OF EXERCISE SCIENCE (CLINICAL PRACTICE)  
vu.edu.au/courses/ABHE

Start your career in the sport and exercise rehabilitation industry with a course that delivers a range of subjects across the biological and social sciences with a particular focus on using exercise for rehabilitation. Learn skills and knowledge in biomechanics, clinical exercise, pathophysiology, nutrition and diet, and motor learning.

ACCREDITATION:

FITNESS

Career opportunities: Fitness Centre Manager, Personal Fitness Trainer, Remedial Massage Therapist, Group Fitness Instructor

OVERVIEW

CERTIFICATE IV IN FITNESS  
vu.edu.au/courses/SIS40215

This course gives you the skills to kick-start your career in the fitness industry. You will gain advanced skills to work with people affected by chronic conditions, liaise with fitness service coordinators and personal training managers, and lead a team of personal trainers.

• You must hold a current first aid and CPR certificate and have been recognised as competent against the following units of competency: SISFFIT001, SISFFIT002, SISFFIT003, SISFFIT004, SISFFIT005, SISFFIT006, SISFFIT014 and SISXCCS5001. Refer to website for more information.

DIPLOMA OF REMEDIAL MASSAGE  
vu.edu.au/courses/HLT52015

Develop essential skills to work across a range of industries from sport to rehabilitation. This course teaches you practical skills in remedial massage, which uses massage, stretching and associated techniques to improve wellness, health and relaxation. You’ll gain the theoretical knowledge required to assess your clients’ soft tissue dysfunction, and to provide treatment to clients with a specific need.

You will gain experience with real clients in the Victoria University Polytechnic massage clinic.

• There are no pre-requisites for this course. For employment and practical placement purposes, this vocational sector typically requires a current and satisfactory Police Record Check.

• Applicants must complete a Pre-training Review (PTR) and undertake a literacy and numeracy (LN) assessment to determine suitability for admission.

BACHELOR OF FITNESS  
vu.edu.au/courses/SBFI

This degree is the first of its kind in Australia focusing on the fitness industry. It will prepare you for your future in health, sport, exercise science, fitness and management. Designed by industry experts so you’ll learn the latest techniques and theory, the course provides the knowledge you need to plan, conduct and evaluate safe exercise programs, nutrition and health strategies for a broad range of people.

• Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.*

Find out everything about your course via its URL above, or browse for courses at vu.edu.au/courses

OUTDOOR EDUCATION

Career opportunities: Camp Program Manager, Eco and Adventure Tourism Operator, Environmental Planner, Outdoor Adventure Guide, Outdoor Educator, Park Ranger, Land Management Officer

OVERVIEW

BACHELOR OF OUTDOOR LEADERSHIP  SBOL

vu.edu.au/courses/SBOL

Launch an exciting career in the great outdoors. You’ll learn through a range of activities in our outdoor labs and paid internship with The Outdoor Education Group. Practical experience combined with your knowledge of the environment, group leadership and planning will open up diverse careers in the outdoor recreation sector.

ACCREDITATION:

BACHELOR OF OUTDOOR EDUCATION AND ENVIRONMENTAL SCIENCE  SBOE

vu.edu.au/courses/SBOE

This innovative course will give you expertise and skills in outdoor education, outdoor recreation, environmental science and general science. Designed by industry professionals and academics, this course offers pathways to a range of roles from teaching (with further studies) to careers with an outdoor adventure, recreation or environmental focus.

ACCREDITATION:

SPORT MANAGEMENT

Career opportunities: Community Sport and Recreation Coordinator, Event Operations Manager, Infrastructure and Community Development Manager, Leisure Centre Manager, Sport Development Officer

OVERVIEW

DIPLOMA OF SPORT  SIS50319

vu.edu.au/courses/SIS50319

This course is designed with a coaching specialisation. Gain the skills and knowledge to pursue an exciting career in the sport industry with a focus on high performance coaching, sports development management, sports talent management, or choose to pathway into higher education.

At VU – Australia’s premier sports university – you will have access to state-of-the-art sports facilities, industry and community networks and world-class sport and exercise science research.

ACCREDITATION:

BACHELOR OF SPORT MANAGEMENT/ BACHELOR OF BUSINESS  SBSB

vu.edu.au/courses/SBSB

You will gain a deep understanding of planning, strategy, finances, people management and marketing, and the application of these professional skills in commercial business, corporate sport, community sport and active recreational settings.

ACCREDITATION:

BACHELOR OF SPORT MANAGEMENT  SBSM

vu.edu.au/courses/SBSM

This course will give you the skills to manage professional organisations, major sporting events and sporting facilities. You can major in Outdoor Recreation Leadership and gain experience in outdoor adventure, adventure sports, outdoor education, and corporate training. Alternatively, you can major in Sport and Active Communities and gain experience in administrative, management, and professional-support positions in governing bodies, sport clubs, sport facilities, sport events, local government and community welfare agencies.

### SPORT SCIENCE

**Career opportunities:** Exercise and Sport Science Researcher, Athlete Counsellor, Talent Identification Manager, Sports Policy Maker, Sport Integrity Officer

#### OVERVIEW

**BACHELOR OF SPORT SCIENCE**

vu.edu.au/courses/SBSA  
This degree will open doors in the sports science, fitness, exercise programming and human movement industries. You can specialise in human movement, sports performance or sports coaching. The degree has two main components: a first year program in kinesiology, biomechanics, human physiology, exercise psychology and research methods; followed by an advanced program in second and third year consisting of a number of core units, with the completion of one academic major and an additional academic minor, where you can tailor your program towards areas of future professional interest. You will have the opportunity to undertake a practical placement with one of our industry partners.

#### ADMISSION

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.*

#### BACHELOR OF SPORT SCIENCE (HUMAN MOVEMENT)/BACHELOR OF PSYCHOLOGICAL STUDIES

vu.edu.au/courses/SBHP  
This double-degree course combines sport studies with psychological studies. The psychology specialisation provides preparation for a fifth year of honours study in psychology for graduates wishing to achieve professional accreditation. With further postgraduate study, graduates may pursue a career as a registered psychologist. By providing a holistic understanding of people’s engagement with sport and exercise, the qualification will be widely respected through sports, fitness, exercise and human movement professions.

#### ADMISSION

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.*

#### BACHELOR OF SPORT SCIENCE (HUMAN MOVEMENT)/BACHELOR OF SPORT MANAGEMENT

vu.edu.au/courses/SBHS  
This double degree provides you with the capabilities and understandings of human movement, and the structure, practices and participant needs of the Australian sport, exercise and active recreation sector.

#### ADMISSION

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.*

### PHYSICAL EDUCATION

**Career opportunities:** Fitness and Health Coach, Sport Development, Sport-Specific Coaching

#### OVERVIEW

**BACHELOR OF PHYSICAL EDUCATION AND SPORT SCIENCE**

vu.edu.au/courses/SBPH  
Gain knowledge and skills in physical education and sport science through discipline-specific studies in sport, exercise science and health. This three-year degree includes units of study in games and sports, skill acquisition, motor development, anatomy, kinesiology, exercise physiology, biomechanics, individual fitness activities, aquatics and nutrition.

#### ADMISSION

- Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.*

87
I was fortunate to be playing for Melbourne Victory Football Club already. Having the opportunity to get behind the scenes with events and coaching in the early days of my career made me realise how much I loved it.

My role at Victory proved my skills in coaching and managing events and interacting with people. This experience led to my current role as Community Football & Diversity Manager at Melbourne Victory FC.

Empower yourself and others with a degree in the youth and community sectors. Through community development studies you can find fulfilling work in social welfare and community organisations in Australia and abroad.

Our youth work degrees can lead to a rewarding career supporting young people to develop their potential.

Learn in the workplace
Access 150+ professional placement programs through the College of Arts and Education.

Join an industry in demand
Future projections for careers in welfare, recreation and community arts; support, health and service and counsellors predict very strong job growth (Australian Government’s JobOutlook).

Contribute to local culture
Enrich Melbourne’s west through local partnerships such as Maribyrnong City Council and Footscray Community Arts Centre.

For more information visit vu.edu.au/youth-community
“All of the coursework was current and left me feeling even more ambitious.

I did two work placements during my degree – the first at a local government youth program in Melton, and the second a placement overseas in the Solomon Islands and Vanuatu – which was such an enriching experience. Both placements were invaluable for my development, and prepared me for my employment.”

CHANEL
Bachelor of Youth Work

“THE LEVEL OF CARE I EXPERIENCED FROM LECTURERS AND STAFF WAS INCREDIBLE. THEY WERE ENTHUSIASTIC AND KNOWLEDGEABLE, AND SOME WERE STILL PRACTISING YOUTH WORKERS.”
YOUTH & COMMUNITY CAREER CONNECTIONS

Study in the youth and community field and you’ll have access to a wide range of placement partnership organisations through our College of Arts & Education.

Through practical learning with our partners such as Maribyrnong City Council and Footscray Community Arts Centre, you’ll gain the skills you need to be ready for the demands of an exciting career when you graduate.

Accreditations apply to individual courses. Please see course details on pages 86-87 to see which accreditations apply.
I UNDERSTAND THE VALUE OF THE PRACTICAL OPPORTUNITIES VU OFFERS. PLACEMENTS PRODUCE CONFIDENT AND SKILFUL YOUTH WORK GRADUATES, WHO ARE READY FOR THE WORKFORCE.

“Our school curriculum is more authentic – like VU. Young people are at the centre of everything we do. We’re collaborative and problem-solving, and always engaged. Breaking away from the traditional, we get incredible results in confidence and attitudes.”

REBECCA WILLIAMS
Program Director – School Organisation
St Joseph’s Flexible Learning Centre, Youth Plus

REBECCA’S STORY
COMMUNITY DEVELOPMENT

Career opportunities: Not-For-Profit Director, Community Development Officer, Community Housing Worker, International Community Development Manager, Diplomat, International Political Analyst

OVERVIEW

DIPLOMA OF COMMUNITY DEVELOPMENT
vu.edu.au/courses/CHC52115

Gain the skills to contribute to better outcomes for communities, working in partnership with communities to build their capacity, resilience and self-determinations. You’ll gain the tools to educate the public through programs on health advocacy and community consultation. You’ll learn specific community development skills as well as broad skills for community services work, such as advocacy, facilitation, needs assessment and empowerment. As part of your studies, you will undertake a fieldwork placement and an industry project.

ACCREDITATION:

DIPLOMA OF COMMUNITY SERVICES
vu.edu.au/courses/CHC52015

Gain the skills, knowledge and understanding to work in the community welfare sector. This course will enhance your knowledge in direct service work and client support so that you can make a genuine difference in people’s lives. You will enhance your knowledge in direct service work and client support to develop and deliver programs and services that meet various needs of individuals and families. You will also learn other skills such as advocacy, counselling and group work. As part of your studies, you will gain valuable practical experience through undertaking a fieldwork placement.

ACCREDITATION:

BACHELOR OF COMMUNITY DEVELOPMENT
vu.edu.au/courses/ABCD

Make a real difference in the world as a community development practitioner, creating programs and initiatives to build strong, participatory and sustainable communities. Specialise in global issues and international community development, or community development in the Australian context. In either specialisation you will study community development approaches and develop professional skills for your career.

YOUTH WORK

Career opportunities: Community Development Worker, Indigenous Youth Worker, Residential Care Worker, Youth and Family Resource Officer, Youth Case Worker, Case Manager, Social Worker

OVERVIEW

CERTIFICATE IV IN YOUTH WORK
vu.edu.au/courses/CHC40413

Gain foundation skills required to work with young people and run programs designed to address their social, behavioural, health, welfare, developmental and protection needs. You will have the opportunity to undertake a community or industry project. This course provides a pathway for further study in the Bachelor of Youth Work.

This is a Nationally Recognised Training course.

ACCREDITATION:

BACHELOR OF YOUTH WORK
vu.edu.au/courses/ABYW

A sound professional foundation for working with young people, this course will help you acquire practical management and leadership skills to help young people learn about themselves, others and society via informal educational activities which combine enjoyment, challenge and learning.

ACCREDITATION:

Find out everything about your course via its URL above, or browse for courses vu.edu.au/courses

CAMPUSES:

CF CITY FLINDERS  CK CITY KING  CO CITY QUEEN  FP FOOTSCRAY PARK  SA ST ALBANS  S SUNSHINE  W WERRIBEE  FN FOOTSCRAY NICHOLSON  OL ONLINE  BL BLENDED LEARNING (online and face-to-face)  I INDUSTRY  WO WHITTEN OVAL
OVERVIEW

BACHELOR OF YOUTH WORK/ BACHELOR OF SPORT MANAGEMENT
vu.edu.au/courses/EBYS

This course has been designed to provide you with an understanding of working with young people in community and sport and recreation settings, as well as a sound knowledge of the structure and practices of the Australian sport and management industry. You will also develop a critical awareness of the benefits of recreation while working with young people, particularly those in disadvantaged communities.

BACHELOR OF YOUTH WORK AND CRIMINAL JUSTICE
vu.edu.au/courses/ABYC

This degree will prepare you to work in high-demand areas where youth work overlaps with criminal-justice work. Your knowledge of the justice system will allow you to take on roles supporting young people in vulnerable communities, where the chances of offending or reoffending are high.

ADMISSION

• Completion of an Australian Senior Secondary Certificate (VCE or equivalent) including Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.*

YOUTH & COMMUNITY PATHWAYS

The tables below demonstrate our guaranteed pathways. This is just a small sample of what can be achieved with VU’s many pathway options. Choose the course on the left based on your own education needs, and pathway into the higher degree on the right.

You can enter and exit at many levels and courses, and transfer between study areas if your interests change while you’re studying. It all depends on your own needs and experience.

vu.edu.au/pathways

What are course credits?

Many of our TAFE courses give you credits towards a higher diploma or degree, so you can complete your studies faster. Most units or ‘subjects’ equal 12 credit points, so 96 course credits would reduce your degree by eight units (or one year full time).

* The information above is valid for applicants with recent secondary education only. If you have previous VET/TAFE study, higher education study or work and life experience, please see course webpage listed.

The course information above was accurate at the time of printing (March 2021). Some course names and codes will change for 2022 as these courses are updated on the national register. For the latest information visit vu.edu.au/courses
We have eight campuses in Melbourne’s central and western suburbs. All are easy to get to by public transport and offer places to study, meet friends, relax and learn.

**City Flinders Campus**
Located in Melbourne’s central business district, directly opposite Flinders Street Station.
Learn more about the City Flinders Campus [🔗]

**City King Campus**
Our health and beauty education centre, located close to Southern Cross Station. A hair and beauty salon on-site is run by our beauty students and open to the public.
Learn more about the City King Campus [🔗]

**City Queen Campus**
A stunning heritage building where our law students study. Situated in the middle of Melbourne’s legal precinct, it houses two moot courts, a law library, computer labs, lecture theatres and seminar rooms.
Learn more about the City Queen Campus [🔗]

**VU Tower & City West Precinct**
Exciting developments are currently under construction in the City West precinct. VU’s City West Tower – a 32-storey campus – will service students from VU Polytechnic, Business, Law and Justice, Health and Biomedicine and research.
Learn more about the VU Tower & City West Precinct Campus [🔗]

**Footscray Park Campus**
Our largest campus is located in Footscray, one of the coolest suburbs in the world (Time Out 2019) and only 10 minutes by train from the CBD. Enjoy modern facilities including our world-class sport and learning precinct, fitness and aquatic centre and an impressive learning commons.
Learn more about the Footscray Park Campus [🔗]

**Footscray Nicholson Campus**
Located in the heart of culturally diverse Footscray and just a few minutes’ walk from the train station. This relaxed and friendly campus has a learning commons, childcare facilities, and a recreation centre, as well as its own café and training restaurant VenU.
Learn more about the Footscray Nicholson Campus [🔗]

**St Albans Campus**
Our health and nutrition research and learning centre, set in a landscape of native grasses and gum trees. You’ll find a gym, and student-staffed nutrition and osteopathy clinics on site and open to the public. There’s plenty of parking available and a train station just a short walk away.
Learn more about the St Albans Campus [🔗]

**Sunshine Campus**
The learning hub for our building and construction trade courses, a range of engineering courses and our Western Melbourne English Program (WMEP). A world-class trade training centre, Construction Futures, opened here in 2012. Launched in 2020, the state-of-the-art Sunshine Skills Hub at VU Polytechnic includes a health and community services centre of excellence as well as an innovation and incubation space, along with a learning commons and café.
Learn more about the Sunshine Campus [🔗]

**Werribee Campuses**
Our Werribee Campuses are part of a modern technology precinct. Our West campus hosts a centre for new and innovative research into water and food science. Our East campus has a purpose built construction training complex.
Learn more about the Werribee Campus [🔗]

**Kindred Studios**
Kindred Studios in Yarraville offers VU music and sound production students the opportunity to gain hands-on experience in a professional facility. The studio features a range of state-of-the-art spaces including band rehearsal rooms, a recording studio, co-working spaces, a licensed performance venue, café and TV studio. It has been ranked among the top ten work spaces in the world (Lonely Planet, 2017).
Learn more about Kindred Studios [🔗]

**VU at Metrowest**
VU at MetroWest is our multipurpose community hub in the heart of Footscray. It’s open to the local community as well as VU students and staff, and is part of our Footscray University Town project.
Features and facilities include:
- exhibition and events program
- free WiFi
- co-working spaces.

vu.edu.au/metrowest [🔗]
WORLD-CLASS LEARNING FACILITIES

Hands-on learning in high-tech simulation labs, industry-standard clinics, and in the workplace with our partner organisations will shape you into a stand-out graduate.

Sport and exercise science facilities
Our $68 million sport and exercise science high-technology facility meets international standards for best practice. It is designed with multiple integrated spaces to facilitate interdisciplinary teaching, research and engagement. It houses the latest technologies and equipment, including:

- exercise physiology laboratories
- an altitude hotel
- biomechanics laboratories
- motor learning and skilled performance laboratories
- a sport and exercise biochemistry laboratory
- motor control and biofeedback laboratories.

vu.edu.au/ihes

Health and biomedicine clinics
Clinical learning is an important part of our courses in the College of Health and Biomedicine. Our clinics provide students with the opportunity to practice new skills in a safe environment, gaining confidence and an industry edge. These include:

- Dermal Therapy Clinic
- Osteopathy Clinic
- Massage and Myotherapy Clinics
- Clinical Exercise and Rehabilitation Clinic
- Psychology Clinic.

vu.edu.au/about-vu/facilities-services/our-services/health-clinics

Engineering, science and IT facilities
At our Footscray Park Campus we have specialised labs in areas such as analytical chemistry, biotechnology, concrete materials geomechanics, heavy structures, hydraulics, mechanics, microelectronics, power engineering, and thermodynamics.

The newly established Built Environment Design Studio offers students of building design, surveying and construction a place to practise creative problem-solving, model-making and communication.

In partnership with the world’s largest Cyber Security vendor, CISCO we launched the Cybersecurity Training Centre at St Albans Campus in 2019, which offers our students the latest in digital technology.

When you study IT, you’ll have access to extensive computing and networking resources including:

- a full set of CISCO routers and switches for network design and access control (security)
- virtualisation (Hyper-V) infrastructure
- Amazon cloud servers
- mobile labs
- graphics and video authoring tools
- software development kits
- latest software packages including net and Java integrated development environment.

Our Werribee Campus is part of a modern technology precinct with cutting-edge science facilities and a research centre, for our Institute for Sustainable Industries and Liveable Cities.

Paramedics, nursing and midwifery simulation labs
In 2018, new multi-million-dollar simulation labs were opened for our paramedic, nursing and midwifery students. Staged with realistic sets, fully responsive mannequins and role-playing actors, these labs allow students to practise difficult techniques in a safe and supportive setting – building skills and confidence for work.

Industry partner facilities
Our students also enjoy use of the facilities of our industry partners. These include the $8 million VU education research centre for sport and exercise sciences at Victoria University Whitten Oval, home of the Western Bulldogs Football Club; and a $51 million facility at Sunshine Hospital, which provides opportunities for science research.

Sunshine Hospital’s recently launched VU Clinical School provides Health and Biomedicine students industry-level simulation spaces, teaching facilities and placement opportunities.

Media production facilities
Our media production precinct at Footscray Park Campus includes:

• TV studio (with HD cameras, lighting equipment, interview set and drama set)
• radio studio
• large green screen
• post-production labs with DaVinci Resolve software
• professional video and audio recording equipment and editing software.

vu.edu.au/about-vu/facilities-services/our-facilities/tv-studio-hire

Library
VU’s campus libraries are known as ‘learning commons’ – integrated spaces that offer academic resources and learning and IT supporting a relaxed, lounge-like setting.

Learning commons include computing and printing facilities, electronic and print resources, and a comprehensive information skills training program.

vu.edu.au/library

IT services
As a leader in educational technology, we offer a seamless digital student experience. Through the multi-award winning VU App (see pg 18), VU Collaborate online learning spaces and innovative teaching tools, you’ll discover a more interactive and exciting way to learn.

With 150+ computer labs across our campuses and regular hardware and software upgrades, we support you to study on and off campus.

Our proactive on-campus cybersecurity program will help protect you from cybercrime, and we’re using the latest Geofencing technology to transform into a Smart Campus offering benefits like one-touch security and first-aid assistance.
Course costs vary, depending on whether you are a government-funded or full fee-paying student.

Course fees also differ between courses and can be affected by the units you enrol in.

Below is a discipline based guide to costs at the time of publication, March 2021.

For the latest information and a more detailed guide to study costs, including VU’s unit fee schedule, visit vu.edu.au/fees

TAFE/VET students visit vupolytechnic.edu.au/course-fees

### Higher education students

All domestic undergraduate students at Victoria University are automatically enrolled in a Commonwealth Supported Place (CSP).

**Commonwealth Supported Place (CSP)**

Course fees are shared between students and the Australian Government, which subsidises your course fees.

vu.edu.au/CSP

**Full Fee Place (AFP)**

You must pay the full cost of your course.

The table above shows the maximum student contribution and full fee amount for 2021 admissions, per year of full-time study. These amounts are indexed each year.

vu.edu.au/full-fee

### Student Services And Amenities Fee

In 2021 this fee amounted to $313 for full-time students and $156.50 for part-time students in university courses. Full and part time TAFE students amenities fee was $156.50.

vu.edu.au/ssaf

### HECS-Help

The Australian Government’s Higher Education Loan Program, HECS-HELP, allows Australian citizens and Permanent Humanitarian Visa holders to borrow the amount of your student contribution and pay it back once you are in the workforce and earning a specified amount.

studyassist.gov.au

### International students

For information on fees, select your course from the list online at vu.edu.au/courses/international
SCHOLARSHIPS

To help our students succeed, each year we award and facilitate scholarships to support education at all levels of study.

Our comprehensive range of scholarships is based on financial need and other barriers, academic performance, and demonstration of community commitment and leadership.

You can also apply for scholarships with a range of criteria at various stages of your course.

Find out more about the full range of VU scholarships, their benefits, eligibility and how to apply on the website from July 2021.

vu.edu.au/scholarships

“MY SCHOLARSHIP HELPED A LOT WITH EXPENSES LIKE A NEW LAPTOP, SOFTWARE AND STATIONERY FOR UNI.”

“I would encourage all students to apply for a scholarship – it’s such a valuable resource.”

LISETTE
Bachelor of Social Work
Having a comfortable, convenient and secure place to stay while you’re studying will make your uni experience enjoyable and support your wellbeing.

We are here to help you find accommodation that suits all your needs – and your budget.

Campus accommodation

UniLodge VICTORIA UNIVERSITY

Our purpose-built multi-storey student accommodation complex located directly opposite VU’s Footscray Park Campus offers studio, two and six-bedroom luxury apartment living for over 500 students. The twin-bedded studios are particularly popular for the budget conscious. Fully furnished apartments, study rooms, in-house theatre and much more await you. Utilities and unlimited WiFi are already included in your rent.

The benefits of living in university accommodation are many – here’s our top five:

1. Convenient location – easy access to campus services, facilities and public transport
2. Safety – 24-hour security, electronic key access, shuttle bus to and from public transport and after-hours guides
3. Facilities you’ll love – modern living, spacious study rooms, gourmet kitchens, basketball half-court, cinema room, rooftop garden, pool table and games rooms and your own barista café
4. Sense of community – make lifelong friendships and learn with students from all over the world
5. Affordable rent – considering the abundant amenities, compared to low quality and higher priced CBD accommodation.

victoriauniversity@unilodge.com.au
03 9998 8490

Life at Unilodge

Watch the video to find out what our students love about UniLodge at Victoria University!

Accommodation guarantee

In partnership with UniLodge, VU offers guaranteed accommodation to eligible new and continuing full-time domestic and international students.

Find out more
vu.edu.au/accommodation-guarantee

Off-campus accommodation

If you are considering off-campus accommodation, we have a student housing database which students can access for listings of rooms or properties to rent.

Student advisers at VUHQ can offer budgeting advice, tenancy tips and information to help you find accommodation that is right for you.

vu.edu.au/housing
### HOW TO APPLY

You can apply through the Victorian Tertiary Admissions Centre (VTAC) or directly to VU.

Check your course web page for the correct way to apply and the closing dates for applications, or browse [vu.edu.au/courses](http://vu.edu.au/courses)

### Get prepared

Before you start your application, make a checklist of the tasks you’ll need to do. Tick off each item as you go. You might need copies of some important documents, we have listed some of these in the checklist below:

- course admission criteria
- your educational qualifications, if applicable (certificates of completion or transcripts)
- work and/or life experience, if applicable (résumé/CV)
- statement of interest (optional)
- complete any selection tasks, e.g. CASPer (if applicable)

### Applying through VTAC

Current Year 12 students must apply for undergraduate courses through the Victorian Tertiary Admissions Centre (VTAC) if their chosen course is offered via VTAC. Non-Year 12 applicants can also choose to apply through VTAC.

[vu.edu.au](http://vu.edu.au)

If you’ve applied through VTAC, you’ll need to submit your documents directly to them. Find helpful information about how to supply documentation to VTAC.

[vu.edu.au/documentation](http://vu.edu.au/documentation)

### What’s a non-Year 12 applicant?

You are considered a non-Year 12 applicant if you:

- have previously attempted or completed post-secondary study at Certificate IV or above
- are currently enrolled in an Australian/overseas Year 12 study or program (including the IB) and have post-secondary studies at Certificate IV or above
- have not completed Australian or overseas secondary studies and have no post-secondary studies at Certificate IV or above
- are a mature-age student (didn’t complete Year 12 in the calendar year prior to the year you’re applying to study).

### Applying directly to VU

Most applicants can apply direct to VU. If you have applied online directly to VU (via our Admissions Centre), we will confirm your application via email and advise if you need to provide any additional documents. When providing additional information, please clearly identify the course you have applied for, your name and date of birth.

### Exceptions to applying directly

There are a couple of exceptions to applying directly when the Victorian Tertiary Admissions Centre (VTAC) is open. If you fit either of the following descriptions you should apply or make amendments to preferences via VTAC:

- you are a current 12 student, and your chosen course is listed with VTAC.
- you have already submitted an application to VTAC for the current intake.
- your chosen course is only offered via VTAC.

Find out more about how to apply [vu.edu.au/apply](http://vu.edu.au/apply)

### VU Polytechnic

You can apply for our courses online at [vupolytechnic.edu.au](http://vupolytechnic.edu.au). Our courses have a number of intakes throughout the year. Please check the individual course pages for start dates. If you need any assistance give us a call on 1300 82 33 87, or drop into any of our VUHQ centres that are located at all our campuses.

Remember that each course will have a different application procedure.

### Apprenticeship & Traineeship Applicants

To undertake apprenticeship or traineeship courses at VU Polytechnic, you firstly must secure an apprenticeship or traineeship directly with an employer in your chosen trade.

Follow the steps below to start the process. Six to eight weeks after successfully completing this process, your classroom training will commence. For further information visit: [vupolytechnic.edu.au/apprenticeships-traineeships](http://vupolytechnic.edu.au/apprenticeships-traineeships)
