OUR VALUE PROPOSITION TO OUR STUDENTS AND THE COMMUNITY

Victoria University (VU) aims to be a great university of the 21st century by being inclusive rather than exclusive. We will provide exceptional value to our diverse community of students by guiding them to achieve their career aspirations through personalised, flexible, well-supported and industry relevant learning opportunities. Achievement will be demonstrated by our students' and graduates' employability and entrepreneurship.

The applied and translational research conducted by our staff and students will enhance social and economic outcomes in our heartland communities of the West of Melbourne and beyond. Our graduates as employees and citizens will shape the industries in which they work and communities where they live. Healthier, smarter and more sustainable communities will result.

A MESSAGE FROM THE CHANCELLOR

As Chancellor of Victoria University nothing gives me greater pride than seeing our students succeed and the impact of our research on real world issues including the health and wellbeing of the community locally and globally.

I am constantly impressed by the outstanding qualities of both our students and staff.

Presiding at our Graduation Ceremonies provides a wonderful opportunity for me to meet both our inspirational students and our dedicated staff and I therefore undertake the task with great enthusiasm. Our ceremonies truly reflect the special nature of our University. Each one is a celebration of an individual student's achievement, an acknowledgement of their determination and will to succeed. It is also the occasion when family and friends can be justifiably proud and they can also be thanked for their support.

It is important to me and the entire University community that each ceremony highlights the rich and genuine diversity of our University. We work hard to ensure that our ceremonies are friendly, inviting and engaging and that we honour the celebratory nature of the occasion. It is the VU way of doing things and those outside the VU community who attend our ceremonies never fail to comment on what an uplifting experience it is.

To each of our graduates - I urge you to enjoy your Graduation Day. Reflect on all that you have accomplished so far and on the many experiences still to come. Take a moment to think about what your time at VU has meant to you.

Give some thought to staying connected through our extensive Alumni network because you are now a VU alumni. You are now a member of our community and, as with all our students you will always be important to us.

Congratulations and very best wishes for an exciting and successful future.

Mr George Pappas AO

Chancellor

A MESSAGE FROM THE VICE-CHANCELLOR AND PRESIDENT

Welcome, and my heartfelt congratulations to all graduands at this important ceremony. As the Vice-Chancellor and President of Victoria University, I am honoured to celebrate your achievements with you in 2017. I would also like to extend a warm welcome to your family and friends who are sharing this special day with you.

Today marks the day you can proudly hold your diploma or degree in your hand, and know that your hard work and persistence has earned you this wonderful accomplishment. I ask that you take the skills and knowledge you have gained here at Victoria University and use them as the first vital step in your lifelong learning journey.

As the University of Opportunity and Success, we take pride in being an open and excellent university creating exceptional value for all our students, no matter their background. Last year, we celebrated a 'Centenary of Opportunity', 100 years since our predecessor institution, Footscray Technical School first welcomed students. It was also our 25th anniversary as a University.

These milestones signify the transformational impact that Victoria University had, and continues to have, on thousands of students every year.

As graduates of Victoria University, you have now become a part of this proud and growing history. I join the Chancellor in encouraging you to remain connected to the University as part of our ever growing Alumni community and I look forward to hearing more from you as you embrace your chance to join them as valued ambassadors of our institution.

Your award is an opportunity for you to make a real impact in the world; locally, nationally and globally. Let it be known that you are now a graduate of Victoria University – defined by a commitment to excellence in everything you do.

Congratulations on reaching this exciting milestone and I hope that you will be inspired to find success on your own terms.

Professor Peter Dawkins

Vice-Chancellor and President

VICTORIA UNIVERSITY

100 YEARS OF OPPORTUNITY AND SUCCESS

Congratulations! You have achieved an important milestone. You have succeeded in your tertiary studies and we are delighted to send you into the world – or welcome you back for further study. You are now part of the of the VU family.

Today's Victoria University is a direct descendant of Footscray Technical School, which first opened its doors to students in February 1916. The school, with the support of the local community, took up the challenge to offer educational opportunities to the diverse population of Melbourne's West. We remain committed to that goal and we are now one of the longest-standing providers of education in Victoria.

The School adopted the image of the **Door of Opportunity** as a means of expressing to the entire community the school's purpose and reason for existence. Victoria University remains committed to that spirit and tradition as we embark on our next 100 years.

As the University of Opportunity and Success, we play a role in helping students from diverse backgrounds to find success on their own terms, and in the process we strive to be a distinctive University of the 21st century.

For a quarter of century we have also been providing Opportunity and Success for international students. In Melbourne, nearly 20% of our total student population are international students from over 80 countries. Offshore, through high-quality partnerships, VU enrolls nearly 4,500 students per year in English, diploma, degree and master courses in China, Malaysia, Singapore, Vietnam and Sri Lanka. Consequently, VU holds official graduations in Malaysia and China and numerous graduation celebrations for our offshore students.

VU is especially proud of our international alumni as they provide marvellous contributions to their employers, families and communities all over the world.

We have grown into one of Australia's biggest and best universities, with over 42,000 enrolled students and just under 2000 staff. In September 2016 Victoria University was ranked in the prestigious Times Higher Education World Rankings in the Top 400 universities in the world, placing us in the top 2% globally.

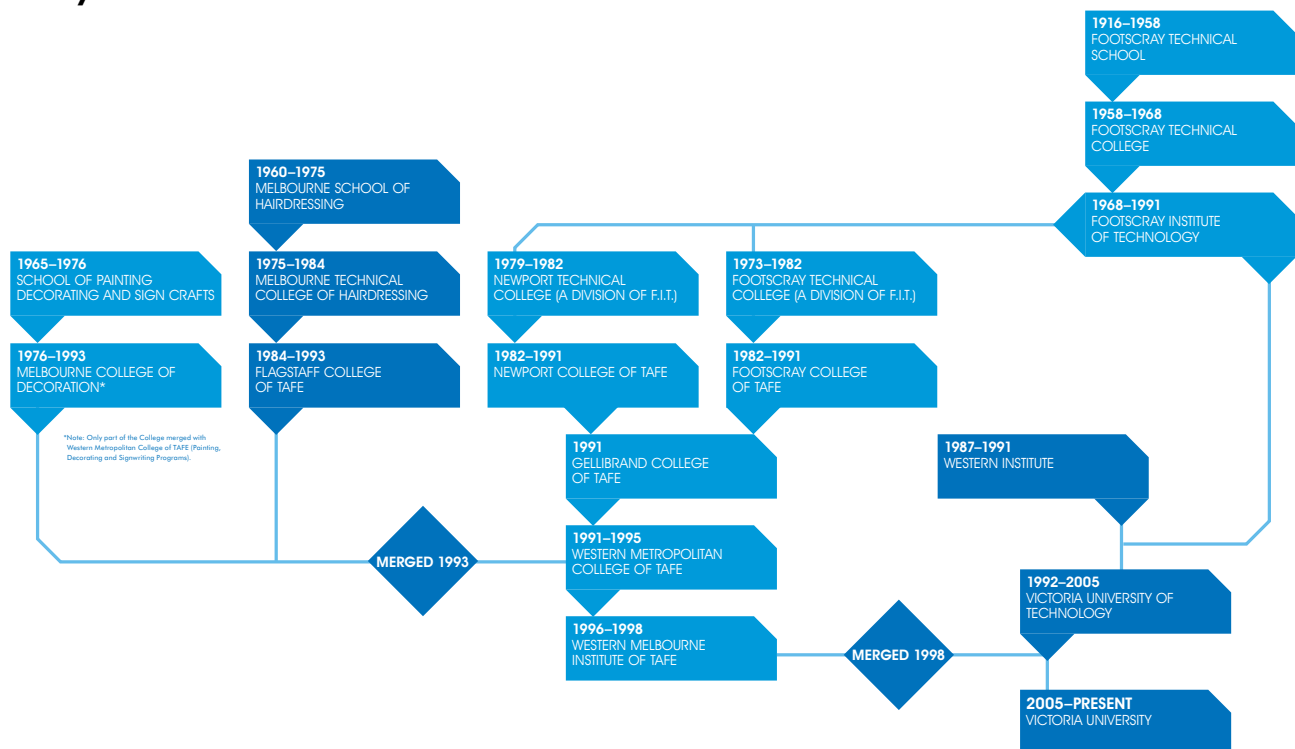

We have multiple campuses in Melbourne's CBD, and spread across Melbourne's western region, and a Sydney campus that offers courses to international students.

The University encompasses:

- ▶ seven teaching colleges
- ▶ six research institutes
- ▶ six major research centres
- ▶ Victoria Polytechnic, VU's vocational training provider, and
- ▶ The Sir Zelman Cowen Centre within The College of Law and Justice.

AT VU, FAMILY IS EVERYTHING

We are a young university with a long rich history dating back to the founding of Footscray Technical School in 1916. We are proud of each and every one of our students who have studied with us over our 100 year history. Where do you fit on the VU family tree?

ACADEMIC DRESS

Wearing academic dress on ceremonial occasions is a celebrated university tradition, and generally consists of a gown (also known as a robe) with a separate hood (also known as a stole), and usually a cap – doctoral candidates wear a bonnet. Throughout the Commonwealth, universities usually follow the academic dress style of Oxford or Cambridge. Our academic dress is based on the Oxford style. Traditionally, the Chancellor’s gown is faced in gold and the Vice-Chancellor’s gown is faced in silver.

The colour of the hood (stole) identifies the discipline:

Ruby	Arts
Ultramarine	Business or Business Administration
Cherry	Education
Silver Grey	Engineering
Old Rose	Health Science
Parchment	Law
Pansy	Music
Buff	Psychology
Spectrum Green	Science, Applied Science and Sport Science
Gold	Social Studies
Gold	Sport and Recreation
Adonis Blue	Doctor of Business
Cherry	Doctor of Education
Graphite	Doctor of Engineering
Pearl White	Doctor of Laws
Ruby	Doctor of Letters
Sapphire	Doctor of Philosophy
Old Gold	Doctor of Psychology
Spectrum Green	Doctor of Science
Sky Blue	Doctor of the University
Tangerine	TAFE Certificates

The gowns worn by graduating students help distinguish undergraduate and higher degrees:

- ▶ undergraduates and postgraduates wear a black gown – Vocational Education, Further Education and undergraduate gowns have a large slit in each sleeve
- ▶ the masters gown has a long narrow sleeve extension
- ▶ doctoral candidates wear a red gown.

Academic dress for particular awards is as follows:

Certificates – a black cap and an undergraduate gown with a black stole with a facing of tangerine.

Diplomates and Graduate Certificates – a black cap and an undergraduate gown with a black stole with a facing in the discipline colour.

Bachelors – a black gown and black cap with a black hood half lined with the discipline colour. The hood for the honours degree has a white band on the edge of the hood.

Masters – a black gown and black cap with a black hood fully lined with the discipline colour.

Doctors – a black bonnet with a gold cord, a scarlet gown with a facing and a black hood fully lined with the discipline colour.

Indigenous Australians – the gown of their award together with a calf-length black and red silk stole with gold tassels, a map of Victoria in gold silk, ‘Victoria University’ embroidered in gold on the left end of the stole, the sun embroidered in gold silk and ‘Ngaga Jindi Woraback’ embroidered in gold on the right end of the stole.

In official abbreviations of our awards, Victoria University is abbreviated to VicMelb.
