

COURSE STRUCTURE AND DELIVERY SCHEDULE ACADEMIC YEAR – 2020

BBUS BSPISM - Bachelor of Business (Information Systems Management)

6 Semesters = 24 Units (17 Core and Specialisation Units + 7 Elective Units)

The following is a course structure and suggested unit progression for the Bachelor of Business (Information Systems Management). Unit selection must follow the stated prerequisites.

Use the 'Record completion column' to record that a unit is satisfactorily completed.

Students are advised to plan their course and choose their electives carefully. Please note that not all units are offered in every semester.

Students must consult the timetable when determining semester enrolment options and seek Academic advice.
