ENROLMENT

Enrolment is an essential step in maintaining your Australian student visa. All students must be correctly enrolled into each unit of study for their course before the deadline (see Important Dates table).

View the enrolment schedule at
www.vu.edu.au/vu-sydney/study-enrolment/enrolment-vusydney-courses

It is your responsibility as a student to ensure that you are enrolled as a full-time student in the correct unit(s) of study and that all details are accurate. If you fail to complete your enrolment by the enrolment deadline in the above table, you will be reported to the Department of Immigration and Border Protection (DIBP) for non-commencement of studies.

If you miss your enrolment session, contact the VU Sydney enrolment officer immediately to seek advice on 02 8265 3222.

It is advisable for students to maintain a personal file of all correspondence you receive from VUSydney relating to enrolment, payment of fees, academic progress and results.

COURSE DURATION

International students are required by law to be enrolled in full-time study in order to complete their course within the expected duration outlined in their electronic Confirmation of Enrolment (eCoE).

ACCESSING YOUR TIMETABLE

Timetables are available on the VU Sydney website, forums and on the notice boards around the campus. You are responsible for your timetable and confirming the location of lectures and tutorials. Visit the website regularly during the first few weeks of semester as timetables may change during this time.

CHANGING YOUR ENROLMENT

If you wish to vary any part of your enrolment, you will need to complete the appropriate form. You can amend your enrolment without penalty until enrolment deadlines outlined in the above table.

All information on changing your enrolment can be accessed at:
www.vu.edu.au/vu-sydney/study-enrolment/change-your-enrolment

The University has a legal responsibility to report any changes to your enrolment to the Department of Immigration and Border Protection (DIBP). This includes changes in your study load and when you are no longer a student with the University. If your enrolment at the University is reported to DIBP, you will need to contact DIBP directly to discuss your student visa options.

REDUCED STUDY LOADS

Discuss your situation with your course coordinator first. The VU Sydney Campus Manager must approve a reduced study load. All applications will be assessed before your enrolment can be confirmed. Where an application is not approved, your enrolment and fees may be subject to change.

Applications for a reduced study load can only be accepted in the following circumstances:

• Course structure - If you are unable to enrol in a full-time study load due to the structure of your course or if a unit of study becomes unavailable
• Academic progress - If you are at risk of making unsatisfactory progress, and academic staff recommend a reduced study load to help you meet course requirements
• Compassionate circumstances - If you are unable to study a full-time load due to illness, injury, bereavement of close family members or involvement in a traumatic experience.

The University will notify the Department of Immigration and Border Protection (DIBP) when you have been granted a reduced study load if it affects your course duration.

To apply, international students must complete a Reduced Study Load or Overload form along with the Unit of Study Amendment form found at
www.vu.edu.au/vu-sydney/study-enrolment/student-forms

NON-ENROLMENT AND WITHDRAWALS

Your student enrolment details must be finalised for each semester by the census date. If you withdraw from your course after this date, you will have to pay fees and there will be academic penalties.

Failure to lodge a withdrawal application for a unit/s of study or the whole course before census date means you will be charged fees for all units you are enrolled in whether you have attended classes or not.

DEFERRING YOUR COURSE INTAKE

Deferring your course intake is available only to commencing students. If you wish to defer your course, you are required to complete a Defer Your Studies/Change of Course Preference form and submit it to admissions before your scheduled enrolment session.

apply@vusydney.edu.au

Please note the following information about deferments.

• If your course is not available for commencing students in subsequent intakes, you may need to negotiate an alternative study option
• Applicants do not enrol before deferring. A deferral is a guarantee that the place of offer will be available for the applicant to enrol subject to course availability.
INTERMISSION (LEAVE OF ABSENCE)

In some limited circumstances, you may need time away from your studies. This is known as a leave of absence or intermission. We advise you to speak to your student welfare officer before you apply.

You may be able to apply for intermission if you have been affected by:

- serious illness or injury
- death of a close family member such as parents or grandparents, husband/wife or child
- major political upheaval or natural disaster in your home country requiring emergency travel and which has affected your studies
- traumatic experiences such as being involved in an accident or being the victim of a serious crime.

Your application must be approved by the VUSydney Campus Manager. If you decide to apply, you must submit an Application for Intermission Form to VU Sydney Student Welfare Officer with certified or original copies of any of the relevant supporting documents such as death or medical certificates.

Your application for intermission must be received by census date as per the table on Page 6. The University will notify the Department of Immigration and Border Protection (DIBP) that you have been granted an Intermission (also known as a leave of absence). Intermission may affect your student visa. For advice, please phone DIBP on 131 881.

eCoE EXTENSIONS

Some students may require an extension of their eCoE. Applications for eCoE extensions should be lodged as early as possible, up to six weeks before your student visa expires by completing an International Request for an Electronic Confirmation of Enrolment.

CHANGE TO PERSONAL DETAILS

It is important that personal details are kept current as important information will be sent to the nominated address for correspondence. VU also sends emails and SMS messages when necessary so it is important that you also update this information.

Students can change contact details via the following:

MYVU PORTAL

1. Login via www.vu.edu.au under Student Essentials and select the Personal Details tab
2. Click on “edit” to start updating the information online
3. Follow the instructions on the screen or place the mouse over the “i” buttons to view more detail about a particular field of information.

ASKVU

http://askvu.vu.edu.au

IN PERSON

Collect a Personal Details Amendment form from Student Services or download the form from www.vu.edu.au/vu-sydney/study-enrolment/student-forms

Amendments to change of name, title, date of birth and gender must be
done in person by submitting a Personal Details Amendment form together with supporting documents (passport, birth certificate or extract, deed poll documents) to student services. You will also be asked to show your student ID card. Any awards/certificates produced at the conclusion of your course will be issued under the name in which you have enrolled.

**PATHWAYS AND ADVANCED STANDING**

**WHAT IS A PATHWAY?**

Pathways link the qualifications that you have already obtained or are in the process of obtaining with approved courses at Victoria University. These links allow articulation and credit transfer between courses.

For more information on pathways, please speak with your course coordinator.

**ADVANCED STANDING**

Advanced Standing is an assessment process that applies to individuals who may have prior study, or other relevant experience, but who do not have access to credit transfer arrangements for the chosen course. You are encouraged to discuss possible applications with your enrolment officer at enrolment and may be required to provide the syllabus details of your qualification.

If your application for advanced standing is successful, and your course duration is reduced, your eCoE will be updated with a new course end date. You will need to contact the Department of Immigration and Border Protection (DIBP) to check whether your visa status is affected.

**ELIGIBILITY**

All students enrolled in higher education courses at Victoria University are eligible to apply for advanced standing (credentialed or experiential).

**CERTIFIED COPIES OF RELEVANT QUALIFICATIONS**

Please include certified copies of your qualifications with your application. i.e. Do not send original documents. A photocopy of an original document can be certified (signed and dated) as a true copy of the original document by an authorised person (i.e. Justice of the Peace, police officer, doctor, accountant, school principal, bank manager, etc.) This person must sight both the original and the photocopy. You may be asked to provide the original documents at a later stage.

Please note: Victoria University may contact your former institution(s) for further information regarding your application for advanced standing.

**INTERNATIONAL STUDENT FEES AND CHARGES**

As a student of VU Sydney you are required to pay international student fees for your program of study. Fees and charges vary depending on your course. When you enrol or re-enrol you will receive an invoice from ECA. This details all fees and charges and the due date for payment.

All fees are listed in Australian dollars (AS), are indicative and may be subject to change. Payment options are listed on your invoice. After your first semester, the University will invoice you (or your sponsor) each semester according to your enrolment in that semester.

VU reserves the right to annually adjust course fees to take into account increases in university and course delivery costs. Course tuition fees are invoiced per semester based on the enrolment for that particular semester.

If your fees are not paid by the due date, your enrolment will be cancelled and this will affect your student visa. VU is required to report any student who is no longer enrolled to the Department of Immigration and Border Protection (DIBP).

If your cancellation of enrolment is reported to DIBP by the University, you will need to contact DIBP directly to discuss your student visa options.

**INTERNATIONAL STUDENT REFUNDS**

International students who have paid their tuition fee up front for a given semester and withdraw before the census date may be entitled to a full or partial refund according to the International Student Refund Policy.

PLAGIARISM
WHAT IS PLAGIARISM?
Many people think of plagiarism as copying another’s work, or borrowing someone else’s original ideas. But terms like “copying” and “borrowing” can disguise the seriousness of the offense:

In other words, plagiarism is an act of fraud. It involves both stealing someone else’s work and lying about it afterward.

All of the following are considered plagiarism:

- turning in someone else’s work as your own
- copying words or ideas from someone else without giving credit
- failing to put a quotation in quotation marks
- giving incorrect information about the source of a quotation
- changing words but copying the sentence structure of a source without giving credit
- copying so many words or ideas from a source that it makes up the majority of your work, whether you give credit or not.

Most cases of plagiarism can be avoided, however, by citing sources. Simply acknowledging that certain material has been borrowed, and providing your audience with the information necessary to find that source, is usually enough to prevent plagiarism.

TURNITIN
The Plagiarism prevention software used by VU is Turnitin which calculates the percentage of ‘similarity’ between an essay and multiple sources. You may be asked to submit assignments via Turnitin on VU Collaborate. Turnitin allows lecturers to check for improper citation by comparing it against continuously updated databases using the industry’s most advanced search technology.

SPECIAL CONSIDERATION
Students whose performance at an examination is seriously affected by illness or other special causes or are prevented from attending an examination by illness or other special causes should apply online for Special Consideration within three working days of their examination - Applications for special consideration must be lodged online, except if exceptional circumstances apply.

Reasons for Special Consideration may be:

- death of an immediate family member
- medical reasons (either yourself or someone in your immediate family)
- personal trauma or crisis (eg. victim of crime, severe disruption to domestic arrangements)
- serious illness or psychological condition (eg. hospital admission, serious injury/illness, severe anxiety or depression)
- loss or bereavement (eg. death of close family member, family/relationship breakdown).

All applications for special consideration from students should be submitted within three (3) working days of the due date of exam. This time frame can only be waived under exceptional circumstances.

Please contact VU Sydney Student welfare Officer directly if you have any eligibility questions on special consideration at studentservices@vusydney.edu.au.

Once the application for special consideration has been assessed; students will be notified of the outcome within five (5) working days of receipt of the application. The outcome notification will be through your VU email address.

Only submit correctly completed applications - any incomplete or late forms will be rejected unless exceptional circumstances apply.

ACADEMIC PROGRESSION

There is an academic advisor assigned to each course at Victoria University Sydney for students to consult with at any point during their studies. Academic advisors:

- Provide students with accurate information about course progression and degree requirements
- Assist students in understanding academic policies and procedures
- Help students access academic resources which will enhance their ability to be academically successful
- Assist students in overcoming educational and personal problems via referral to counsellor or tutoring service.

STUDENT ASSESSMENT AND ACADEMIC PROGRESS

ATTENDANCE

Victoria University Sydney will monitor your academic performance in accordance with the Student Progress and Assessment Policy:

- You must achieve satisfactory academic progress.
- You are expected to complete your course within the duration stated on your electronic Confirmation of Enrolment (eCoE).

STUDENTS AT RISK

A student designated as “at risk” is one whose academic performance is such that it appears he or she may require the provision of specific learning support and assistance as a consequence of:

a) A student’s semester results displaying a level of achievement that is judged to be less than, or only marginally, satisfactory.

b) The student’s self review and subsequent declaration that some form of support is needed.

c) Observational assessment by teaching staff that the student appears to be vulnerable in terms of achieving satisfactory learning progress.
UNSATISFACTORY PROGRESS DEFINITION

A student is considered to have made unsatisfactory progress, whilst enrolled in a particular program of study, if that student:

a) fails the same Unit of Study on more than one occasion; and/or
b) fails 50% or more of the enrolled program load for the relevant teaching period; and/or
c) fails to comply with a conditional enrolment agreement set by the Academic Adviser, Program Coordinator, Progress Committee or Faculty Board of Studies.

EMERGENCY CONTACT

Fire, Police and Ambulance: 000

EVACUATION PROCEDURE

There is a map in each area showing the nearest assembly point.

Leave your classroom in an orderly fashion and pay attention to your teacher/lecturer and/or the emergency warden coordinating the evacuation. Remember the following important points:

- Don’t panic
- Leave the upper levels of the building by using the stairs only
- Do not use the lifts under any circumstances
- Leave by the nearest safe exit to your room
- Regroup with your class members and your emergency warden/teacher/lecturer at the designated assembly point or area designated by the emergency warden as soon as you are clear of the building.
• Do not wander off from your group until your emergency warden/teacher/lecturer marks you off the roll or gives you clearance to leave.

• Do not re-enter the building under any circumstances until the “All Clear” signal has been given by the Fire Brigade or Emergency Warden.

MEDICAL EMERGENCY
If a situation is life threatening, follow these procedures:

• Remember to clearly state your location street address and the nature of the emergency. Be prepared to answer other questions. Do not hang up unless advised to do so by the Ambulance Service.

• A 24-hour emergency hotline is also available to you through your OSHC policy (if your policy is with our preferred provider Allianz Global Assistance). The contact phone number for this service is 1800 814 781.

• All incidents, near misses and any first aid given are to be reported to your Teacher/Lecturer and must be recorded, regardless of severity of outcome.

• A University Incident Report form is to be completed by your Teacher/Lecturer.

• In the cases of students under 18 years of age, a parent/guardian will be contacted.

Please note: Student Services are not the first point of call in cases of severe injury and/or acute illness.
Contact the Ambulance Service first on 000.

THEFT PREVENTION
Many thieves are opportunistic and there are many ways to reduce the chance of being a victim of theft by taking a few simple steps.

• Mark your property using a permanent dye and record any serial numbers, makes, models, colour, value etc. This will help in the identification of your property.

• Make property difficult to steal by using locks to secure computer notebooks and similar equipment.

• If working in a library or open area, don’t leave bags, phones, wallets or computers unattended.

• Be alert to suspicious people in your work area. If you see anyone that looks suspicious, contact Student Services on Level 3.

PERSONAL SAFETY
All staff and students are entitled to feel safe and secure, whether they are on campus, at home, on public transport or just in your local community. An important part of feeling safe is to develop a personal safety plan. This may be as simple as thinking about what you would do and where you would go if confronted by a potential attacker. Planning ahead will help you to think clearly.

• Be aware of your surroundings and know where you are going

• If walking at night, walk with a group or a friend and keep to well-lit paths and roads.

• Be aware of who is behind you when using ATM’s.
